The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids to Provide Reconditioning/Preventive Maintenance/Miscellaneous Repairs to Various Ventilators and Respiratory Therapy Equipment at Boston City Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, May 18, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Wednesday, June 3, 1987, at twelve noon, Boston

time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

The Economic Development & Industrial Corporation of Boston, acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 and chapter 149, sections 29 and 44-A through 44-H, inclusive of the Massachusetts General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Installation of Fire Service Backflow Preventers at Boston's Marine Industrial Park."

SCOPE OF WORK includes: The installation of fire service backflow preventers including all necessary control and double-check valves, testing, piping, appurtenances, and connections to the existing piping in the building, electrical work (fire alarm and wiring) and coordination with the fire alarm contractor.

CONTRACT DOCUMENTS, plans and specifications will be available at the offices of the Public Facilities Department on or about May 22, 1987, to all interested parties who present a \$25 deposit in the form of certified check, cashier's check, or treasurer's check, payable to the Economic Development & Industrial Corporation of Boston for each set. The contract documents and specifications must be returned in good condition within thirty (30) calendar days of the bid opening in order for the bidder to have the \$25 deposit check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, certified check, cashier's check or treasurer's check and shall be made payable to the Economic Development and Industrial Corporation of Boston.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bids shall be filed with the Public Facilities Department at the above address before twelve o'clock noon, Boston time, on June 15, 1987, at which time and place respective bids will be opened and read aloud. General bids will be valid only when accompanied by (1) a Certificate of Eligibility issued by DCPO (Form CQ7), showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an update statement (Form CQ3) summarizing the contractor's record for the period between the last DCPO certification and the date the contractor submits its bid.

A **BIDDER'S CONFERENCE** will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m. on June 3, 1987, to discuss the project. All prospective bidders are invited to attend the conference.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to bidders (including subbidders), and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, and the requirement set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity and Affirmative Action and Boston Minority Participation requirements of the general conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female; 25 percent Minority; and 50 percent Boston Resident; and 10 percent Minority Business Enterprise (set aside). Additionally, the contractor is notified of the requirement to pay not less than the prevailing minimum wages stated in the contract documents.

Attention is directed to the notice to the bidders, the form for general bid and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development & Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

**Proposal for Furnishing Mechanical Sweepers
for Night Sweeping in the City of Boston.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 18, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 4, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of one thousand dollars (\$1,000).

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Parti-

cipation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Department of Planning and Engineering,
26 Court Street, Boston, Mass.**

Invitation for General Bids for Removal and Replacement of Lockers at Madison Park High School, 55 New Dudley Street, Roxbury, Mass.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed bids for "Removal and Replacement of Lockers at Madison Park High School, 55 New Dudley Street, Roxbury, Mass."

General bids will be received up until twelve o'clock noon, Boston time, Friday, June 5, 1987, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the

specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Proposals for the Disposal of Refuse from Various Districts of Boston Street Cleaning and Vacant Lot Debris for the Period July 1, 1987, to June 30, 1988.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for the disposal of refuse from various districts of Boston street cleaning and vacant lot debris for the period July 1, 1987, to June 30, 1988.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 18, 1987.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for the Disposal of Refuse from Various Districts of Boston Street Cleaning and Vacant Lot Debris for the Period July 1, 1987, to June 30, 1988," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of Thursday, June 4, 1987.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid price, but in no event less than one hundred dollars (\$100), nor more than fifty thousand dollars (\$50,000), in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of five dollars (\$5), NOT REFUNDABLE, for each set of contract documents taken out.*

Anti-Discrimination Affirmative Action: During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following:

In connection with the performance of work under this contract, the contractor shall not discrimi-

nate against any employee or applicant for employment because of race, color, religious creed, national origin, age, or sex. The aforesaid section shall include, but not be limited to the following: employment, upgrading, demotion, or transfer, recruitment advertising; recruitment lay-off; termination, rates of pay or other forms of compensation; conditions or privileges of employment; and selection for apprenticeship.

Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall provide insurance in full force and effect during the term of this contract.

The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be in the best interest of the city so to do.

at Jamaica Pond, Boston, Mass.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Thinning of Understory at Jamaica Pond, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to thin the understory at Jamaica Pond. Estimated cost, \$25,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, June 2, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 18, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors

to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, May 26, 1987, at 10 a.m., Boston time.

The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, May 11, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority

Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, May 19, 1987, at 10 a.m., Boston time.

**Invitation for General Bids for Furnishing, Delivering and Setting in Place One (1) Electric Convection Oven at the Mary Lyon School,
50 Beechcroft Street, Brighton, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed bids for furnishing, delivering and setting in place one (1) electric convection oven at the Mary Lyon School, 50 Beechcroft Street, Brighton, Mass.

General bids will be received up until twelve

o'clock noon, Boston time, Friday, June 5, 1987, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefore.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PEAK HOUR PARKING BAN IMPLEMENTED

Mayor Flynn recently announced that, as a result of the success of the Traffic Relief Program (TRP), currently in effect on Arlington, Congress and Tremont Streets, the city has expanded the program to three additional streets. On Monday, May 11, strict enforcement began on Cambridge Street, with Stuart/Kneeland and Boylston/Essex Streets targeted for June 8 and June 29, respectively.

In October of 1986, the Transportation Department, in cooperation with the Boston Police Department, implemented the Traffic Relief Program along three major arteries in downtown Boston — Arlington, Congress, and Tremont Streets. This program combines parking restrictions with strict enforcement measures for the purpose of relieving traffic congestion and improving traffic flow on heavily traveled roadways in the city.

A study conducted for the department by the firm of Tibbetts-Abbett-McCarthy-Stratton (TAMS) indicated that the first phase of the program resulted in an 18 percent improvement in air quality as measured by eight-hour concentration standards, a 33 percent decrease in travel times and a 58 percent decrease in the number of parking violations issued along the three corridors.

Mayor Flynn said "The effort has been very successful in improving access into and out of downtown Boston and has resulted in significant benefits for residents and local businesses by relieving congestion and improving public safety."

Transportation Commissioner Dimino said "The expansion of the Traffic Relief Programs is another effort by the city to manage and control congestion on Boston's streets. The results of a "before" study of traffic volumes conducted earlier this spring by TAMS indicates that expansion of TRP could result in a 10 to 30 percent reduction in travel times on these additional streets. The program is being expanded to other heavily traveled commuter roadways that are direct access routes from major commuter arterials to the downtown and will greatly improve traffic flow during peak rush periods."

According to Commissioner Dimino, the criteria used for selection of the new streets included traffic volumes proximity to downtown and the fact that they are major east/west connections to primary commuter arterials such as the Central Artery, Storrow Drive, and other regional roadways.

While restrictions on Arlington, Congress, and Tremont Streets were,

in most cases, applied from 7 A.M. to 7 P.M., the restrictions on these new streets will occur primarily during peak rush hours. The department has been working closely with representative groups from each area to develop restrictions which will limit the amount of parking only at hours when traffic volumes require maximum road capacity. In most cases, this means only during the peak, rush-hour periods of 7 A.M. to 9:30 A.M. and 4 P.M. to 6 P.M.

The restrictions will be in effect for a thirty-day trial period, after which a decision will be made as to whether or not they will be made permanent.

ADVISORY

Motorists were advised by the Boston Transportation Department that implementation of the expansion of the Traffic Relief Program includes a

DISTRICT 5 TO REOPEN AS A FULL SERVICE STATION

Mayor Raymond L. Flynn and Commissioner Francis M. Roache announced that the District Five Police Station in Hyde Park will reopen as a full-service, fully staffed police station. Mayor Flynn and Commissioner Roache released the good news to residents of Hyde Park at a meeting sponsored by City Councillor Thomas Menino.

District 5 is located at 1249 Hyde Park Avenue in Cleary Square. As a full-service police station, it will be available to address the needs of residents of Hyde Park. Currently, those community members are serviced by the Area E Police Headquarters at Holy Name Circle in West Roxbury.

Construction on the Hyde Park neighborhood facility is divided into two phases. Phase I is currently under way and on schedule. It includes renovation of the building's existing systems (electrical, heating, etc.), painting, and handicapped access. Phase I should be completed in March of 1988. Phase II includes the renovations of cellblocks and locker facilities to enable District 5 to operate as a fully staffed police station. All work should be completed by late 1988.

While the construction is being completed, the Boston Police Department will request that the Department of Personnel Administration consider scheduling Civil Service Exams on a yearly basis, rather than the current biannual exam schedule. This would insure that Commissioner Roache would be able to select the best qualified individuals to adequately staff the new station.

On April 29, 1987, Mrs. Lois Carlton was appointed to the position of Registered Nurse RN-8 (1) at the Suffolk County Sheriff's Department. She has evidenced prior creditable service which is hereby submitted for evidence under the provisions of Rule 15 (f) of the Suffolk County Compensation Plan.

Mrs. Lois Carlton — Appointed to the position of Registered Nurse RN-8 on April 29, 1987. Mrs. Carlton is a 1952 graduate of the Whidden Memorial Hospital School of Nursing, where she received her RN degree. She is a former employee of the Suffolk County Sheriff's Department serving as a registered nurse from 1972-1978. She was then employed as an occupational nurse for the Coldwater Seafood Company from 1978-1981, and from 1983 to 1987, as a staff nurse for Central Hospital in Somerville.

In view of her prior service and qualifications, it is requested that her first, second, and third increments be determined under the provisions of Rule 15 (f) of the Suffolk County Compensation Plan, effective April 29, 1987.

Sincerely,

ROBERT C. RUFO,
Sheriff of Suffolk County.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

ADMINISTRATIVE SERVICES DEPARTMENT

Purchasing Division

Computer and Maintenance

Dear Mr. Mayor:

Your Honor's permission is requested by the Administrative Services Department/Management Information Services Division to amend FY85 contract No. 7385WA originally awarded by your Honor to Wang Laboratories, Inc., of Lowell, on April 30, 1985.

The original contract was for an amount not to exceed \$200,000, for the period July 1, 1984, to June 30, 1985, and was intended to cover all the anticipated costs for add-on equipment and service and maintenance contracts on existing equipment throughout various city departments.

Since then, the MIS Division has found it necessary to automate some city departments not having any equipment, and to provide additional equipment to several city departments who already have Wang equipment. Related service and maintenance costs were also incurred.

Thirteen new and/or existing automated city departments received the following equipment: fifty-six personal computers; thirty-nine printers; eleven terminals; two OIS mini-computers; plus numerous related support equipment and hardware.

In addition, a decision was made to network all City Hall departments to allow them to communicate with each other. This was accomplished with the purchase of a Wang VS 100 mini-computer. The cost for service and maintenance on this mini-computer is considerable less than the total costs to support the existing 35 Wang OIS systems.

The decision to continue with Wang equipment was based on the following factors: a cost savings of approximately \$1 million over the next three years; a trade-in allowance of \$68,000 on existing OIS systems equipment; continued utilization of non-OIS systems equipment; no reprogramming required of existing data files; no retraining required of operating personnel; faster and more efficient electronic communication time cycles when all equipment is compatible; complete utilization of, and compatibility with, all existing city data processing inventory (i.e., IBM, Digital Equipment Corp., etc.); ability for remote communications with outside City Hall departments.

A continued and satisfactory business relationship with Wang Laboratories has resulted in the donation of approximately \$200,000 worth of additional equipment to the City of Boston.

The reason for this late submittal for a FY85 contract amendment is that Wang Laboratories extended retroactive consideration to the City of

Boston on a reduced pricing structure that was implemented after June 30, 1985.

Accordingly, your Honor's permission is respectfully requested to amend FY85 contract No. 7385WA issued to Wang Laboratories, Inc., Lowell, for the period July 1, 1984, to June 30, 1985, by increasing the contract in the amount of \$300,000, which will increase the original contract total from \$200,000, to \$500,000, a cost I consider reasonable, and public advertising would serve no useful purpose.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

Photographic Supplies

Dear Mr. Mayor:

On June 18, 1985, your Honor approved the award of a publicly advertised contract to General Photographic Supply Company, Boston, for the furnishing of photographic supplies, to various city departments, for delivery from July 1, 1985, through June 30, 1986. It now appears that the quantities originally estimated will be insufficient to satisfy the city's requirements through June 1986. The General Photographic Supply Company has agreed to furnish whatever additional quantities may be required at the same prices it originally bid under this contract.

Because General Photographic Supply Company presently has a contract for photographic supplies in existence through June 30, 1986, it is my opinion that no useful purpose would be served by further public advertising for bids, and that the best interests of the city would be served by amending the General Photographic Supply Company existing contract, to include the estimated additional quantities required for the balance of fiscal year 1986, at the price originally quoted.

Accordingly, your permission is requested to amend contract 8043, with the General Photographic Supply Company, 311 Cambridge Street, by increasing the amount of the contract from \$65,000, to \$100,000, net, a cost I consider reasonable.

Purchasing Division's Article 3, General Conditions, is a standard provision in all of our contracts and will apply to this contract. This permits the city to purchase an additional 25 percent of the contract amount, if so required, at the contract price.

Respectfully yours,

John F. Scalcione,
Purchasing Agent.

HEALTH AND HOSPITALS DEPARTMENT

Medical Care Clinics

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with South End Community Health Center for provision of medical services for the residents of the South End community through the operation of a private, nonprofit medical care clinic for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$120,000.

This amendment will increase the contract sum by \$25,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$145,000.

This increase is part of the Mayor's and the Department of Health and Hospital's initiative to strengthen prenatal care for pregnant women who demonstrate one or more high risk factors. This new money is intended to improve the capacity of

the health center to serve high risk pregnant women by improving the continuity and reliability of the obstetrical care available to each patient from the beginning of pregnancy to delivery; and improving the quality, delivery and organization of care in the first trimester. The twin goals of better continuity and services earlier in pregnancy are part of a broader plan to improve prenatal care and reduce low-weight births.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Codman Square Health Center, Inc., 6 Norfolk Street, Dorchester, matching grant for primary health care services for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$70,000.

This amendment will increase the contract sum by \$50,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$120,000.

This increase is part of the Mayor's and the Department of Health and Hospital's initiative to strengthen prenatal care for pregnant women who demonstrate one or more high risk factors. In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Trustees of Health and Hospitals of the City of Boston, Inc., for the funding of comprehensive primary health care services through health centers affiliated with Boston City Hospital for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$2,879,803.

This amendment will increase the contract sum by \$367,500, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$3,247,303.

This increase is part of the Mayor's and the Department of Health and Hospital's initiative to strengthen prenatal care for pregnant women who demonstrate one or more high risk factors. This new money is intended to improve the capacity of the health center to serve high risk pregnant women by improving the continuity and reliability of the obstetrical care available to each patient from the beginning of pregnancy to delivery; and improving the quality, delivery and organization of care in the first trimester. In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Trustees of Health and Hospitals for provision of health care by Neighborhood Health Associates in the department's special Infant Mortality Reduction program, for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$150,000.

This amendment will increase the contract sum by \$218,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$368,000.

This amendment will allow the department to achieve the following goals: increase the number of pregnant women to be served; increase the number of providers to deliver these services; and increase the training and professional support and supervision of the individuals who are delivering these services.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

Boarding and Securing, etc.

Dear Mr. Mayor:

See attached letter which was sent to you on November 21, 1985, regarding a repetitive services contract award for firms or corporations which had proposed to enter a contract for estimate periodically the cost of, and thereafter, upon the lowest responsible estimate for performing the boarding and securing of buildings; sidewall repairs; making safe of buildings or structures and shoring up unsafe conditions.

Five contractors responded and their names and addresses were listed. I would like to amend that letter dated November 21, 1985, to include another firm under the name of Hegarty Construction, 19 Houghton St., Dorchester, who has expressed his interest in bidding with the Inspectional Services Department.

Your approval is hereby requested to add him to our contracting list as I feel he will add to the competition and replenish the existing bidders that we now have.

Very truly yours,
William Sommers,
Commissioner.

LAW DEPARTMENT

Report and Expert Testimony

Dear Mayor Flynn:

On November 6, 1985, your Honor approved an award of a contract, without public advertising for bids to Dr. C. J. Abraham, P.E., L. Stanley Shulman, c/o Inter-City and Consulting Corp., New York, for on-site inspection, written report and expert testimony concerning the safety of the design of Francis Parkman Playground during the period October 15, 1985, through June 30, 1986, at a cost not to exceed \$8,500.

Your approval is requested to amend this contract to provide for Dr. James W. Pugh's participation as a bio-mechanical engineering specialist in this case. Compensation under this amendment shall be in accordance with the letter proposal dated December 9, 1985, and the proposed costs (Exhibit B attached). The cost of this amendment, which is effective on October 30, 1985, shall not exceed \$9,180, which I have determined to be reasonable. The contract, as amended, shall not exceed \$17,680.

This award letter is being submitted late because when the case was first assigned to this expert, it was not determined that a medical doctor would be needed. After a preliminary review of the case file, Inter-City Testing and Consulting Corporation determined that it was necessary to have a doctor analyze the medical records concerning the injury as it related to the recreational park. Accordingly, they worked with Dr. Pugh who came with them at the time they viewed the subject property.

Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Contract Administrator, etc.

Dear Mr. Mayor:

On June 28, 1985, your Honor approved an award of a contract, without public advertising for bids, to Elizabeth A. Weber of Melrose, during the period July 1, 1985, to June 30, 1986, at a cost not to exceed \$24,500.

Your approval is requested to amend this contract to provide for additional services as contract administrator for the Law Department and administrative assistant to the corporation counsel. The cost of this amendment, which is effective on January 1, 1986, shall not exceed \$4,100, which I have determined to be reasonable. The contract, as amended, shall not exceed \$28,600.

Because of the personal and professional nature of services to be performed and Ms. Weber's special qualifications, I believe public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

MANAGEMENT INFORMATION SYSTEMS Systems Programming

Dear Mr. Mayor:

On January 2, 1985, your Honor approved the award of a contract, with public advertising for bids, to Systems Engineering, Incorporated, of Weston. This contract provided professional contracting services for systems programming in the installation, updating, implementation and application of new programs for the IBM system located in the Administrative Services Department/Data Processing Division, Room 103. This contract was awarded for the time period of July 1, 1985, through December 30, 1985, at a cost not to exceed \$54,600. This contract is being charged to appropriation code 1-01-49-29-0.

Your approval is requested to amend this contract to provide for additional compensation which was not anticipated in the terms of the original contract. Due to the extra work load not anticipated, the services of personnel were required to work more than the maximum of twenty hours per week, therefore the compensation has to be increased from \$54,600, to \$80,000. The period of this contract shall be extended from December 31, 1985, to June 30, 1986.

Because of both the professional nature of the services to be performed as well as the progress made in these projects during the last year in the application work, I believe that public advertising would serve no useful purpose.

This contract is being submitted late due to negotiations between Systems Engineering, Incorporated and the City of Boston.

Very truly yours,
Allan K. Stern,
Director.

PUBLIC FACILITIES DEPARTMENT Corrective Repairs Cost Survey

Dear Mr. Mayor:

On October 10, 1984, your Honor approved the award of a contract following the advertisement and receipt of proposals in accordance with the provisions of M.G.L. c. 7, s. 30B et seq, to Lev Zetlin Associates, a Massachusetts-based company, with offices at 131 State Street, for professional services to prepare a quantity and cost survey of the corrective work to the exterior wall system at West Roxbury High School and the Murphy School in Dorchester, at a cost not to exceed \$15,000.

Pursuant to a vote of the Public Facilities Commission on October 10, 1985, your approval is requested to amend this contract to provide for additional services due to continuing decay of the exterior wall system at West Roxbury High School and the Murphy School in Dorchester. The contractor shall submit to the official, biweekly, for his review and comment, evidence of the contractor's performance of the services provided including, if requested, three copies of drawings or written material. The cost of this amendment will exceed the original contract amount by \$15,000 (including \$500 for supplementary services), resulting in a new contract amount not to exceed \$30,000, which I have determined to be a reasonable cost. All other terms and conditions of the contract shall remain in full force and effect.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with M.G.L. c. 7, s. 30B et seq. The contractor, who has demonstrated expertise in this field of work and has prior knowledge and familiarity with the masonry conditions at West Roxbury High School and the Murphy School in Dorchester, is particularly qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my belief that further public advertising would serve no useful purpose.

Sincerely,
Lisa G. Chapnick,
Director.

Youth Services Program

Dear Mayor Flynn:

On September 11, 1985, your Honor approved the award of a contract, without public advertising for bids, to the Dorchester Youth Collaborative, a nonprofit organization, located at 1514A Dorchester Avenue, Dorchester, for the purpose of providing a youth services program. Compensation was in the amount of \$21,500, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. After further discussions with the contractor during individual negotiations, it has been determined that a new

higher funding level more accurately reflects the costs of the program recommend for funding by the NDEA. Specifically, additional funds are requested in order to increase the number of program participants served. I, therefore, request permission to increase compensation in the amount of \$4,700. Total compensation under the terms of this contract, as amended, shall not exceed \$26,200. All other terms and conditions of the original contract shall remain the same. This letter supercedes a previous letter from the former Neighborhood Development and Employment Agency, dated November 7, 1985, which was returned by the Law Department with a request for additional information.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Day Care Services

Dear Mayor Flynn:

On July 24, 1985, your Honor approved the award of a contract, without public advertising for bids, to Escuelita Agueybana, Inc., a nonprofit organization, located at 100 West Dedham Street, for the purpose of providing day care services. Compensation was in the amount of \$32,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. After further discussions with the contractor during individual negotiations, it has been determined that a new, higher funding level more accurately reflects the costs of the program recommend for funding by the NDEA. Specifically, additional funds are requested to fund a social worker position. I, therefore, request permission to increase compensation in the amount of \$8,300. Total compensation under the terms of this contract, as amended, shall not exceed \$40,300. All other terms and conditions of the original contract shall remain the same. This letter supercedes a previous letter from the former Neighborhood Development and Employment Agency, dated November 7, 1985, which was returned by the Law Department with a request for additional information.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Counseling Services

Dear Mayor Flynn:

On July 24, 1985, your Honor approved the award of a contract, without public advertising for bids, to S.T.E.P., Inc., a nonprofit organization, located at 427 Commercial Street, for the purpose of providing counseling services. Compensation was in the amount of \$45,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1986.

Your approval is requested to amend this con-

tract in terms of compensation. After further discussions with the contractor during individual negotiations, it has been determined that a new, higher funding level more accurately reflects the costs of the program recommend for funding by the NDEA. Specifically, additional funds are requested to provide a part-time childcare worker position, and to maintain the services of a counselor/aide. I, therefore, request permission to increase compensation in the amount of \$5,000. Total compensation under the terms of this contract, as amended, shall not exceed \$50,000. All other terms and conditions of the original contract shall remain the same. This letter supercedes a previous letter from the former Neighborhood Development and Employment Agency, dated November 7, 1985, which was returned by the Law Department with a request for additional information.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Bunker Hill Monument

A towering obelisk marks the site of the first major battle of the Revolution: the Battle of Bunker Hill, June 17, 1775. The monument is a tribute to those Colonists who, though badly outnumbered, fought bravely against the British and withdrew only after their ammunition was gone. Monument and museum open daily, 9 to dusk. Adults, \$.75; children, \$.50.

NOTICE TO CONTRACTORS

**Invitation for Bids for the Installation of Fire
Service Backflow Preventers at Boston's
Marine Industrial Park, South Boston, MA
02210.**

The Economic Development & Industrial Corporation of Boston, acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 and chapter 149, sections 29 and 44-A through 44-H, inclusive of the Massachusetts General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Installation of Fire Service Backflow Preventers at Boston's Marine Industrial Park."

SCOPE OF WORK includes: The installation of fire service backflow preventers including all necessary control and double-check valves, testing, piping, appurtenances, and connections to the existing piping in the building, electrical work (fire alarm and wiring) and coordination with the fire alarm contractor.

CONTRACT DOCUMENTS, plans and specifications will be available at the offices of the Public Facilities Department on or about May 22, 1987, to all interested parties who present a \$25 deposit in the form of certified check, cashier's check, or treasurer's check, payable to the Economic Development & Industrial Corporation of Boston for each set. The contract documents and specifications must be returned in good condition within thirty (30) calendar days of the bid opening in order for the bidder to have the \$25 deposit check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, certified check, cashier's check or treasurer's check and shall be made payable to the Economic Development and Industrial Corporation of Boston.

TIME AND PLACE FOR FILING BID APPLICATIONS: General bids shall be filed with the Public Facilities Department at the above address before twelve o'clock noon, Boston time, on June 15, 1987, at which time and place respective bids will be opened and read aloud. General bids will be valid only when accompanied by (1) a Certificate of Eligibility issued by DCPO (Form CQ7), showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an update statement (Form CQ3) summarizing the contractor's record for the period between the lastest DCPO certification and the date the contractor submits its bid.

A **BIDDER'S CONFERENCE** will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m. on June 3, 1987, to discuss the project. All prospective bidders are invited to attend the conference.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to bidders (including subbidders), and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, and the requirement set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity and Affirmative Action and Boston Minority Participation requirements of the general conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female; 25 percent Minority; and 50 percent Boston Resident; and 10 percent Minority Business Enterprise (set aside). Additionally, the contractor is notified of the requirement to pay not less than the prevailing minimum wages stated in the contract documents.

Attention is directed to the notice to the bidders, the form for general bid and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development & Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

PUBLIC WORKS DEPARTMENT

**Proposal for Capital Improvement Project No. 9
for Sidewalk Reconstruction in Elm Street
in West Roxbury, and Magnolia Street,
Westview Street, and Valley Road in Dorchester.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 25, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 11, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplement Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on June 2, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$10, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Donald J. Burns, 275 Dorchester Avenue, South Boston, MA 02127, Telephone No. (617) 722-3405. A prebid conference will be held on May 27, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Making Safe Certain Buildings,
Project No. 1-CI-AMS, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, 5th floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the making safe of the following building:

95 Magazine Street, Ward 8.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 4, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Project No. 1-CI-AMS."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements.

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. Minority Workforce: The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. Female Workforce: The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. Boston Residents: The contractor and its sub-

contractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE
ACTION TO ENSURE EQUAL EMPLOYMENT
OPPORTUNITY (EXECUTIVE ORDER
11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

NOTE: See Procurement Standards Circular No. A-102.

**Proposal for Bids for Preventative Maintenance
and Repair Program for Elevators at the
Central Maintenance Facility.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, May 25, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 11, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of \$1, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. **Invitation for Bids for Parking Sign
Manufacture and Installation.**

The City of Boston, acting by its Transportation Department, through its Commissioner of Transportation (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, June 3, 1987, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after May 25, 1987, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. LIBRARY DEPARTMENT

Invitation for Proposals for Elevator Maintenance and Service.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for maintenance and servicing of elevators throughout the library system during the period July 1, 1987, through June 30, 1988, with option for renewal on July 1, 1988, and on July 1, 1989, at bid price.

Proposals will be received until 12 o'clock noon, Boston time, Tuesday, June 9, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Tuesday, May 26, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, JUNE 1, 1987

NO. 22

BOSTON WOMEN'S COMMISSION HONORS MEMBERS

Boston Mayor Raymond L. Flynn, along with Kathleen Hennessy, the Mayor's Advisor on Women's Issues, honored the new and continuing members of the Boston Women's Commission at a reception held at City Hall.

The reception was attended by several city officials and local women's issues activists, as well as participants in the Women's Commission's photographic essay project entitled "Women at Work." The exhibit will formally debut in October at the John Fitzgerald Kennedy Library in Dorchester.

Mayor Flynn, in congratulating the members of the Commission, emphasized the importance of their contribution as role models for Boston's teenage women, and for the city as a whole.

The Commission consists of four incumbent members; Patricia Nickerson of South Boston; Joyna Bozzotto of East Boston; Angela Menino of Hyde Park; and Laraine Morin of Jamaica Plain; as well as recently appointed members Mary Hines of Dorchester; Shirley Carrington of Hyde Park; Carmen Torres of Mission Hill; Annette Rufo of Brighton; Betsy Johnson of the South End; and Alice Krapf of Charlestown. They are now joined by newly appointed members Mary-Lou Rayball of Roslindale; Liz Malia of Jamaica Plain; Sybil Goodman of Brighton; and Carol Lee of Jamaica Plain.

The Boston Women's Commission encourages all women of Boston to become involved with the Commission. There are a number of projects and subcommittees that may provide opportunities for participation in those who are interested. To obtain more information, please call the Boston Women's Commission at 725-427.

Following are the biographies of members of the Commission.

Shirley Carrington, is a resident of Hyde Park and currently the Executive Director of the Roxbury Multi-Service Center. She has been a leading force in the Multi-Service Center which provides leadership in the areas of emergency shelter, housing opportunities, child care, and health care counseling needs to a wide range of clients in the Roxbury/North Dorchester area. She is well-known for her activism in the areas of needy women's housing concerns and youth activities. She also serves as a board member of the Dudley Street Initiative, Drop-A-Dime Program, Boston Housing Partnership, and has worked as a Taskforce member on the Youth at Risk

Taskforce, established by School Superintendent Laval Wilson. While a resident of Hyde Park, Shirley is a concerned leader throughout the Boston minority community and has accomplished much for the benefit of this community.

Mary E. Hines, a resident of Dorchester, is an activist in many areas of Dorchester life. She is president of the Board of Trustees of the All Dorchester Sports League. She serves on the St. Margaret's Hospital Community Advisor Committee and is a member of the Columbia-Savin Hill Civic Association. She works as the Executive Assistant to the Executive Director of the Federated Dorchester Neighborhood Houses. The work of the FDNH is well-known and well-respected in the Dorchester Community. As the parent of two daughters and a son in their early twenties and late teens, she is keenly aware of the problems facing our young people in Boston. She is also active in the St. William's Guild and as a United Way key person.

Carmen M. Torres has a Doctorate in Education from Boston University and lives in the Mission Park Devel-

opment in the Mission Hill section of Jamaica Plain. She has a long history of community activism and has played an important role in the development of tenant control within Mission Park.

Currently she works as a day care evaluator/reviewer for Action Boston Community Development Head Start Programs. She is married to James Murray, a Neighborhood Coordinator for the Mayor's Office of Neighborhood Services. They have one child.

Annette Rufo, lifelong resident of Brighton, works as a nationally registered and state-licensed occupational therapist in an acute, in-patient psychiatric unit at St. Elizabeth Hospital in Brighton. She is active in fundraising activities with the hospital and the Boston Latin School and Home Association. She is the wife of newly elected Sheriff of Suffolk County, Robert C. Rufo. They have two sons.

Elizabeth (Betsy) Gardner Johnson, an environmental activist and a ten-year resident of the South End, is currently working at the Massachusetts Audubon Society, in one of its new programs. She has worked as a teacher and served as a board member of the League of Women Voters of Boston. Her involvement in the Claremont Neighborhood Association began in 1975 and she has served as chair since 1984.

She is an active Democrat with the Ward 4 Democratic Committee and also serves on the Mayor's Citizen Advisory Committee on Solid Waste. She has two children — a boy and girl in the Boston Public Schools.

Laraine Morin is a school teacher in one of Boston's parochial schools, Cathedral High School. She and her husband are the parents of two young children. They live in Jamaica Plain. She is most active in the area

of preventing violence against women and jointly with other Commissioners, she has worked hard on the Rape Awareness Program which we hope to re-inaugurate in fiscal year 1988. She has been most concerned about the issues of women and their safety and health at home and in the workplace.

Angela Menino and her husband, Thomas Menino, live in Hyde Park with their two teenage children. Her husband is a District City Councillor on the Boston City Council.

She works at John Hancock Life Insurance Company and has been involved in the issues of pay equity and child care while serving a two-year term on the Commission. This past February, she was reappointed to a three-year term ending in 1990.

Joyna Bozzotto lives in East Boston with her husband and children. She works with the Boston School Volunteers Program. She has been active in her community concerning issues affecting needy and minority women and their children. She has worked with her husband, Domenic Bozzotto, President of Local 26 of the Hotel and Restaurant Workers Union, on important issues such as the Anti-Apartheid Movement in the United States.

Patricia Nickerson is a native of South Boston and lives there with her daughter. She works on media relations in the Braintree office of New England Telephone Company. Pat was appointed to a three-year term on the Commission when it was first formed. She has been active on the Pay Equity and Child Care Subcommittees and continues to be involved in the issues of sex discrimination, child care, and pay equity. She also currently serves on the Commission's Steering Committee.

Alice Krapf, a Charlestown resident, has been head of her own consulting firm in Boston since 1980. Krapf Associates specializes in housing policy analysis, real estate development, and consulting for government and nonprofit organizations. She is active with the Charlestown Preservation Society and works

closely with the Women's Institute for Housing and Economic Development. Previously, she worked for the Boston Housing Authority and the Executive Office of Communities and Development. She attended the New School for Social Research and State University at Stonybrook in New York.

Mary-Lou Rayball, single, who lives on the Roslindale/West Roxbury line, works as the Associate Director at the International Coordinating Council, a public/private partnership which promotes international trade, tourism, and investment in Boston and Massachusetts as a center. She has also worked as a management consultant with the Newman and Hermanson Company in Washington, D.C. and also as a policy analyst in the office of the Secretary of the Department of Health and Human Services, where she was involved with many women's issues such as policy work.

Her interests are quite varied and focus on pay equity, occupation mobility, and economic development for women. As a new member, she has joined on the newly formed Steering Committee of the Commission.

Elizabeth "Liz" Malia lives on Child Street in Jamaica Plain, is employed in the Pharmacy Department at the Dana Farber Cancer Institute in Boston. Liz is involved in numerous local groups including Jamaica Plain Neighborhood Council, its Housing Committee, the Ward 11 Democratic Committee, and she is a founding member of the Lesbian and Gay Neighbors of Jamaica Plain. She is also a member of the Bay State Lesbian and Gay Political Alliance and has coordinated lobbying efforts at the State House on behalf of the Gay Rights Legislation. She attended Boston College and has been active in health care and union organizing since 1971.

Sybil Goodman, is a resident of Brighton in the Ulin-Leventhal House on Wallingford Road where she lives with her husband, Hank Goodman, a retired theater manager. She has three children and two grandchildren. She is an activist in many important issues, especially those concerning the handicapped, as she is herself wheel-chair bound. She has testified on her concerns about health care

and health insurance availability at the State Legislature and is a member of the League of Women Voters. For the last eight years, she has been the Political Affairs Coordinator in her development and is responsible for coordinating political forums and visits by political candidates to the 1,000 resident complex. Her interests include the elderly, teenage women, and the plight of Soviet Jews.

Carol Lee is currently employed as a housing paralegal at the Jamaica Plain office of Greater Boston Legal Services. She is the former administrative assistant/community education coordinator of the Boston Human Rights Commission. She lives in Jamaica Plain with her husband and is very active in the Asian community in Boston. Carol presently serves as the co-moderator of the Chinatown South Cove Neighborhood Council. She is also a member of the Chinatown Housing and Land Development Taskforce where she was the executive director.

Last year's recipients included Senate President William Bulger, Frank J. Manning, and the Parker House Hotel.

MAYOR'S OFFENSIVE AGAINST ILLEGAL DRUGS

On the heels of Mayor Flynn's successful campaign against crack last fall, the Mayor's Policy Office asked the Marketing Department of the Harvard Business School to develop long-term strategies for cutting the demand for illegal drugs in Boston.

Researchers faced two very tough questions:

- What product is marketed so effectively that over two-thirds of high school seniors in the United States, and almost three-quarters of those in Massachusetts, have tried it?

- What product reaches these young people without benefit of advertising or formal sales promotion?

The answer to both questions is illegal drugs. Clearly, the way that drugs are marketed plays a crucial role in whether or not young people choose to use them. The Harvard group found that the most effective campaign to counter drug marketing from the streets should reflect the following guidelines:

- Ads should be about Boston kids;
- Portray family situations.
- Use believable stories.
- Present ideas for avoiding drug use.
- Prompt self-questioning by the viewer.

The researchers studied which anti-drug programs currently in place worked — and which did not. What they found was that two city programs initiated last fall, the School Program to Educate and Control Drug Abuse (SPECDA), which places Boston police officers in the public schools to educate the city's young on the effects of drug use, and the Mayor's offensive against crack held up particularly well under the group's scrutiny.

May 19.

General Order No. 28

BOARD OF MERIT

The Board of Merit, consisting of the Fire Commissioner and the Deputy Chiefs, has considered all meritorious acts referred to it during the year 1986. After careful consideration and study, the Board submitted the following recommendations which are hereby approved by the Fire Commissioner.

1. Case of Fire Fighter (Aide to District Fire Chief) Francis L. Shaughnessey, Engine Company 17.

On June 3, 1986, at 1058 hours, Box 1845 was struck for an alarm of fire at 68 Saxton Street, District 7.

District Fire Chief Frank Lang and his Aide, Fire Fighter Francis L. Shaughnessey, Engine Company 17, were first to arrive and witnessed heavy fire emanating from the second-floor windows, overlapping and entering the third floor.

Becoming aware that a woman occupant of the second floor was at the side window and in need of immediate assistance, Fire Fighter Shaughnessey ran to the first arriving company (Engine Company 17) which was hooking up to the hydrant, unaware of the woman's predicament, took a ladder from the apparatus and carried it to the burning structure, raised it, and removed the victim to safety, who was then taken to the Boston City Hospital for treatment of burns.

Because Fire Fighter Francis L. Shaughnessey's quick thinking and response undoubtedly saved the victim from further injury, perhaps saving her life, the Fire Commissioner highly commended Fire Fighter (Aide to District Chief) Francis L. Shaughnessey in General Order No. 20 of 1986.

The Board recommended that the name of Fire Fighter (Aide to District Fire Chief) Francis L. Shaughnessey, Engine Company 17, be placed on the Roll of Merit.

2. Cases of Fire Captain James R. Evans, Engine Company 4; Fire Fighter on Probation Frank C. Rogier, Ladder Company 24; Fire Fighter (Aide to District Chief) Edward J. Finch, Ladder Company 24.

On August 20, 1986, at 2218 hours, members of Ladder Company 24 observed from quarters a young male running erratically down the center of Cambridge Street in heavy traffic and being pursued by two other males. The pursuers alerted the members of Ladder Company 24 that the person fleeing had assaulted two women. Fire Fighter on Probation Frank Rogier, Ladder Company 24, gave immediate chase on foot and was joined by Fire Captain James Evans, Engine Company 4, and Aide to District 3, Fire Fighter Edward Finch, who were in contact with Fire Alarm via portable radio. The above members succeeded in subduing the man after a difficult chase through heavy traffic. The person was in an extremely crazed state and it took great effort and great personal risk to restrain him until the arrival of police. The Fire Alarm Office dispatched Engine Company 4 and Ladder Company 24 to assist.

The Fire Commissioner highly commended Fire Captain James R. Evans, Engine Company 4, Fire Fighter on Probation Frank C. Rogier, Ladder Company 24, and Fire Fighter (Aide to District Fire Chief) Edward J. Finch, Ladder Company 24, in General Order No. 32 of 1986, for their quick action and apprehension of the suspect which resulted in court conviction for assault and battery.

The Board recommended that Fire Captain James R. Evans, Engine Company 4, Fire Fighter on Probation Frank C. Rogier, Ladder Company 24, and Fire Fighter (Aide to District Chief) Edward J. Finch, Ladder Company 24, be awarded the Distinguished Service Award.

3. Case of Fire Fighter on Probation William M. Gillis, Engine Company 10.

On September 19, 1986, at approximately 1440 hours, while members of Engine Company 10 were performing hydrant inspections on Winter Street, they observed a person being pursued by others and were alerted by a woman that her handbag had been stolen by the fleeing person.

Fire Fighter on Probation William M. Gillis, Engine Company 10, gave immediate chase on foot and with great effort and personal risk, succeeded in subduing the man on West Street. The police were summoned via portable radio and, upon arrival, placed the person under arrest.

The Fire Commissioner commended Fire Fighter on Probation William M. Gillis, Engine Company 10, in General Order No. 39 of 1986, for his quick action and dedication to public service.

The Board recommended that Fire Fighter on Probation William M. Gillis, Engine Company 10, be awarded the Distinguished Service Award.

4. Case of Fire Fighter William J. Boyle, Jr., Engine Company 50.

On October 9, 1986, at 0018 hours, Engine Company 50 responded to a Still Box 4146. Upon arrival, members were made aware of a male person attempting to commit suicide in a nearby apartment. His brother stated that he had already slashed both his arms and thighs with a knife. He had stabbed his brother in a previous incident and was extremely violent.

The members of Engine Company 50 immediately entered the apartment, found the victim on his feet bleeding from both arms and thighs and wielding a six-inch knife. On approach, the victim made threatening gestures, forcing the members of Engine Company 50 to leave the building.

Fire Fighter William J. Boyle, Jr., Engine Company 50, entered the apartment. He made his way as close as possible to the victim and commenced talking to him in a confiding manner while being threatened with the knife repeatedly, as the man continued to stab himself. Fire Fighter Boyle remained in the apartment for approximately forty

minutes, talking to and gaining the confidence of this deranged individual. The victim finally surrendered the weapon, due to the persuasiveness and determined efforts of Fire Fighter Boyle.

Fire Fighter William J. Boyle showed complete disregard for his own personal safety, while exposed to extreme personal risk in performing this life-saving act.

The Fire Commissioner highly commended Fire Fighter William J. Boyle, Jr., Engine Company 50, in General Order No. 42 of 1986.

The Board recommended that Fire Fighter William J. Boyle, Jr., Engine Company 50, be awarded the Walter Scott Medal for Valor.

5. Case of Fire Fighter Robert M. Linnell, Engine Company 7.

On November 12, 1986, at 0345 hours, Engine Company 7 responded to a Still Alarm, AFA Signal, for an alarm of fire at 78 Charles Street South, the Milner Hotel.

Upon arrival, heavy fire and smoke were reported from the fourth-floor rear. Engine Company 7 advanced a 2 1/2-inch line via the interior front stairwell to the fourth floor where the members encountered heavy fire.

Before the line was charged, Fire Fighter Robert M. Linnell of Engine Company 7 heard screams from an upper floor. He proceeded to the fifth floor which was heavily charged with smoke. Fire was also extending up from the fourth floor via an outer court and a light shaft.

Fire Fighter Linnell made his way down the fifth floor hallway directly above the heavy fire and entered a room where he believed the cry originated. After crawling to a window, he observed a woman holding a year-old child in one arm and an infant on the other at the edge of a roof. This woman had jumped from the roof of the fire building to an adjacent roof at 74 Warrenton Street. The woman had walked the ridge pole and apparently slipped or panicked and slid down the roof which had a fifty-degree pitch.

Fire Fighter Linnell immediately removed his air mask and leaped out of the window which was in line with the edge of the pitched roof. He landed on his stomach and crawled across the roof some 20 feet until he reached the distraught woman and children. The woman had stopped her fall when her feet hit the gutter. Fire Fighter Linnell managed to hold each of the children and calm the woman who, in the opinion of fire, police officers and bystanders, was intent in jumping until the arrival of Ladder Company 15, who removed them to safety.

Because Fire Fighter Robert M. Linnell of Engine Company 7, by his quick action and at extreme personal risk to his own life, saved the lives of the woman and two children, the Fire Commissioner highly commended him in General Order No. 46 of 1986.

The Board recommended that Fire Fighter Robert M. Linnell, Engine Company 7, be awarded the John E. Fitzgerald Medal for the Most Meritorious Act.

6. Case of Fire Fighter Reynolds A. Shepherd, Ladder Company 17.

On November 12, 1986, at 0345 hours, Ladder Company 17 responded to a Still Alarm, AFA Signal, for an alarm of fire at 78 Charles Street South, the Milner Hotel.

Upon arrival, Ladder Company 17 noted heavy smoke showing from the upper floors. Box 1512 was transmitted. Three alarms were eventually struck to control the fire and life hazard.

While ladders were being raised, Fire Fighter Reynolds A. Shepherd, Ladder Company 17, was ordered to the fourth floor where heavy fire and smoke were encountered from rooms to the left of a

long corridor. Fire Fighter Shepherd heard screaming from the end of this corridor. He made his way down this hallway, past the fire in rooms to his left. Near the end of this passageway, he found a woman and two infants. They were in a desperate state. He carried the two children and led the woman back down the corridor, past the fire to safety, via the stairway to the street.

Because Fire Fighter Reynolds A. Shepherd, Ladder Company 17, performed these rescues at great personal risk and under extremely difficult conditions, before effective ventilation had been performed and while lines of hose were being run, the Fire Commissioner highly commended him in General Order No. 46 of 1986.

The Board recommended that the name of Fire Fighter Reynolds A. Shepherd, Ladder Company 17, be placed on the Roll of Merit.

7. Cases of Lieutenant Richard L. Hartnett, Tower Unit; Fire Fighter on Probation Gregory J. Mackin, Tower Unit.

On December 9, 1986, at 1740 hours, the Tower Unit responded to a still alarm for One Post Office Square, Box 13-1283 (six alarms). Upon arrival, it was reported that several explosions were heard in the basement and that persons working in the electrical room may be trapped.

Members of the Tower Unit, Engine 10 and Rescue 1, descended the stairway through heavy, black smoke, while explosions were continuing, to the sub-basement.

Fire Lieutenant Richard L. Hartnett and Fire Fighter on Probation Gregory J. Mackin of the Tower Unit heard a victim calling for help in the electrical switching gear room. They entered the room and made an intensive search down passageways lined with burning and exploding electrical equipment and with no visibility to assist them.

They located a semiconscious, seriously burned worker. While Lieutenant Hartnett removed his face mask and placed it on the victim, Fire Fighter on Probation Mackin worked his way back to the room entrance and directed Lieutenant Hartnett with the victim back to safety.

Both of these members performed their duties under very hazardous conditions and at great personal risk. The Fire Commissioner highly commended Fire Lieutenant Richard L. Hartnett and Fire Fighter on Probation Gregory J. Mackin, Tower Unit, in General Order No. 1 of 1987.

The Board recommended that Fire Lieutenant Richard L. Hartnett, Tower Unit, be awarded the Patrick J. Kennedy Medal of Honor.

The Board recommended that the name of Fire Fighter on Probation Gregory J. Mackin, Tower Unit, be placed on the Roll of Merit.

AWARD OF RECOGNITION

On February 6, 1987, the Board of Merit of the Boston Fire Department created the City of Boston Fire Department Award of Recognition.

This award is to be presented at the Annual Ball of the Boston Fire Department only when it has been voted by the Board of Merit in any given year.

The Recognition Award is intended for a member of the uniformed force who has performed a service or services that have resulted in improving the performance of the department at fires and/or contributing to the safety of members of the fire fighting force.

The first recipient of the City of Boston Fire Department Award of Recognition is Fire Lieutenant Paul H. Dewan, Jr., of Ladder Company 17.

Commencing with his assignment as the Department Safety Officer in February 1984, Fire Lieutenant Paul H. Dewan, Jr., has made a major contribution to the improvement of fire fighting operations and the safety of members of the fire fighting force.

He has conducted continuous field tests of breathing apparatus, protective clothing, personal safety lights and warning devices, and has thereby improved the performance of each of these items. He has developed revised apparatus specifications that have resulted in the replacement of 75 percent of the first-line apparatus in the department.

His continuing efforts have thereby provided the citizens of Boston with more effective fire protection and have reflected great credit on the City of Boston and its Fire Department.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

PUBLIC FACILITIES DEPARTMENT

Elderly Services Program

Dear Mayor Flynn:

On September 11, 1985, your Honor approved the award of a contract, without public advertising or bids, to the Laboure Center, a nonprofit organization, located at 371 West Fourth Street, South Boston, for the purpose of providing an elderly services program. Compensation was in the amount of \$35,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. After further discussions with the contractor during individual negotiations, it has been determined that a new, higher funding level more accurately reflects the costs of the program recommend for funding by the NDEA. Specifically, the percentage of time for all personnel assigned to this grant should be increased to reflect the actual allocation of costs. I, therefore, request permission to increase compensation in the amount of \$7,500. Total compensation under the terms of this contract, as amended, shall not exceed \$42,500. All other terms and conditions of the original contract shall remain the same. This letter supersedes a previous letter from the former Neighborhood Development and Employment Agency, dated November 7, 1985, which was returned by the Law Department with a request for additional information.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

On September 11, 1985, your Honor approved the award of a contract to the Boston Evening Medical Center, a nonprofit organization, located at 314 Commonwealth Avenue, for the purpose of providing an elderly services program. Compensation was in an amount not to exceed \$8,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until December 31, 1985.

Your approval is requested to amend this contract in terms of compensation and the period of

performance. This program was conditionally funded by the former Neighborhood Development and Employment Agency for a six-month time period under the CDBG program Year XI. It was determined that if the contractor was providing services in a satisfactory and compliant manner, it would receive additional funding and a time extension so that services could be maintained until the conclusion of this fiscal year. I, therefore, request permission to increase compensation in the amount of \$8,000, and to extend the termination date until June 30, 1986. Total compensation under the terms of this contract, as amended, shall not exceed \$16,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Refuse Disposal

Dear Mr. Mayor:

On September 20, 1985, your Honor approved the award of a contract, without public advertising for bids, to GSX Corporation of New England, 530 East First Street, South Boston, to dispose of refuse from various highway districts throughout the City of Boston during the period September 13, 1985, to November 7, 1985, at a cost not to exceed \$110,000.

On December 30, 1985, your Honor approved an amendment to this contract, which is effective on November 8, 1985, which extended the period of this contract from November 7, 1985, to December 31, 1985.

Since the decision has not been made relative to the ongoing litigation regarding Gardner Street Landfill, I must, at this time, request permission to further amend this contract. The cost of the additional amendment, which is effective January 1, 1986, shall not exceed \$110,000, which I have determined to be reasonable. The contract, as further amended, shall not exceed \$220,000. The period of this contract shall be extended from December 31, 1985, to March 31, 1986.

Very truly yours,
Joseph F. Casazza,
Commissioner.

SCHOOL DEPARTMENT

Various Education Materials

Dear Mr. Mayor:

On December 29, 1983, the Mayor approved the award of a contract, without public advertising, to various companies for providing books and certain educational materials during the period July 1, 1983, to June 30, 1986.

On August 14, 1984, your Honor approved a monetary amendment to increase the total amount for all companies from \$2,250,000 to \$3,000,000.

On September 19, 1985, your Honor approved a monetary amendment to increase Ginn & Company from \$150,000 to \$250,000. Your approval is requested to amend the Ginn and Company contract to provide additional book orders.

The cost of this amendment shall not exceed \$100,000, which I have determined to be reasonable. The total cost of this contract, as amended, shall not exceed \$350,000. This amendment does not affect the total amount of the monies budgeted for books.

Because of the necessity of the additional orders and the cost remains reasonable, I believe that public advertising would serve no useful purpose.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

On December 29, 1983, the Mayor approved the award of contracts to various companies for providing books and certain educational materials during the period July 1, 1983, to June 30, 1986.

Your approval is requested to amend this contract to add additional vendor to the original listing approved by the Mayor.

Altanasio & Associates, Inc.; Harvard University Press; and Jostens Learning Systems.

The period of the contract for the additional vendors shall be February 1, 1986, to June 30, 1986.

Because of the ongoing need to provide Boston Public Schools with books and certain other educational materials, and because textbooks and certain other educational materials are unique to a particular publisher, it is my opinion that advertising for bids would serve no public purpose.

Very truly yours,
Leo J. Burke,
Business Manager.

Chapter 766 Services

Dear Mayor Flynn:

On June 12, 1985, your Honor approved the award of a contract, without public advertising for bids, to the Brandon School, Inc., located at Natick.

This contract is established for the provision of special education services to Boston Public Schools students in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$130,000, for the period July 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract to provide for several additional student placements not anticipated at the outset of this fiscal year. This chapter 766 approved private school will continue to provide services at the rate(s) promulgated by the Massachusetts Rate Setting Commission in accordance with each child's individual educational plan devised by School Department staff. The cost of this amendment, which is in effect upon your approval, shall not exceed \$20,000, which I have determined to be reasonable. The cost of this contract, as amended, shall not exceed \$150,000.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is my belief that the public interest would not be served by the public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Leasing Certain Premises

Dear Mr. Mayor:

On April 17, 1984, your Honor approved the award of a contract, without public advertising, to enter into a lease of certain premises with Banquer Realty Company, Inc., Milton, for the operation of a school bus terminal during the period of August 17, 1983, to August 16, 1988, at a cost not to exceed \$189,628 annually.

Your approval is requested to amend this contract and to change the identity of the lessor of the premises to Southeast Realty Trust, c/o Elinor Ganz, Westwood.

This amendment is also necessary in order to extend the termination date of the lease from August 16, 1988, to August 31, 1990, and to increase the rental amount to \$259,079, payable in monthly installments of \$21,589.33. Also provided for in this amendment is an increase of the premises to include all of Lot 14, and the erection of an addition to the present building.

Because this is an extension of an already existing lease and the strategic location of the premises, it is my determination that no public interest would be served by public advertisement.

Very truly yours,

Laval S. Wilson,
Superintendent.

TREASURY DEPARTMENT

Tax Collection Services

Dear Mr. Mayor:

On or about December 10, 1985, your Honor approved award of a contract, without public advertising, to Cheryl-Ann Berry, an individual located at 181 Cowper Street, for assistance in the collection of delinquent real estate, personal property, and motor vehicle excise taxes during the period November 18, 1985, through June 30, 1986, at a cost not to exceed \$7,400.

Your approval is requested to amend this contract to provide for an increase in hourly compensation which was not provided for in the terms of the original contract due to the need for a greater amount of work by Ms. Berry than originally anticipated. Ms. Berry will continue to work full time at the new rate of \$5.50 per hour, effective February 3, 1986. The total amount of this contract as amended will not change.

The period of performance shall remain November 18, 1985, through June 30, 1986.

Respectfully yours,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mr. Mayor:

On September 11, 1985, your Honor approved award of a contract, without public advertising, to Donna Albano, an individual located at 186 Chelsea Street, East Boston, for assistance in the collection of delinquent real estate, personal property, and motor vehicle excise taxes during the period September 9, 1985, through June 30, 1986, at a cost not to exceed \$9,000.

Your approval is requested to amend this contract to provide for an increase in hourly compensation which was not provided for in the terms of the original contract due to the need for a greater amount of work by Ms. Albano than originally anticipated. Ms. Albano will continue to work full time at the new rate of \$5.50 per hour, effective February 3, 1986. The total amount of this contract as amended will not change.

The period of performance shall remain November 18, 1985, through June 30, 1986.

Respectfully yours,

George A. Russell, Jr.,
Collector-Treasurer.

ADVERTISEMENT COUNTY OF SUFFOLK

REGISTER OF DEEDS

Proposals for Microfilming, Printing, and Looseleaf Binding of Records.

The County of Suffolk, acting by its Register of Deeds, Government Center, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for microfilming, printing, and looseleaf binding of records, for the Recorded Land section of the Registry of Deeds, for the period from July 1, 1987, through June 30, 1988, in accordance with the specifications accompanying the proposal forms which may be obtained at the Registry of Deeds Office, fifth floor, Old Courthouse, Government Center, Boston, at or after 9 a.m., Tuesday, June 2, 1987.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be filed with the City Audi-

tor prior to the time named for opening bids. The proposal must be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of work to be done.

Bids will be publicly opened and read on Tuesday, June 16, 1987, at twelve noon, at the Registry of Deeds.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for three (3) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no bid proposals filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

PAUL R. TIERNEY,
Register of Deeds.

PUBLIC WORKS DEPARTMENT

**Proposal for Sullivan Square Interchange
Interim Repairs.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 1, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, June 18, 1987, at Room 14, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 hundred percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor

complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on Tuesday, June 9, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to William F. Devine Golf Course at Franklin Park, Boston, Mass.

The City of Boston, acting by the Parks Commissioner, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the law and in accordance with the terms and provisions of the contract document entitled: "Improvements to William F. Devine Golf Course at Franklin Park, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to reconstruct the greens and tees and to install an automated irrigation system. Estimated cost, \$600,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, June 18, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 1, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 9, 1987, at 10 a.m., Boston time.

**Invitation for Bids for Parking Sign
Manufacture and Installation.**

The City of Boston, acting by its Transportation Department, through its Commissioner of Transportation (the Awarding Authority), invites sealed general bids for the above-entitled project, subject to all provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, June 3, 1987, at the office of the Awarding Authority, Room 721, City Hall, Boston, MA 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a bid bond, or a certified check or a treasurer's or cashier's check on a responsible bank or trust company, payable to the City of Boston, in the amount of 10 percent of the contract proposal price. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after May 25, 1987, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance and liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award of this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

No proposal may be withdrawn after the time limit for filing proposals for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. Proposals filed by the three lowest responsible and eligible bidders may not be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

NO BID FOR THE AWARD OF THIS PROJECT WILL BE CONSIDERED ACCEPTABLE UNLESS THE CONTRACTOR COMPLIES WITH THE FOLLOWING REQUIREMENTS FOR MINORITY BUSINESS ENTERPRISE UTILIZATION.

PURSUANT TO THE SUPPLEMENTAL MINORITY PARTICIPATION AND RESIDENT PREFERENCE SECTION OF THIS CONTRACT, THE GENERAL CONTRACTOR MUST GIVE SATISFACTORY ASSURANCE THAT AT LEAST 10 PERCENT OF HIS BID PRICE SHALL BE EXPENDED FOR MINORITY BUSINESS ENTERPRISE. FOR THE PURPOSES OF THIS PARAGRAPH, THE TERM MINORITY BUSINESS ENTERPRISE MEANS A BUSINESS ORGANIZATION IN WHICH 51 PERCENT OF THE BENEFICIAL OWNERSHIP AND CONTROL IS HELD BY ONE OR MORE MINORITY PERSONS (BLACK, HISPANIC, ASIAN-AMERICAN, OR AMERICAN INDIAN).

INCLUDED WITH THE CONTRACT DOCUMENTS ARE COPIES OF THE "MINORITY BUSINESS UTILIZATION FORM," "MINORITY BUSINESS IDENTIFICATION STATEMENT," "MINORITY BUSINESS UTILIZATION PROGRESS REPORT," AND THE "MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT."

EACH GENERAL CONTRACTOR MUST COMPLETE, SIGN AND FILE WITH HIS BID THE MINORITY BUSINESS UTILIZATION FORM. FAILURE TO DO SO WILL RESULT IN THE REJECTION OF THE PROPOSAL. THE LOWEST RESPONSIBLE AND ELIGIBLE BIDDER IS REQUIRED TO SUBMIT A MINORITY BUSINESS AND GENERAL CONTRACTOR'S LETTER OF INTENT. THE LETTER OF INTENT SHALL BE COMPLETED AND SIGNED BY THE MINORITY BUSINESS ENTERPRISE AND THE GENERAL CONTRACTOR NO LATER THAN TEN (10) WORKING DAYS AFTER THE GENERAL BID OPENING. THE LOWEST BIDDER MUST ALSO SUBMIT A MINORITY BUSINESS IDENTIFICATION STATEMENT FOR EACH MINORITY BUSINESS NOT INCLUDED IN THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY.

ALL CONTRACTORS SHALL ALSO AVAIL THEMSELVES OF THE CITY OF BOSTON MINORITY BUSINESS DIRECTORY PUBLISHED BY THE CITY THROUGH THE OFFICE OF MINORITY BUSINESS TO FACILITATE COMPLIANCE WITH THESE REQUIREMENTS.

THE MINORITY BUSINESS OFFICE IS LOCATED AT 15 BEACON STREET, FIFTH FLOOR, BOSTON, MA 02108. TELEPHONE NUMBER 720-4300.

Besides seeking information pertaining to affirmative action in connection with City of Boston contracts should attend scheduled meetings at 15 Beacon Street. These meetings will be held on the first and third Wednesdays of each month.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

NOTICE TO CONTRACTORS

Invitation for Bids for Installation of a Sign System (EDIC Project No. 1143), at the Marine Industrial Park, Boston, MA 02210.

The Economic Development & Industrial Corporation of Boston, (EDIC/Boston) acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, shall be filled out in its entirety and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 of the Massachusetts General Laws, as amended, and shall be in accordance with the terms and provisions of the contract documents entitled "Marine Industrial Park, Sign System."

SCOPE OF WORK includes: Fabrication of all signs in the quantities specified; installation of all foundations, and sign poles; removal of all existing signs which obstruct new construction and all other works as necessary for the installation of all signs as designated in the contract documents.

CONTRACT DOCUMENTS, plans and specifications will be available at the offices of the Public Facilities Department on or about May 22, 1987, to all interested parties who present a \$25 certified check, payable to the Economic Development & Industrial Corporation of Boston (EDIC). The contract documents, plans and specifications must be returned in good condition within thirty (30) calendar days of the bid opening in order for the bidder to have the \$25 check returned. After thirty (30) calendar days of the bid opening all deposits for contract documents, not refunded, shall become the property of EDIC/Boston.

A BIDDER'S CONFERENCE will be held at the Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m. on June 5, 1987. All prospective bidders are invited to attend.

TIME AND PLACE FOR FILING BIDS: All general bids must be filed with the Public Facilities Department at the above address before twelve o'clock noon, Boston time, on June 15, 1987, at which time and place respective bids will be opened forthwith and read aloud.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders, the form for general bid and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, the prohibition of an abnormally high or low price for any item of work, and the requirements for the performance of the contract as set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity and Affirmative Action requirements of the general conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female; 25 percent Minority; and 50 percent Boston Resident. Additionally, the contractor is notified of the requirement to expend not less than 10 percent of his/her total bid price with minority business enterprises listed with the City of Boston and to pay all workers not less than the prevailing minimum wages set forth in the contract documents.

Bids may be held for a period not to exceed thirty (30) days from the date of opening bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development & Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, JUNE 8, 1987

NO. 23

"PICKIN' UP THE NEIGHBORHOOD" CLEANUP CAMPAIGN

Mayor Raymond L. Flynn announced today the launching of a city-wide neighborhood cleanup campaign called "Pickin' Up the Neighborhood."

At a luncheon at the Prudential Center attended by over 200 Boston neighborhood and business leaders, Mayor Flynn announced that the city's four-year program of supporting volunteer weekend cleanups, already an institution in many of Boston's neighborhoods, was being joined by a two-year old campaign developed by the Prudential Realty Group in four downtown neighborhoods.

Mayor Flynn said, "We've adopted the name — 'Pickin' Up the Neighborhood' — to give our program an identity. We will be using it city-wide for all our neighborhood spring cleanups to encourage even more residents to participate and more businesses and institutions to support their efforts. It is a perfect example of the kind of public/private partnership we need — a cooperative effort of neighborhood groups, residents, businesses and other institutions — working with the city to provide a cleaner city which is a better city for all the people of Boston."

The weekend cleanups combine volunteer labor by residents, the use of tools and pick up of debris by the City of Boston Public Works Department, and corporate sponsorship to help underwrite the costs of the cleanups and to reward volunteers with hats, gloves, T-shirts and refreshments.

Mayor Flynn pointed to a cleanup in Roxbury last month as an example of the kind of partnership the "Pickin' Up The Neighborhood" program hopes to encourage. On April 11th, he said, members of the United Neighbors of Lower Roxbury Neighborhood Association were joined by over 350 students from local colleges in a successful cleanup of the area around Melnea Cass Boulevard. The Boston Public Works Department provided the tools, equipment, and pick up of debris. Prudential Realty provided gloves, bags, and T-shirts, and Northeastern University provided post-cleanup refreshments.

Don Gillis, director of the Mayor's Office of Neighborhood Services, the city department which has coordinated Mayor Flynn's Clean City initiatives for the past four years, said, "The city is building on an existing program that is already extremely successful. Four years ago, we coordinated 26 cleanups with 600 volunteers. Those numbers have grown every year. This year our goal is 120 cleanups with over 3,000 participants."

According to Gillis, the cost of the cleanups to the city would be approximately \$200,000, in addition to contributions already received from the Prudential, and anticipated from other sponsors. But the most significant contribution, added Gillis, has been from the "many neighborhood residents and friends who lend their hands and prove that they take pride in Boston."

Robert Walsh, vice-president of Prudential Realty, accepted the thanks of Mayor Flynn and the City of Boston. "We have enjoyed our efforts working with the South End, Back Bay, Bay Village, and Fenway communities over the last two years. And we're looking forward to being a part of this campaign to pick up all the neighborhoods of Boston."

A step-by-step manual to help residents and neighborhood groups to plan and implement successful cleanups has been produced as part of the "Pickin' Up the Neighborhood" campaign. In addition to the guidebook, cleanup posters, flyers and other materials are available from the Mayor's Office of Neighborhood Services by calling 725-3485.

In other remarks, Mayor Flynn noted additional city efforts and programs contributing to a cleaner Boston. These include:

POLICE BUREAU OF NEIGHBORHOOD SERVICES ANNOUNCES OPERATION C.O.N.T.A.C.T.

The Boston Police, through the Bureau of Neighborhood Services, has established Operation C.O.N.T.A.C.T. (Concerned Officers and Neighbors Together Against Criminal Tactics). The program is aimed at making every reasonable effort to enhance the quality of life in the city's neighborhoods through a cooperative venture between the police and the community.

The pilot partnership agreement for Operation C.O.N.T.A.C.T. was signed and implemented in September 1986 in the Uphams Corner section of Dorchester. It was developed in response to the continuing complaints from the business and residential communities regarding the rise in B & Es, lack of police visibility, abandoned cars, and recurring problems with false alarms.

The department and community representatives mutually agreed to specific actions. These included increased police visibility in this area through a steady walking man/sector car, and regularly scheduled meetings between Area Community Service Officers and the Board of Trade. In turn the Board of Trade agreed to organize and maintain active crime watch groups, utilize programs offered by the Police Department for crime prevention and provide pertinent information on crime in the area.

If the business community in your area or local resident groups would be interested in more information regarding Operation C.O.N.T.A.C.T., call the Boston Police Bureau of Neighborhood Services at 247-4345.

Cleanup Program . . .

(Continued from front page)

- A posted street sweeping program that has been expanded from six areas in 1985 to 23 this year — including regular street sweeping service to six major arteries.
- The addition of \$1 million to the Real Property Department budget for improved maintenance of city-owned vacant lots.
- The addition of \$2 million in funding for the Parks and Recreation Department of which nearly \$1 million will go toward park maintenance.
- The continuation of the Summer Youth Cleanup Corps which provides jobs for youngsters to clean up the neighborhoods.

Mayor Flynn concluded, "We look forward to working with the Prudential and with other businesses and institutions to help us keep our neighborhoods clean. Their support is critical to our successful Saturday morning efforts where, with sleeves rolled up, we are working together, 'Pickin' Up the Neighborhood.'"

CLEAN CITY PROGRAM 1984-1987

Neighborhood Cleanups

The Neighborhood Cleanup program began three years ago with 26 large "Spring Cleanups" throughout the city. Since then, the schedule has been extended throughout the year, and broadened to include more and smaller neighborhood groups and to enlist the support of businesses, universities and other institutions.

Year	1984	1985	1986	1987 (estimated)
Number of Cleanups	26	45	78	120
Participants	600	1000	2000	3000
Tons of Debris	150	240	425	650

Posted Street Sweeping Areas

The Posted Street Sweeping Program began in 1985, with the goal of providing efficient, regularly scheduled street sweeping service in target neighborhoods. The program relies on enforcement of parking restrictions during street cleaning hours and this year will include regular night sweeping of major entrance arteries.

Year	1985	1986	1987
Posted Areas	6	17	23 plus 6 major arteries
Total Cost	\$5.2	\$6.8	\$8.3 million

Vacant Lot Cleaning

There are approximately 16,000 vacant lots in the City of Boston, over 80 percent of them privately owned. Even as the city attempts to develop publicly owned vacant land for housing and open space, maintenance efforts have been increased to make sure that this property is properly maintained.

Year	1985	1986	1987 (estimated)
Number Cleaned	1000	1300	2400
Total Cost	\$.9	\$1.1	\$1.8 million

Parks Spending

The City of Boston Parks System is made up of over 2,000 acres of parks and playgrounds. In the last several years, the city has begun to reverse the spending cuts in park maintenance imposed immediately after the passage of Proposition 2 1/2.

Year	1985	1986	1987
Total Budget	\$5.7	\$9.3	\$11.5
Maintenance Budget	\$4.1	\$6.5	\$ 7.4

CITY COUNCIL Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Mr. Douglas A. Randall of Quincy, for the purpose of providing legal services to the Boston City Council.

On September 18, 1985, the City Council by order voted to hire Attorney Douglas A. Randall to represent the Boston City Council on a complaint against the Mayor of the City of Boston and others regarding the Inspectional Services Department and the Commission on Women.

Compensation under this contract shall not exceed \$23,000. Payment to be made at a rate of \$125 per hour for the services of Mr. Douglas Randall, \$85 per hour for the services of Mr. Roger Randall and \$65 per hour for the services of associates. It is my opinion that the contract cost is both just and reasonable.

The term of this contract shall be from September 18, 1985, through June 30, 1986.

Please excuse the lateness of this request as the extensive litigation and expenditures were not anticipated.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Bruce C. Bolling,
President.

FIRE DEPARTMENT
Emergency Repairs to Engine

Dear Sir:

I respectfully request your Honor's permission to award to Bob Mac Enterprises, Rockland, the task of performing certain emergency repairs to overhaul spare engine model 6-71N. On January 1, 1986, these emergency repairs were necessary in the interest of public safety, given that this piece is necessary to the fire fighting operations of the department.

Bob Mac Enterprises, performed the following work on spare engine model 6-71N: Rebuild engine; replaced O/H injectors, water pump, fuel pump, lower assembly, governor assembly and oil pump; complete valve job and retube head; overhaul block.

The cost of the work described above is \$4,315.03, which will be paid pursuant to the city's existing contract with this firm, Contract 2063-86, for repetitive services for the fiscal year 1986. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after the work has been completed because the parts needed for the engine were not immediately available, therefore causing a delay. Certain parts of the engine had to be sent out for repairs, requiring additional time. The bill for the work done was not received for almost a month after completion of the work and a firm estimate was not established immediately.

In my opinion the contractor is qualified to do the work herein described, inasmuch as Bob Mac Enterprises is thoroughly familiar with all types of work on said equipment. This price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo D. Stapleton,
Fire Commissioner.

HEALTH AND HOSPITALS DEPARTMENT
Waste Removal Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Merrimack Valley Medical Services Co., Inc., Lawrence, for the period January 10, 1986, through January 9, 1987, at a cost not to exceed \$260,000.

Under this contract, Merrimack Valley Medical Services Co., Inc., will provide Boston City Hospital and Mattapan Hospital with the pickup, hauling and destruction of all infectious/hazardous waste (needles, syringes, isolation waste). The vendor will provide all boxes, etc. needed for transportation of the waste. The cost will be \$44 per box.

The department contacted several waste removal services, all of whom refused to dispose of the hospitals' infectious waste products. Merrimack Valley Medical Services Co., Inc. was the only vendor who would commit to carrying out this service. Merrimack Valley Medical Services Co., Inc. also meets all state and city regulations governing the handling of infectious/hazardous waste.

Merrimack Valley Medical Services Co., Inc. currently has a contract to provide for the removal of infectious waste from Long Island Hospital for the period July 1, 1985, through June 30, 1986. This contract was awarded as a result of public bid.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this contract.

This letter of award is being submitted late due to the immediate change in the state's regulations governing the handling of infectious waste, which became effective January 7, 1986.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirement of City of Boston Code, St. 4, ss. 4 and 8.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Computer Hardware Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Wang Laboratories, Inc., Lowell, for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$12,500.

Under this contract, Wang Laboratories will provide maintenance of computer hardware located at Boston City and Mattapan Hospitals. Service, preventive and remedial, includes adjustments, lubrication and replacement of parts. Service will be provided 8 a.m. to 5 p.m., Monday through Friday, for the following equipment:

Located at Boston City Hospital: 7 PC-005A at \$636/yr., \$4,452; 6 PC-PM001 at \$24/yr., \$144; 6 PC-PM002 at \$36/yr., \$216; 7 PM-004 at \$24/yr., \$168; 6 PM-012 at \$300/yr., \$1,800; 7 PC-PM021 at \$288/yr., \$2,016; 6 PC-PM030 at \$60/yr., \$360; 1 PM-016 at \$84/yr., \$84 — total \$9,240.

Located at Mattapan Hospital: Model #5536-4, \$348; Model #5846-4, \$444; Model #TSF-61, \$252; Model #5577, \$660; Model #6505-1, \$1,140 — Total \$2,844.

Wang Laboratories, Inc. is the manufacturer and has personnel specially trained to maintain and repair the equipment. Wang Laboratories, Inc. was awarded an unadvertised contract in 1985 in the amount of \$6,234.

In view of the above, and as the price, in my opinion, is reasonable, no useful purpose would inure to the city by publicly advertising for bids.

The department has had difficulties in obtaining the correct unit costs for this equipment and thus the request for contract was set aside in the Contract Office until the correct costs could be obtained. Thus, this letter of award is being submitted late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

PUBLIC FACILITIES DEPARTMENT
Steam Absorber Design

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on January 16, 1986, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to R. G. Vanderweil Engineers, Inc., a Massachusetts corporation, with offices at 38 Chauncy Street, providing professional services for the design of the replacement of steam absorber 2, at Boston City Hall. Services to be provided include the design replacement of inoperable steam absorber 2 with a new electric chiller. The proposed replacement of the 2 unit, in tandem with an electric unit installed two years ago, will allow for more efficient cooling and the ability to meet cooling load requirements at Boston City Hall.

Compensation under this contract shall not exceed \$40,840 (including \$5,000 for supplementary

services) which is a fixed fee of 8.96 percent based on an estimated cost of construction of \$400,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for twelve weeks from the date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 30B et seq. I believe this contractor is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Architectural Design Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Sterling Associates, Incorporated, architects, located at 286 Congress Street, for the purpose of providing architectural design services to the Public Facilities Department.

Under the terms of this contract, the contractor will provide architectural design services which will include survey reporting, design, construction supervision, and costs estimating in support of Neighborhood Commercial Development Bank projects. The contractor was chosen from twenty-three proposals submitted in response to advertisements, in both the *Central Register* and the *Boston Globe* on May 8, 1985. This contractor is experienced in commercial work, particularly involving storefronts and restoration projects, and its fees are reasonable.

Compensation, under the terms of the contract, shall not exceed \$17,000, payment being made from the Community Development Block Grant program. The period of performance shall be from January 1, 1986, until June 30, 1986. The submission of this letter has been delayed due to the fact that one of the original firms selected to participate in NCDB projects suddenly withdrew from its contractual relationship with the city due to illness.

As this is a negotiated contract for professional services at a reasonable cost, no public purpose would be served by further advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to the authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Survey Archivist

Dear Mr. Mayor:

Pursuant to vote of the Public Facilities Commission on January 30, 1986, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Elizabeth Bouvier, an individual of Cambridge, providing professional services as a survey archivist on the Municipal Archives Project. Services shall include a survey of municipal records stored in various locations throughout the City of Boston, including the gathering and collation of significant data on the records and the application of appraisal standards to the collections.

Compensation under this contract shall not exceed \$3,400 (payable at the rate of \$8 per hour), which I have determined to be a reasonable cost for the work to be performed. The term of this contract

shall be from February 15, 1986, to June 30, 1986.

Following the advertisement of this project and receipt of proposals, Miss Bouvier was selected on the basis of a rating system undertaken by the Public Facilities Department. She is particularly qualified to do this work as a result of her experience in surveying and appraising public records. From 1973 to the present, she has been employed as a researcher and archival consultant on a wide range of projects. I believe Miss Bouvier is qualified to perform the services required.

In view of the technical and professional nature of the services, the capabilities of the vendor and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Emergency Repairs

Dear Mr. Dooley,

During the past week, it has been discovered that the existing handrails, located at the Women's and Men's beach areas of the L Street Bathhouse, South Boston, had been damaged and in need of repairs. Therefore, under emergency procedure, it is essential that repairs be made to these handrails in order to protect the safety of the community that utilizes this facility, especially children and senior citizens.

Because of the exigency of the situation, in compliance with Directive 20, dated November 20, 1970, I recommend waiving the requirements for invitation bid procedure in this instance and request your permission to issue a work order to T. C. Murphy Contracting, 6 St. Mark's Road, Dorchester, for a total amount not to exceed \$1,999.

Lisa Chapnick,
Director.

Dear Mr. Dooley,

On Monday, April 28, 1986, a fire extensively damaged various areas of the Boston Fire Department Engine Company No. 52 building, located at 975 Blue Hill Avenue, Dorchester. Therefore, under emergency procedures, it is essential that repairs be performed to secure the exterior openings to protect the building from vandals and any further damages to the existing structure.

Because of the exigency of the situation, in compliance with Directive 20, dated November 20, 1970, I recommend waiving the requirements for invitation bid procedure in this instance and request your permission to issue a work order to R & L Construction Co., Inc., 1845 Dorchester Avenue, Dorchester, for a total amount not to exceed \$510.

Lisa Chapnick,
Director.

Senior Citizens Homes Repairs

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the East Boston Ecumenical Community Council, a nonprofit organization, located at 28 Paris Street, East Boston, for the purpose of providing a Senior Citizen Home Repair Program.

Under the terms of this contract, the contractor shall provide a wide range of services to senior citizen homeowners located within its service area. These services include: home maintenance, minor repairs, emergency repairs, and counseling and referral services for more extensive repairs. The contractor was chosen based upon an evaluation of proposals submitted in response to a request for

proposals conducted by the Public Facilities Department, Housing Division.

Compensation, under the terms of the contract, shall not exceed \$40,000, which I have determined to be reasonable for the services to be provided. Funds for this contract shall come from those received under the Community Development Block Grant Program. The period of performance of this contract shall be from January 1, 1986, through December 31, 1986. The request has been delayed due to continued negotiations with the contractor as to an acceptable scope of service and budget.

As this is a negotiated contract for professional services and in view of the reasonable costs of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to the authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Kit Clark House, a nonprofit organization, located at 1500 Dorchester Avenue, Dorchester, for the purpose of providing a Senior Citizen Home Repair Program.

Under the terms of this contract, the contractor shall provide a wide range of services to senior citizen homeowners located within its service area. These services include: home maintenance, minor repairs, emergency repairs, and counseling and referral services for more extensive repairs. The contractor was chosen based upon an evaluation of proposals submitted in response to a request for proposals conducted by the Public Facilities Department, Housing Division.

Compensation, under the terms of the contract, shall not exceed \$40,000, which I have determined to be reasonable for the services to be provided. Funds for this contract shall come from those received under the Community Development Block Grant Program. The period of performance of this contract shall be from January 1, 1986, through December 31, 1986. The request has been delayed due to continued negotiations with the contractor as to an acceptable scope of service and budget.

As this is a negotiated contract for professional services and in view of the reasonable costs of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to the authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the United South End Settlements, a nonprofit organization, located at 566 Columbus Avenue, for the purpose of providing a Senior Citizen Home Repair Program.

Under the terms of this contract, the contractor shall provide a wide range of services to senior citizen homeowners located within its service area. These services include: home maintenance, minor repairs, emergency repairs, and counseling and re-

ferral services for more extensive repairs. The contractor was chosen based upon an evaluation of proposals submitted in response to a request for proposals conducted by the Public Facilities Department, Housing Division.

Compensation, under the terms of the contract, shall not exceed \$40,000, which I have determined to be reasonable for the services to be provided. Funds for this contract shall come from those received under the Community Development Block Grant Program. The period of performance of this contract shall be from January 1, 1986, through December 31, 1986. As this is a negotiated contract for professional services and in view of the reasonable costs of the services to be provided, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to the authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT Pilot Reading Program

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Lesley College, a nonprofit educational institution, located at Cambridge.

This contract shall be in effect during the period from February 3, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$3,115 which I have deemed to be reasonable.

Under the terms of this contract, Lesley College will assist teachers from various schools in the development of strategies to plan for, train, and support a pilot reading program in several key areas of the Boston Public Schools reading curriculum. Teacher participation and support techniques will be emphasized in all stages of the program. Lesley College will assist in setting up an ongoing evaluation system to monitor this program.

The contractor is specially qualified to provide the above services because Lesley College is the only institution of higher education in the Boston area able to provide instruction in the field of qualitative evaluation which is vital to the success of this program.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,

Laval S. Wilson,
Superintendent.

Educational Seed Grant

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Educational Development Foundation, a corporation located at 26 Court Street.

This contract shall be in effect during the period from January 1, 1986, to June 30, 1986, and shall occur at a cost not to exceed \$30,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will distribute Implementation Seed Grants to sixteen Boston high schools to assist those schools in

their efforts to improve school climate, academic achievement, graduate placement, and/or parent and community support. Grants will be on a per capita basis using October 3, 1985 enrollment figures and will range in amount from \$894 to \$2,970. Of the \$30,000 in available funds, \$28,933 will be distributed to the schools, with the remaining \$1,067 to be used to meet management costs incurred by the foundation.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

JOBS AND COMMUNITY SERVICES

Planning Functions Management

Dear Mr. Mayor:

On June 19, 1985, your Honor approved the award of a contract to Paul J. Clancey, Watertown,

to provide consultant services to the Neighborhood Development and Employment Agency's human services programs. Compensation was in an amount not to exceed \$7,800, payment being made from the Community Development Block Grant program for the period of May 13, 1985, until August 31, 1985. The contractor was selected from an advertisement published in the *Boston Globe* on May 1, 1985. This contract was subsequently amended twice, approved by your Honor on October 8, 1985, and December 31, 1985, extending the termination date of this contract until December 15, 1985, and increasing compensation in the amount of \$9,000. Mr. Clancey currently resides at 171 South Street, Jamaica Plain.

Your approval is requested to further amend this contract in terms of compensation and the period of performance. I request permission to increase compensation in the amount of \$4,080 and to extend the termination date to January 31, 1986, in order that the contractor may manage the planning functions of the Mayor's Office of Jobs and Community Services during the current interim transition period. He will also continue to manage the implementation of the Refugee Education and Employment Program (REEP), and provide technical and programmatic assistance. Total compensation under the terms of this contract, as amended, shall not exceed \$20,880.

As this is a negotiated contract at a reasonable cost, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

PUBLIC FACILITIES DEPARTMENT

Services to the Homeless

Dear Mayor Flynn:

On September 11, 1985, your Honor approved the award of a contract to the Saint Anthony's Shrine/Saint Francis House, a nonprofit organization, located at 39 Boylston Street, for the purpose of providing services to homeless persons. Compensation was in an amount not to exceed \$75,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. Additional funds are requested in order that the current level of services be maintained until the end of the fiscal year as expenses, particularly during winter months, are much higher than expected. I, therefore, request permission to increase compensation in the amount of \$25,000. Total compensation under the terms of this contract, as amended, shall not exceed \$100,000. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Counseling Services

Dear Mayor Flynn:

On September 19, 1985, your Honor approved the award of a contract to the People's Task Force, a

nonprofit organization, located at 1259 Hyde Park Avenue, Hyde Park, for the purpose of providing a counseling services program. Compensation was in an amount not to exceed \$10,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until December 31, 1985.

Your approval is requested to amend this contract in terms of compensation and the period of performance. This program was conditionally funded by the former Neighborhood Development and Employment Agency for a six-month time period under the CDBG program Year XI. It was determined that if the contractor was providing services in a satisfactory and compliant manner, it would receive additional funding and a time extension so that services could be maintained until the conclusion of this fiscal year. I, therefore, request permission to increase compensation in the amount of \$10,000, and to extend the termination date until June 30, 1986. Total compensation under the terms of this contract, as amended, shall not exceed \$20,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Personnel Services

Dear Mayor Flynn:

On July 24, 1985, your Honor approved the award of a contract to the Ford and Ford Temporary Division, located at 581 Boylston Street, for the purpose of providing temporary services to the former Neighborhood Development and Employment Agency. Compensation was in an amount not to exceed \$15,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1987. The contractor was selected after a careful review of proposals submitted in response to a publicly advertised request for proposals published in the *Boston Globe* on May 2, 1985.

Your approval is requested to amend this contract in terms of compensation. Due to the recent merging of NDEA with the Public Facilities Department, and the creation of the Mayor's Office of Jobs and Community Services, job postings have been delayed, increasing the need for temporary services to fill current staff vacancies. I, therefore, request permission to increase compensation in the amount of \$10,000. Total compensation under the terms of this contract, as amended, shall not exceed \$25,000. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

On July 24, 1985, your Honor approved the award of a contract to Skill Bureau, located at 129 Tremont Street, for the purpose of providing temporary services to the former Neighborhood Develop-

ment and Employment Agency. Compensation was in an amount not to exceed \$15,000, payment being made from the Community Development Block Grant program for the period of July 1, 1985, until June 30, 1987. The contractor was selected after a careful review of proposals submitted in response to a publicly advertised request for proposals published in the *Boston Globe* on May 2, 1985.

Your approval is requested to amend this contract in terms of compensation. Due to the recent merging of NDEA with the Public Facilities Department, and the creation of the Mayor's Office of Jobs and Community Services, job postings have been delayed, increasing the need for temporary services to fill current staff vacancies. I, therefore, request permission to increase compensation in the amount of \$10,000. Total compensation under the terms of this contract, as amended, shall not exceed \$25,000. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Day Care Services

Dear Mayor Flynn:

On August 22, 1985, your Honor approved the award of a contract to the Allston/Brighton APAC, a nonprofit organization, located at 143 Harvard Street, for the purpose of providing day care services. Compensation was in an amount not to exceed \$23,952, payment being made from the Community Development Block Grant program for the period of September 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. The services provided under this contract are funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent share. Recently the state approved parity adjustments/increase for their current day care providers. In order to match these adjustments, I respectfully request your Honor's permission to increase compensation in the amount of \$2,951. Total compensation under the terms of this contract, as amended, shall not exceed \$26,903. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

On August 15, 1985, your Honor approved the award of a contract to Infants and Other People, a nonprofit organization, located at 464 Tremont Street, for the purpose of providing day care services. Compensation was in an amount not to exceed \$23,736, payment being made from the Community Development Block Grant program for the period of September 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. The services provided under this contract are funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent local share. Recently the state approved parity adjustments/increase for their current day care providers. In order to match these adjustments, I respectfully request your Honor's permission to increase compensation in the amount of \$3,239. Total compensation under the terms of this contract, as amended, shall not exceed \$26,975. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa Chapnick,
Director.

Dear Mayor Flynn:

On August 15, 1985, your Honor approved the award of a contract to Family Day Care, Inc., a nonprofit organization, located at Brookline, for the purpose of providing day care services. Compensation was in an amount not to exceed \$39,849, payment being made from the Community Development Block Grant program for the period of September 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. The services provided under this contract are funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent local share. Recently the state approved parity adjustments/increase for their current day care providers. In order to match these adjustments, I respectfully request your Honor's permission to increase compensation in the amount of \$1,210. Total compensation under the terms of this contract, as amended, shall not exceed \$41,059. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

On August 15, 1985, your Honor approved the award of a contract to N.I.C.E. Day Care, a nonprofit organization, located at 3297 Washington Street, Jamaica Plain, for the purpose of providing day care services. Compensation was in an amount not to exceed \$27,771, payment being made from the Community Development Block Grant program for the period of September 1, 1985, until June 30, 1986.

Your approval is requested to amend this contract in terms of compensation. The services provided under this contract are funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent local share. Recently the

state approved parity adjustments/increase for their current day care providers. In order to match these adjustments, I respectfully request your Honor's permission to increase compensation in the amount of \$2,934. Total compensation under the terms of this contract, as amended, shall not exceed \$30,705. All other terms and conditions shall remain the same.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. PUBLIC FACILITIES DEPARTMENT

Project Place, hereinafter referred to as the Awarding Authority, through funding from the Public Facilities Department, under support from the Community Development Block Grant, invites contractors to bid the following project:

Site: Project Place, 32 Rutland Street, Boston, MA 02118.

Scope of Work: Exterior structural repairs including but not limited to brick facade, roof, dormers, windows, and doors.

Remarks: General Contractors.

Time and Place for Filing Bids: ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before 10 a.m. on June 24, 1987, at which time and place respective bids will be opened forthwith and read aloud. Contractors desiring to submit bids should plan to attend a pre-meeting specifying the extent of the renovations. The prebid meeting is scheduled as follows: Project Place, 32 Rutland Street, Boston, MA 02118, June 15, 1987, 10 a.m.

PLANS AND SPECIFICATIONS will be available on June 8, 1987, at Project Place, 32 Rutland Street, Boston, MA 02118, through Julie Rusk at 3740.

No bid for the award of this project will be considered unless the contractor complies fully with the following requirements.

This is a federally assisted project and, therefore, not less than the minimum salaries and wages set forth in the contract documents must be paid to each worker in this project.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent (or 30 percent if in the impacted area; see contract documents) of his bid price shall be expended on minority business enterprises. For the purpose of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indian.

The attention of each bidder is called to the provisions of the contract documents requiring at least 50 percent of all work hours on this project be performed by Boston residents, 25 percent by minorities, and 10 percent by women, in each trade.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

ECONOMIC DEVELOPMENT AND INDUSTRIAL CORPORATION OF BOSTON

NOTICE TO CONTRACTORS

Invitation for Bids for Installation of a Sign System (EDIC Project No. 1143), at the Marine Industrial Park, Boston, MA 02210.

The Economic Development & Industrial Corporation of Boston, (EDIC/Boston) acting by its Director, hereinafter referred to as the Awarding Authority, has designated the Director of Public Facilities, Room 601, 26 Court Street, Boston, MA 02108, to act in its behalf for the receipt of bids and hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, shall contain the required bid deposit and certifications, shall be filled out in its entirety and shall be signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30 of the Massachusetts General Laws, as amended, and shall be in accordance with the terms and provisions of the contract documents entitled "Marine Industrial Park, Sign System."

SCOPE OF WORK includes: Fabrication of all signs in the quantities specified; installation of all foundations, and sign poles; removal of all existing signs which obstruct new construction and all other works as necessary for the installation of all signs as designated in the contract documents.

CONTRACT DOCUMENTS, plans and specifications will be available at the offices of the Public Facilities Department on or about May 22, 1987, to all interested parties who present a \$25 certified check, payable to the Economic Development & Industrial Corporation of Boston for each set. Bidders are hereby notified that bid deposits accompanying a proposal must be 5 percent of his/her bid and shall be in the form of a bid bond, certified check, cashier's check or treasurer's check and shall be made payable to the Economic Development & Industrial Corporation of Boston (EDIC). The contract documents, plans and specifications must be returned in good condition within thirty (30) calendar days of the bid opening in order for the bidder to have the \$25 check returned. After thirty (30) calendar days of the bid opening all deposits for contract documents, not refunded, shall become the property of EDIC/Boston.

A BIDDER'S CONFERENCE will be held at the Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m. on June 5, 1987. All prospective bidders are invited to attend.

TIME AND PLACE FOR FILING BIDS: All general bids must be filed with the Public Facilities Department at the above address before twelve o'clock noon, Boston time, on June 15, 1987, at which time and place respective bids will be opened forthwith and read aloud.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders, the form for general bid and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, the prohibition of an abnormally high or low price for any item of work, and the requirements for the performance of the contract as set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity and Affirmative Action requirements of the general conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female; 25 percent Minority; and 50 percent Boston Resident. Additionally, the contractor is notified of the requirement to expend not less than 10 percent of his/her total bid price with minority business enterprises listed with the City of Boston and to pay all workers not less than the prevailing minimum wages set forth in the contract documents.

Bids may be held for a period not to exceed thirty (30) days from the date of opening bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development & Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to William F. Devine Golf Course at Franklin Park, Boston, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the law and in accordance with the terms and provisions of the contract document entitled "Improvements to William F. Devine Golf Course at Franklin Park, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor materials, equipment and transportation to reconstruct the greens and tees and to install an automated irrigation system. Estimated cost, \$600,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, June 18, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 1, 1987, after 9 a.m. Boston time, at the Parks and Recreation Department, to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits

must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

POLICE DEPARTMENT

Invitation for Proposals to Provide Laboratory and X-Ray Services as Part of the Department's Pre-Employment Physical Examination of Police Officer Candidates.

The City of Boston (the City), acting by its Police Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 308, Boston Police Headquarters, 154 Berkeley Street, Boston, on or after June 18, 1987.

All proposals shall be filed no later than 12 noon, Boston time, July 1, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be \$100.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

INSPECTIONAL SERVICES DEPARTMENT

Invitation for Bids for Engineering and Architectural Services for the Inspectional Services Department for the Period July 1, 1987, through December 31, 1987.

The City of Boston, acting by its Inspectional Services Department and its Commissioner, hereinafter referred to as the Awarding Authority invites proposals for the above entitled services.

Under the terms of the contract the contractor will furnish a Structural Engineer or Architect with structural expertise, two Architects, and a Mechanical Engineer for a six (6)-month period to examine and review all plans filed with the Inspectional Services Department that require Architectural, Mechanical or Structural review for compliance with the State Building Code. Bidders should include 10 percent additional monies to cover the cost of anticipated overtime.

Every proposal shall be submitted in duplicate on and in accordance with the bid specifications which may be obtained at 1010 Massachusetts Avenue, fifth floor (Commissioner's Office), Boston, MA 02118, on and after Monday, May 27, 1987.

All proposals shall be filed no later than 12 noon, Friday, June 12, 1987, at 1010 Massachusetts Avenue, fifth floor (Commissioner's Office), Boston, MA 02118, and at the office of the City Auditor, Room M4, City Hall, Boston, MA 02201, at which time and place they shall be publicly opened and read aloud.

All properly filed proposals will be evaluated on the following criteria: contractor qualifications; contractor experience; qualifications and experience of proposed plan examiners; and contract price. The Commissioner, Inspectional Services Department, reserves the right to reject all proposals without cause.

The City of Boston is an equal opportunity employer.

General bids will be valid only when accompanied by (1) a Certificate of Eligibility issued by DCPO (Form CQ7), showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an update statement (Form CQ3) summarizing the contractor's record for the period between the last DCPO certification and the date the contractor submits its bid.

A **BIDDER'S CONFERENCE** will be held at the Boston Marine Industrial Park, 10 Drydock Avenue, South Boston, Mass., at 10 a.m. on June 3, 1987, to discuss the project. All prospective bidders are invited to attend the conference.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to bidders (including subbidders), and the provisions with respect to bonds, insurance, certifications, construction permits, time of performance, liquidated damages, and the requirement set forth in the specifications.

The attention of all bidders is specifically directed to the Equal Employment Opportunity and Affirmative Action and Boston Minority Participation requirements of the general conditions and the obligation of the contractor to meet the workforce percentages of 10 percent Female; 25 percent Minority; and 50 percent Boston Resident; and 10 percent Minority Business Enterprise (set aside). Additionally, the contractor is notified of the requirement to pay not less than the prevailing minimum wages stated in the contract documents.

Attention is directed to the notice to the bidders, the form for general bid and the prohibition of abnormally high or low price for any item of work. Bids may be held for a period not to exceed thirty (30) days from the date of opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract. The Economic Development & Industrial Corporation of Boston reserves the right to waive any informalities in the bidding or to reject any and all bids if it is in the public interest to do so.

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, JUNE 15, 1987

NO. 24

BOSTON ANNOUNCES NEW HEALTHY CHILD PROGRAM

Mayor Flynn joined John Ramsey of the Boston Foundation in announcing the new HEALTHY CHILD PROGRAM at the Mattapan Health Center on June 3. The Mattapan Health Center will be one of twelve neighborhood health centers involved in the new program implemented by the City of Boston's Health and Hospitals Department.

The Healthy Child Program, a follow-up on Boston's prenatal program — Healthy Baby — will serve high-risk infants and children in Boston's neighborhoods. The program focuses on areas with a high rate of infant mortality. The Healthy Child Program is funded by Boston's Health and Hospitals Department with matching funds provided by the Boston Foundation.

Describing the new program, Mayor Flynn said: "In this period of dramatic federal cuts in poverty programs, we have witnessed a significant rise in infant mortality. In Boston, we are dedicating scarce, local resources to programs seeking to reduce infant mortality. We are grateful to have the resources of the Boston Foundation to assist us in responding to this crisis. With these resources we can assure that no pregnant woman or infant will lack access to vital health care resources."

Healthy Child will supplement the successful Healthy Baby program which was implemented to respond to rising infant mortality rates several years ago. Healthy Child will continue to provide public health visits and other services to the families of 250 infants who have received Healthy Baby services. This new program will provide services to infants who are determined to be "at risk" due to poverty and other factors for two years following birth.

Many of the children who will participate in Healthy Child will have been born with low-birth weights and are thus twenty times more likely to die within their first year of life.

I was shocked several months ago, as I am sure many of your were,

when we learned that infant deaths increased from 11.7 to 15.4 deaths per thousand births between 1984 and 1985. It is appropriate that this announcement is at the Mattapan Community Health Center. These centers are on the front lines of the City of Boston's battle to bring down infant death rates, which hits hardest in neighborhoods that are poor and minority.

By adding \$1,000,000 to programs to reduce infant mortality we will not only be able to continue care through Healthy Baby and Healthy Child but will provide outreach to those mothers to be who are not currently receiving prenatal care.

The Boston Foundation has provided a \$150,000 matching grant to the Department of Health and Hospitals to follow up the city's Healthy Baby Program with the "Healthy Child" program. This year's grant is the first of five annual grants of \$150,000 for the Healthy Child Program. It is the largest grant provided by the Boston Foundation under their newest initiative, the Poverty Impact Program, a five-year, \$10-million plan. Founded in 1915, the Boston Foundation is the oldest and largest foundation in New England.

The Boston Foundation's matching grant of \$150,000 will augment Health and Hospital's \$190,000 allocated for the Healthy Child Program for FY '88. The Healthy Child Program builds upon the city's prenatal Healthy Baby Program. The program's primary goal is the prevention and early treatment of major health and developmental problems for children raised in impoverished neighborhoods.

POLICE DEPARTMENT REMINDER

The Boston Police Department has issued a reminder of the laws regarding the use of Motorized Bicycles.

With the arrival of the good weather, the Boston Police Department would like to remind residents of the State Laws regarding the use of motorized bicycles being used by many of the youths of the city. According to Det. John Langille, Auto Investigator of Area C, state law defines a "Motorized Bicycle," as a pedal bicycle which has a helper motor rated at no more than 1.5 brake horsepower, a cylinder capacity not exceeding fifty cubic centimeters, an automatic transmission, and which is capable of a maximum design speed of no more than twenty-five miles per hour.

Elements of the law regarding these bicycles include:

1. Driver must be over sixteen years of age;
2. Must possess a valid learner's permit or license to operate;
3. Driver can not exceed 25 MPH;
4. Driver must signal when stopping and turning;
5. Bicycles can not be operated on limited access or express state highways where signs specifically prohibiting bicycles have been posted;
6. Shall be subject to the traffic laws of the Commonwealth (relative to operation);
7. May pass on the right;
8. May operate on bike paths adjacent to streets/highways;
9. Can not operate on off-street recreational bike paths;
10. Motorized bicycles must, under Ch. 90, Sec. 1D, display a sticker issued by the Registry after having paid a fee and may be renewed biannually in the manner prescribed by the Registrar.

POLICE DEPARTMENT POWER PATROL

Boston Police Commissioner Francis M. Roache has announced the five-week impact of the "Power Patrol."

After five weeks of operation in Area B, the Boston Police Department's "Power Patrol" has had a significant impact on crime in the area. The categories and number of arrests since April 17, are as follows:

• Drug Law Violations -	120
• Illegal Possession of Guns or Dangerous Weapons -	7
• Public Drinking Law Violations -	212
• Disorderly Conduct -	47
• Violation of Auto Laws -	25
• Trespassing -	6
• Other -	89
• Total	506

"Operation Power Patrol" is a specialized unit developed in conjunction with community residents to address specific crime "hot spots."

Many of the arrests in the "other" category are for suspects wanted on outstanding warrants on charges ranging from attempted murder to breaking and entering.

Under the command of Deputy Superintendent William Celester, the unit consists of approximately thirty officers. Three sergeants are included in that number: Sergeant Paul Crossen (Unit Commander), Sergeant Jose Garcia and Sergeant Sheryl Pichon, who is the first black female to be appointed sergeant in the history of the Boston Police Department.

"Operation Power Patrol" will continue to target selected high activity areas which generate a large number of 9-1-1 calls.

MBTA AWARDS DEMOLITION CONTRACT

The Massachusetts Bay Transportation Authority (MBTA) has announced that Kimmins Industrial Service Corporation of Pasadena, Texas, has been selected to demolish the elevated structure formerly used by the MBTA's Orange Line. The elevated structure had been used in the South End, Roxbury, and Jamaica Plain from 1901 through April 30, 1987.

Work under the \$3.48 million contract also includes the demolition of Green Street and Egleston stations and the possible demolition or relocation of Dover and Northampton stations.

MBTA General Manager James F. O'Leary said, "The MBTA will take all appropriate steps to maintain traffic flow and ensure that the demolition work proceeds on schedule so that no single location will be affected for any prolonged length of time."

Mr. O'Leary added that the MBTA has provided advance information to local businesses and residents and will continue to work with the City of Boston to monitor the demolition work.

Demolition is scheduled to begin in mid-summer. The first phase of demolition will include the track structure between Forest Hills and Egleston stations, and Green and Egleston stations. Also demolished within the first phase will be the elevated structure between the tunnel portal and Dover station.

The second phase of demolition will include the elevated structure between Egleston and Dudley stations. Demolition work on Washington Street, north of Dudley station, will not take place until after the first of the new year.

The third phase of demolition will include the elevated structure between Dudley and Dover stations, with all work

under the contract completed by June 30, 1988.

Planning is now under way for the reconstruction of Washington Street, the reuse of the historic Dudley station for transportation purposes and possible commercial development, and commercial development in the site of Egleston station.

A second contract, which will be advertised this summer for the demolition of Forest Hills station, will complete the demolition of the entire elevated line.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts based on the following information:

HEALTH AND HOSPITALS DEPARTMENT

Form Production and Management

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the following contracts in the amount shown. These contracts are for furnishing form production and management to the Department of Health and Hospitals for the two-year period, beginning September 1, 1985, through August 31, 1987.

Contract No. 9170; vendor, Dunbar-Wolfe Printing Co.; Randolph, at the amended amount of \$158,631.94; to new contract amount, of \$317,263.88.

Contract No. 9170; vendor, System Support Company, Maryland, at the amended amount of \$39,949.25; to new contract amount of \$79,898.50.

While both of these contracts cover a two-year period, the amounts in the original contracts were

erroneously written as one-year costs. Therefore, this amendment is necessary to provide funding for the second year of the contracts.

In view of the above, I recommend approval of these amendments.

Very truly yours,
Lewis W. Pollack,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

HEALTH AND HOSPITALS DEPARTMENT

Legal Representation

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to award, without advertising, a contract with Choate, Hall & Stewart, a law firm at 53 State Street, Boston, for the period January 1, 1987, through June 30, 1987, at a cost not to exceed \$75,000.

The department routinely requires legal representation in matters affecting rates, reimbursements and cost reports, including the following:

- (a) preparation and negotiation of charge applications with the Rate Setting Commission;
- (b) appeals from denials of such increases;
- (c) preparation and negotiation of medicaid rate adjustment requests;
- (d) medicaid rate appeals;
- (e) preparation of requests for medicare routine cost limitation exceptions;
- (f) negotiation of Blue Cross contracts and special provisions and handlings of disputes under such contracts;
- (g) medicare appeals;
- (h) legal assistance in preparation of cost reports to maximize reimbursement;
- (i) appeals relating to cost report adjustment;
- (j) advice regarding reimbursement consequences of particular management and operations decisions;
- (k) legal challenges to rules and regulations regarding rates and reimbursement; and
- (l) negotiations and litigation for recovery of past due public welfare reimbursement.

Under this contract, Choate, Hall & Stewart will work with department legal and financial staff on such matters for which it is determined their legal expertise would be advantageous. They will be paid on a services-rendered basis and all tasks will be approved in advance by department legal counsel, provided, however, that all tasks involving litigation will be based on hourly rates ranging from \$65 to \$205.

Choate, Hall & Stewart are recognized experts in the field and have ably represented the department for several years as special municipal employees. Unadvertised contracts for these services were awarded to Choate, Hall & Stewart for the past three fiscal years in the following amounts: 1986 — \$60,000; 1985 — \$60,000; 1984 — \$60,000. As they are knowledgeable of the department's reimbursement matters, are involved in ongoing matters which require their continued involvement, as they represent over fifty hospitals, and as the services will be provided at a reasonable cost, no benefit would inure to the city by publicly advertising for

bids. Due to the nature of the services provided the amount requested is an estimate.

This award is being processed late because the extent of the legal services to be performed was not determined until the beginning of December, 1986.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Medical Video System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Circon Corporation, California, from March 25, 1987, through June 25, 1987, at a cost not to exceed \$9,300.

Under this contract, Circon Corporation will replace a permanently damaged camera in the Circon Medical Video System currently in use by the operating room staff at Boston City Hospital for arthroscopy surgery. The camera plus accessories will cost \$10,937. Circon has agreed to accept the damaged camera as a trade-in and will credit the hospital with \$2,000. This results in a total cost of \$8,937 for the new equipment. An additional \$363 was added to cover the freight charges. Terms are 25 percent due twenty-five days; 75 percent due forty-five days; F.O.B. Santa Barbara.

Because the new camera must be compatible with the remaining Circon equipment in the system and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because we did not have all the necessary documents from the vendor in order to process the contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Health Center Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1986, through June 30, 1987.

Grantee Corporation: Brighton/Allston Health Corporation. Neighborhood Health Center: Joseph M. Smith Comm. Health Center, Allston; amount of grant: \$100,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Joseph M. Smith Health Center to provide primary care services in Brighton/Allston for almost sixteen years. The Health Center provides high quality health services in a neighborhood that has almost no private or other acceptable

primary care services. Boston's network of neighborhood health centers provide needed services and have a significant impact on the health of people in Boston's neighborhoods. Joseph M. Smith Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$100,000; 1985 — \$100,000; 1984 — \$100,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late because the legal office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork did not go to the vendor until September 24, 1986, and was returned on December 10, 1986, except for the insurance which was received March 6, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Tonometer System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Bio-Rad Laboratories, Inc., Ophthalmic Division, Cambridge, from March 9, 1987, through September 9, 1987, for a Modular One Tonometer System to Boston City Hospital at a cost not to exceed \$5,000.

The Modular One Tonometer provides top of the line microprocessor performance with tonometry, tonography, and stroke screening capabilities. Features include simultaneous display of both patient eyes for comparison, bright twenty-character LCD display, and Goldmann applanation accuracy. This equipment will be used in the Eye Clinic at Boston City Hospital.

Because this equipment has a unique technology and is a sole source item, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because we did not have the necessary documents from the vendor in order to process the contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Clinical Chemistry System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to PRC Medical Systems, Inc., Randolph, for the period December 1, 1986, through November 30, 1989, at a cost not to exceed \$52,000.

Under this contract, PRC Medical Systems, Inc. will lease a ChemPro 1000 Clinical Chemistry System, provide maintenance for this equipment, and supply Sensor Cards No. 1201-Electrolyte Profile 4 and No. 1178-Diabetic Profile.

The instrumentation cost is \$272.70 per month for thirty-six months. The instrumentation is under warranty for one year and the maintenance cost will be fixed at \$750 per year for each of the two remaining years. The sensor cards will cost \$111.71 per case of twenty-five. This price will remain firm for

one year and there will be a cap of 5 percent on the sensor card price for each of the final two years of the contract. At the end of the contract period, the instrumentation may be purchased by the hospital for \$1.

The ChemPro 1000 Clinical Chemistry System is a whole blood analyzer, which will be located in the Intensive Care Nursery (NICU) at Boston City Hospital. Presently tests for the NICU are being sent outside the hospital to be processed because in-house analyzers cannot perform on the minute amount of blood that is available from neonatal patients. This instrument can provide results with only 150ml (approximately five drops) of whole blood. The equipment provides super-stat test results; is self calibrating; is upgradable and uses disposable sensor cards to eliminate cleanup. The blood sample is placed directly into a reservoir on the card, and the cap is closed. Measurements are based on electrochemical measurement techniques. Each card is a precalibrated, solid-state, disposable sensing electrode system.

Because this system is unique in the marketplace, because PRC Medical Systems, Inc. is the authorized distributor in this area and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

All the signed documents necessary to complete this contract were not received until April 13, 1987. Therefore this contract is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Patient Care Items, etc

Dear Sir:

An invitation for bids, Proposal No. 558, to furnish Surgical Dressings/Patient Care Items to the Department of Health and Hospitals was advertised in the *City Record* on October 13, 1986. Bids were publicly opened and read on November 12, 1986. Ninety-six companies were solicited and forty-three companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest bids meeting specifications at prices I consider to be reasonable, in that the bids were not signed.

The Kendall Company, Boston, \$275,000; 2 percent, thirty days; and Bird & Cronin, Minneapolis, \$6,500.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendors. The contract amounts are approximate figures based on estimated volumes. The contract period is January 1, 1987, through December 31, 1987.

The decisions were not made as to what items would be awarded to these vendors until the end of December. The Contract Office was then required to obtain additional documents from the vendors, therefore, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Drug Abuse Tests, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract,

without advertising, to Syva Company, Calif., for the period February 1, 1987, through June 30, 1988, in an amount not to exceed \$90,000.

Under this contract, Syva will furnish miscellaneous drug abuse test kits and reagents to the Boston City Hospital at a discount of 8 percent off current price list, dated April 7, 1986, and also supply the hospital with the QST Sample Processor System, at no additional charge, providing the hospital spends a minimum of \$2,700 per month for the purchase of the above supplies during the contract period. Syva will maintain and service the equipment at no charge to the city and the hospital shall have the option to purchase the equipment at the end of the agreement for the sum of \$1.

A prior, multi-year contract agreement with Syva Company for the above-mentioned supplies and equipment ended December 31, 1986. The terms to purchase the equipment contained in this agreement were at fair market value. Because this technology is changing so quickly it is not in the hospital's interest to purchase the equipment at this time.

Testing of this nature is on the increase and the department will have no problem in meeting the monthly required minimum.

Syva Company offers the widest range of tests of this nature available, the QST System is capable of giving stat results, and Syva is the sole source of supply for the methodology involved.

Inasmuch as the equipment is already in place and being utilized by the laboratory, and prices are offered at costs I consider reasonable, no benefit would inure to the city by publicly advertising for bids.

Syva Company terms are net 30 days, F.O.B. shipping point.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Control of Rabies Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Animal Rescue League of Boston, Inc., for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$33,647.

Under this contract, the Animal Rescue League of Boston, Inc. will perform various duties related to the control of rabies in the City of Boston. These professional services will include, but not be limited to, the quarantine of possible rabid animals; the performance of follow-up inspections and veterinary examinations; the analysis of brain tissue to determine the presence of rabies; and compliance with all state health laws pertaining to rabies control.

The Animal Rescue League of Boston has provided rabies control services for the Department of Health and Hospitals for many years. Various kennels had been explored as possibly providing rabies control services. The Animal Rescue League of Boston was the only vendor who could provide adequate facilities and services to fully deal with rabies control. The costs of the unadvertised contracts awarded to the Animal Rescue League of Boston, Inc., for the past three fiscal years have been as follows: 1986 — \$32,169; 1985 — \$32,169; 1984 — \$32,169.

Therefore, in view of the professional, unique service to be rendered, in which the Animal Rescue League of Boston, Inc. has had wide experience

and which it has satisfactorily provided to the city for many years at a cost which, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor on June 4, 1986. The vendor requested revisions in the terms and conditions which were not approved by the legal department at Boston City Hospital until recently, therefore this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Tuberculosis Treatment Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University School of Medicine, Boston, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$59,452.

Under this contract, the Pulmonary Section of the Boston University School of Medicine will provide treatment services for patients with tuberculosis. In particular, arrangements will be made for physicians from the Pulmonary Section with specific training and expertise in Pulmonary Disease to staff the Tuberculosis Clinics. In addition, there will be in Clinical Medical Director who will provide administrative, supervisory, and direct clinical care.

The department has had contracts with Boston University School of Medicine for medical and professional services for many years. Unadvertised contracts have been awarded for the last three fiscal years in the following amounts: 1986 — \$55,982; 1985 — \$55,982; 1984 — \$55,982. The Medical School provides the department with high quality medical and professional services that include corporate service, teaching and research activities.

Because of the special fitness of the university to provide these services, as the Pulmonary Section has provided excellent services in this area in the past, because of the professional nature of the services, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by public advertising for bids.

Agreement on the revisions to the contract, term between the Department of Health and Hospitals and Boston University Medical School for the large physician contract was not reached until November 17, 1986. Once negotiations were completed every other physician contract with the trustees of Boston University had to be reviewed and updated to reflect the changes made in the major contract. Because of this procedure, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request Your Honor's permission to award a contract without advertising, to Physio Control, Connecticut, from March 25, 1987, through June 30, 1987, at a cost not to exceed \$51,500.

Under this contract, Physio Control will immediately deliver to the Ambulance Division at Boston City Hospital, ten Lifepak 200 Automatic Defibrillators at a cost not to exceed \$51,000. The

terms will be 90 percent thirty days; 10 percent 10 days thereafter; and F.O.B.

This equipment will be used in the ambulance by basic EMT's. The monitor/defibrillator is automatic. It instantly recognizes heart problems and institutes treatment. This is new technology and is only available from Physio Control.

Because of the above and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because we did not have all the necessary documents from the vendor in order to process the contract.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

An invitation for bids, Proposal No. 556, to furnish Medical and Surgical Supplies, etc; to the Department of Health and Hospitals was advertised in the *City Record* on October 6, 1986. Bids were publicly opened and read on November 4, 1986. One hundred sixty-four companies were solicited and 78 companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest bids meeting specifications at prices I consider to be reasonable, in that they either submitted late bids or did not file a copy of their bids with the City Auditor.

American Hospital Supply, Boston, \$44,937.86; net thirty days; Pharmacia, Inc. New Jersey, \$40,150; net thirty days, plus shipping; Medical Products Division, W. L. Gore and Associates, Inc., Maryland, \$16,500; net thirty days; Bard Electro Medical Systems, Inc., Englewood, CO 80111, \$5,830; 2 percent — 10, net thirty, plus shipping.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respect fully request your Honor's permission to award a contract, without further advertising, to the above vendors. The contract amounts are approximate figures based on estimated volumes. The contract period is January 1, 1987, through December 31, 1987.

The decisions were not made as to what items would be awarded to these vendors until the end of December. The Contract Office was then required to obtain additional documents from the vendors, therefore, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Hewlett-Packard Company, Andover, for immediate delivery of an equipment upgrade to Boston City Hospital at a cost not to exceed \$56,833. The contract period will be March 15, 1987, through June 30, 1987.

Under this contract, Hewlett-Packard Company will provide the parts needed to convert the Hewlett-Packard Series 60 Real Time Phased Array Imaging System to Color Flow Mapping. The parts provided include: hardware, software, color display and system cabling. The Series 60 Real Time Phased Array Imaging System is located in the Heart Station at Boston City Hospital and is used for echocardiography studies on patients.

Because Hewlett-Packard Corporation is the manufacturer of the equipment and the only vendor capable of providing the upgrade, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Computer Maintenance Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, Waltham, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$81,326.

Under this contract, Digital Equipment Corporation will provide computer hardware repair and maintenance service, including parts, labor and travel for the following equipment:

Two Digital PDP 11/34 and 11/34A computer system and disk drive, located in Nuclear Medicine and Pulmonary Function; DEC service Monday-Friday, 8 a.m. to 5 p.m., excluding locally observed DEC holidays; Digital PDP 11/70 computer system, console terminal and disk drive; DEC service Monday-Sunday, 8 a.m. to 5 p.m., excluding locally observed DEC holidays; DECrad computer system, VMS/VAS 11/34.

In the past, Digital Equipment Corporation has provided excellent service to the department. Unadvertised contracts have been awarded to Digital Equipment Corporation for computer hardware repair, maintenance and upgrade package for the past three fiscal years in the following amounts: 1986 — \$85,257.74; 1985 — \$73,807.65; 1984 — \$35,304.

Inasmuch as the equipment is of a highly specialized nature, as Digital Equipment Corporation is the manufacturer, and as the price, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor in August, 1986 and again February, 1987 and received in Contract Management Office on March 10, 1987. The documents then had to be reviewed by the legal department at Boston City Hospital, therefore this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Removing and Hauling Debris and Securing Privately Owned Vacant Lots, Project No. 3-CI-AVL, City Funds.

(Continued on next page)

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

4, 6, and 8 Schiller Street, Ward 10, per specifications.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 3-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and

that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25

percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 15, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, on Tuesday, June 23, 1987, at 10 a.m., Boston time.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. **The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.**

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the re

quirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

NOTICE TO CONTRACTORS

**Proposal for Removing and Hauling Debris and
Securing Privately Owned Vacant Lots,
Project No. 5-CI-AVL, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

73-75 Day Street, Ward 10, and Corner of Arcola Street, per specifications.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 5-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor):

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section

3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 10-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section

of the Housing and Urban Development Act of 1968 and Executive Order 11246.

PUBLIC WORKS DEPARTMENT

Proposal for Miscellaneous Repairs to Public Works Department Automotive Transmissions.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 15, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 2, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of

chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

- 19 Nottingham Street, Ward 14
- 21 Nottingham Street, Ward 14
- 23 Nottingham Street, Ward 14, per specifications.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 8-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

Project No. 4-CI-AVL, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

83 Minden Street, Ward 10, per specifications.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time thereafter.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 4-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative

tion program contract provisions, and to the requirements of mandatory compliance with section 1 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, July 2, 1987, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of

General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

PUBLIC WORKS DEPARTMENT

Proposal for Miscellaneous Plumbing Repairs at the Central Maintenance Facility and District Yards.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 15, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 2, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Securing Privately Owned Vacant Lots,
Project No. 9-CI-AVL, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

158 Rosseter Street, Ward 14, per specifications.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02119, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 9-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for minority business enterprise, if bid is for more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. **The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.**

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section

3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

The City of Boston, acting by its Fire Commissioner, invites competent persons, firms or corporations to enter into a contract to submit proposals as may be requested from time to time by the Official, for the performance of particular items of work described above, and to perform such work as may be required by the Official. Copies of the contract documents may be obtained at Fire Headquarters, 115 Southamptton Street, Boston, MA 02118, on or before Friday, June 26, 1987.

Application to contract for such work will be accepted until 12 o'clock noon, Monday, July 6, 1987, at which time and place they will be publicly opened and read aloud. Proposals must be sealed and marked "Examination of One Hundred (100) Candidates for the Position of Fire Fighter," and must be made in duplicate, one to be deposited with the City Auditor at City Hall, previous to the time stated for the opening of bid.

The attention of all applicants is directed to the provisions of the contract documents, and particularly to the requirements for insurance certificate. The City and Official reserve the right to contract only in those cases and in accordance with those applications as the Official deems to be in the interest of the City.

In addition to the above, the City of Boston requires that once the examinations begin, that the process for all candidates must be completed in a three-week period.

LEO D. STAPLETON,
Fire Commissioner.

**Request for Proposals for Tax-Exempt Lease/
Purchase Equipment Financing, Procurement
Assistance and Related Administrative
Services.**

The City of Boston (the City), acting by and through its Collector-Treasurer and its Purchasing Agent (the Awarding Authority), invites sealed proposals for tax-exempt lease/purchase equipment financing, procurement assistance and related services. Requests for Proposals (RFP) containing proposal requirements, selection procedures and other pertinent information will be available at the office of the Collector-Treasurer, Mezzanine 5, City Hall, Boston, Mass., on or after Monday, June 15, 1987.

A pre-response conference will be held on Wednesday, June 24, 1987, in Room 900 (BRA Boardroom), Boston City Hall, at 1:00 p.m.

Envelopes containing proposals must be sealed and clearly marked in large letters: "PROPOSAL FOR LEASE/PURCHASE EQUIPMENT FINANCING AND PROCUREMENT ASSISTANCE." The signed original and five copies of the proposal, and including a bid deposit in the amount of \$25,000, must be received at the Treasury Department, Mezzanine 5, City Hall, Boston, MA 02201, on or before 4:00 p.m., Boston time, July 10, 1987. The bid deposit may be either a certified check drawn on, or a treasurer's check or cashier's check, issued by, a responsible bank or trust company and made payable to the City of Boston. One duplicate copy of the proposal, also signed, but without bid deposit, also must be filed with the City Auditor, Mezzanine 4, City Hall, Boston, MA 02201 no later than the date

and time set forth above for the submission of proposals.

The City will award the contract or contracts under this RFP to that responsible and eligible proposer or proposers whose proposal(s), conforming to the RFP, may be deemed by the City to be most advantageous and otherwise in the City's best interest, price and other factors considered.

The Awarding Authority reserves the right to accept or reject any or all proposals in whole or in part; to waive any defects, informalities and minor irregularities in the proposals received; to accept exceptions to the specifications; and to act otherwise as the Awarding Authority alone may deem in the best interest of the City.

The City of Boston (the City), acting by its Police Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 308, Boston Police Headquarters, 154 Berkeley Street, Boston, on or after June 18, 1987.

All proposals shall be filed no later than 12 noon, Boston time, July 1, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be one hundred dollars (\$100).

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing of
Buildings, Project No. 103-CD-ABU, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

139 Bowdoin Street, Ward 15

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, June 25, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Project No. 103-CD-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority Business Enterprise, if the bid is for more than \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

BOSTON COMMEMORATES THE U.S. CONSTITUTION

This year marks the 200th anniversary of the signing of the Constitution of the United States, and the guarantee of so many of the freedoms we hold dear. Boston's involvement in that historical period represented a major contribution to the ratification process. It is fitting that this City, which exerted such a strong influence on the framing of that document, should mark the event with a celebration which taps into the spirit and diversity still found within her people.

The Boston Bicentennial Commission, representing leaders in Boston's business, educational, cultural, and professional communities, has been hard at work planning a celebration for this bicentennial year. The Commission will oversee Boston's celebration which began in April, 1987, and will be culminated during the week of September 17, the date of the recommendation that the Constitution be ratified.

Boston — the cradle of liberty and in many ways the heart and mind of the Constitutional era — will be celebrating the occasion with a series of programs and events designed to inform, educate and entertain the residents and visitors of our City. The success of this celebration will depend upon the active involvement of all segments of the Boston community.

If you would like further information about the Bicentennial celebration please call the Office of Business and Cultural Development at 725-3912. I invite you to join us in this important and exciting year to commemorate the signing of the United States Constitution.

On November 12, 1986, Ms. Johanna Fisher was appointed to the position of Administrative Secretary, Grade R-14 (1), at the Suffolk County Jail. Ms. Fisher has evidenced prior creditable service which is hereby submitted for evidence under the provisions of Rule 15 (f) of the Suffolk County Compensation Plan.

Ms. Johanna Fisher — Appointed to the position of Administrative Secretary on November 12, 1986. She is a 1982 graduate of Mt. St. Joseph's Academy, and has received her L.P.N. degree from the Boston City Hospital School of Nursing in 1983. Ms.

Fisher was an Administrative Assistant for the Colonial Car Rental Co. in South Boston, and was employed as a clerk in Suffolk Superior Court.

In view of her prior service and qualifications, it is requested that her second, third, fourth, and fifth increments be determined under the provisions of Rule 15 (f) of the Suffolk County Compensation Plan, effective April 29, 1987.

Sincerely,

ROBERT C. RUFO,
Sheriff of Suffolk County.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

HEALTH AND HOSPITALS DEPARTMENT Passive Motion Machines

Dear Sir:

An invitation for bids, Proposal No. 105, to furnish Continuous Passive Motion Machines for delivery during the period July 1, 1986, through June 30, 1987, to the Department of Health and Hospitals, was advertised in the *City Record* on September 2, 1986. Bids were publicly opened and read on September 17, 1986. Five companies were solicited and three companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest bid meeting specifications at prices I consider to be reasonable, in that the bid was submitted late.

Surgi-Tech, Inc., Waltham, \$8,000 net thirty days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor.

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the *City Record*. Advertising and other copy must, except in emergencies, be in hand at the *City Record* office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue.

The contract amount is an approximate figure based on estimated volumes.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Fresh Frozen Plasma

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to American Association of Blood Banks, Arlington, Virginia, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$35,000.

Under this contract, American Association of Blood Banks will supply plasma through AABBS National Clearinghouse Blood Cooperative at a cost of twenty dollars (\$20) per unit plus .55 cents transaction fee per unit. The contract cost is an estimate based on the amount that is ordered weekly.

American Association of Blood Banks has the ability to furnish the necessary large quantities of fresh frozen plasma required for use in the Blood Bank of Boston City Hospital. Unadvertised contracts have been awarded to American Association of Blood Banks for the past three fiscal years in the following amounts: 1986 — \$52,004.52; 1985 — \$60,569.60; 1984 — \$44,940.

This service is unique in that the fresh frozen plasma received from American Association of Blood Banks is from 100 percent voluntary donations and meets with the standards approved by the FDA and Massachusetts Public Health. The cost per unit of plasma is also less than that of American Red Cross, which is the only other known competitor capable of supplying the required quantities.

Because of the special fitness of American Association of Blood Banks to render these services, as the price, in my opinion, is reasonable, and because of the nature of the services to be provided, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Personnel Services for Shelter

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$275,000.

Under this contract, the Trustees of Health and Hospitals will supply, subject to departmental approval, personnel services for the operation of the Shelter for the Homeless at Long Island Hospital. The persons employed under this contract must be sensitive to the issue of homelessness and must have a long background in dealing with this complex problem. The contract will also include provision of specific services such as payroll, purchasing and financial reporting to the Department of Health and Hospitals.

Unadvertised contracts have been awarded to Trustees of Health and Hospitals of the City of Boston, Inc. for the last three fiscal years in the following amounts: 1986 — \$275,000; 1985 — \$570,000; 1984 — \$330,000.

Inasmuch as the Trustees of Health and Hospitals of the City of Boston, Inc., a nonprofit organization, has demonstrated expertise in recruitment

and fiscal management at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to difficulties in obtaining the actual amount and appropriation for this contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Haitian Outreach Worker

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period September 1, 1986, through June 30, 1987, at a cost not to exceed \$25,163.

Under this contract, the Trustees of Health and Hospitals will provide for the salary and fringe benefits for a community outreach worker to work with the Haitian community surrounding the issues of AIDS.

Fiscal year 1987 will be the first year that a contract will be in effect, as this is a new service to be initiated in September, 1986.

Because of the unique nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Camera

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Circon Corporation, California, from the date of the Mayor's signature to June 30, 1986, at a cost not to exceed \$9,300.

Under this contract, Circon Corporation will replace a permanently damaged camera in the Circon Medical Video system currently in use by the operating room staff at Boston City Hospital for arthroscopy surgery. The camera, plus accessories, will cost \$10,937. Circon has agreed to accept the damaged camera as a trade-in and will credit the hospital with \$2,000. This results in a total cost of \$8,937 for the new equipment. Terms are 25 percent due twenty-five days, 75 percent due forty-five days; F.O.B. Santa Barbara.

Because the new camera must be compatible with the remaining Circon equipment in the system and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Pastoral Counseling

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Reverend A. W. Grif Vautier, Weymouth, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$13,512.

Under this contract, Rev. Vautier will provide pastoral counseling and liturgical services related to the needs of Protestant patients at Mattapan and

Long Island Hospitals. Services are to be provided sixteen hours per week at each hospital at a cost of \$8 per hour for a total of \$128 per week. Two (2) High Holyday services will be provided at each hospital at a cost of \$50 each. In addition, Rev. Vautier will be on call for emergency visits.

Rev. Vautier has provided excellent service in the past, and has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1986 — \$6,440 (Mattapan Hospital, July — June; Long Island Hospital, January — June); 1985 — \$2,700 (Mattapan Hospital only); 1984 — \$2,700 (Mattapan Hospital only).

Because of the special fitness of Rev. Vautier to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Meyer J. Strassfeld, 3 Community Road, Marblehead, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$5,000.

Under this contract, Rabbi Strassfeld will provide chaplaincy services to Jewish patients at Boston City Hospital on Mondays, Wednesdays, and Thursdays totaling thirteen hours per week. In addition, Rabbi Strassfeld will be on call evenings and weekends for emergency purposes. Services will include visits to patients, contacts with families, and worship services as needed. Rabbi Strassfeld will be paid monthly.

Rabbi Strassfeld has provided the hospital with excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$5,000; 1985 — \$5,000; 1984 — \$5,000.

Because of the special fitness of Rabbi Strassfeld to provide these services, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Society of Jesus of New England, 761 Harrison Avenue, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$17,000.

Under this contract, Society of Jesus of New England will provide pastoral counseling and liturgical services related to the needs of Catholic patients at Boston City Hospital. Services are to be provided fifty hours per week at the rate of \$6.54 per hour. Twenty hours will be inhouse on a daily scheduled basis, and thirty hours will be on call throughout each week, evenings and weekends included, for emergency purposes.

Society of Jesus of New England has provided excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$17,000; 1985 — \$17,000; 1984 — \$17,000.

Because of the special fitness of Society of Jesus of New England to provide these services, because of the professional nature of the services to be provided, and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Upgrading Analysis System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award an unadvertised contract to Del Mar Avionics, California, for the period June 30, 1986, through December 31, 1986, at a cost not to exceed \$28,884.

Under this contract, Del Mar Avionics will upgrade their Model 9500A Evaluator II Electrocardioscanner Analysis System to an Innovator Holter Management System.

The Model 9500A is presently used by the Cardiology Department as a high speed scanning and documentation system for ambulatory ECG readings. The upgrade will provide state-of-the-art microcomputer technology for floppy disk, hard disk and streaming tape peripherals, allowing permanent storage. Data bases of previously scanned patients as well as summary reports and ECG strips can be stored, retrieved and manipulated. Tasking features allow printouts to be performed at user-selectable times.

Because Del Mar Avionics, as the manufacturer, is the only vendor capable of providing the upgrade and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Various Diagnostic Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, Center for Human Genetics, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$50,500.

Under this contract, Trustees of Boston University, Center for Human Genetics, will perform genetic diagnostic testing services to include:

Peripheral blood cell chromosomes, at \$325; bone marrow culture and chromosomes, at \$350; amniotic fluid cell chromosomes, at \$525; peripheral blood for Fragile-x chromosomes, at \$350; skin biopsy fibroblast chromosomes, at \$350; serum alpha-fetoprotein, at \$25; amniotic fluid acetylcholinesterase assay, at \$75; amniotic fluid alpha-fetoprotein assay, at \$25.

The Trustees of Boston University, Center for Human Genetics, has supplied the department with excellent services in the past. Trustees of Boston University, Center for Human Genetics, has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$45,000; 1985 — \$35,000; 1984 — \$35,000.

Therefore, because of the special nature of these services, because the vendor, being associated with the Medical School, is on-site and offers a fast turnaround time and convenience for consultations with the Boston City Hospital medical staff, and as the cost, in my opinion, is reasonable, no benefit

would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by and through the Arthritis and Connective Tissue Disease Section of the Boston University School of Medicine, for the period July 1, 1986, through June 30, 1987 at a cost not to exceed \$40,280.

Under this contract, the Arthritis and Connective Tissue Disease Section will conduct all of the rheumatology diagnostic testing services for patients at Boston City Hospital. The expense the hospital would incur by sending the specimens to an outside professional laboratory to be performed on a charge-per-test basis would exceed the flat fee cost which the above vendor is charging to perform all of the rheumatology tests required by the hospital.

The Arthritis and Connective Tissue Disease Section of the Boston University School of Medicine has provided the department with excellent services in the past. They have been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$40,280; 1985 — \$38,000; 1984 — \$38,000.

Therefore, because the Arthritis and Connective Tissue Disease Section is particularly qualified to perform the needed tests and also because the cost is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Matthew A. Derow, Boston University Medical Center, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$12,500.

Under this contract, Dr. Derow will conduct Ova and Parasite Tests at a cost of \$20 per test. The quantity of tests will vary month to month, but it is expected that approximately 700 to 800 tests will be performed during the fiscal year. These tests provide an accurate method for the detection and identification of ova and parasites in the stool.

Dr. Derow has performed an excellent quality service in the past and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$6,000; 1985 — \$5,000; 1984 — \$4,000.

This service is unique in that the tests are performed at the Boston City Hospital Gastrointestinal Laboratory by a qualified physician, thereby eliminating the need for training and hiring a part-time technician and the expense associated with the mandatory, periodic physician input when interpreting results, which would substantially increase the cost now expended for these tests.

Therefore, inasmuch as this contract is of a highly specialized nature and since Dr. Derow is eminently suited to perform the required tests, at a

reasonable cost to the city, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Various Consultant Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, Psychiatry Section, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$20,800.

Under this contract, the Psychiatry Section will provide consultant services in Psychiatry at Long Island Hospital. On-site consultative sessions are to be provided at least once a week with the total consultative time not to exceed eight hours per week. The frequency and length of each session are to be determined by the Medical Director. Reimbursement will be at the rate of \$50 per hour to be paid monthly on a service-rendered basis. The vendor will also provide telephone availability for problems relating to psychiatric aspects of patient care. In addition, the vendor must provide coverage for absences, including vacation.

The Trustees of Boston University have provided excellent services in Psychiatry for many years. Unadvertised contracts have been awarded for the last three fiscal years in the following amounts: 1986 — \$20,800; 1985 — \$10,400; 1984 — \$11,656.

Because of the special fitness of the Psychiatry Section to provide these services, as the Psychiatry Section has provided excellent services in the past, because of the professional nature of the services, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$60,000.

Under this contract, Dr. Alfred I. Tauber will serve as director of Clinical Laboratories, acting as a consultant for all laboratory issues. Dr. Tauber will provide medical expertise and guidance to the labs and interact with the Medical, Surgical and Ancillary staff through the hospital. He will also set policy and conduct associated duties with the Department of Laboratory Medicine.

The Trustees of Boston University have provided the department with a director of Clinical Laboratories for the last three fiscal years as follows: 1986 — \$60,000; (Dr. Tauber); 1985 — \$60,000; (Dr. Tauber); 1984 — \$30,000; (Dr. Tauber — January through June, 1984). Prior to this the department

had contracted with Dr. Bernard Statland as a consultant for the Clinical Laboratory. The cost for Dr. Statland's contract in fiscal year 1984 was \$12,000. (July through December, 1983).

Because of the professional nature of the services to be provided and the importance of remaining in full compliance with the requirements of the Joint Commission on Accreditation of Hospitals, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Robert P. Moritz, 1070 Washington Street, Canton, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$2,990.

Under this contract, Dr. Moritz will provide consultant services in Optometry at Long Island Hospital once every other week or as determined by the Medical Director and/or Administrative Director. Each three-hour, on-site consultation session will be reimbursed at the rate of \$115 per session.

Dr. Moritz has provided the department with excellent services in the past. Dr. Moritz has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$2,990; 1985 — \$2,600; 1984 — \$2,600.

Because of the personal and professional nature of the service to be provided, and because Dr. Moritz is well qualified by training and experience to provide these services, at a price I deem to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Barry Make, M.D., Waban, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$22,000.

Under this contract, Dr. Make will provide consultant services in Pulmonary Medicine and Respiratory Therapy for the patients at Mattapan and Long Island Hospitals. Dr. Make will serve as the Clinical Director for the Respiratory Therapy Division. This will include developing and reviewing policies and procedures for the Respiratory Therapy Division, evaluation and in-service training for the staff, ongoing review of patient care, participation in Quality Assurance Programs, and monitoring of compliance of the Respiratory Therapy Department with regulatory agencies. Telephone availability for problems relating to Pulmonary Medicine will be provided. On-site consultative sessions will be scheduled in advance on a weekly basis. At Mattapan Hospital Dr. Make will provide two four-hour sessions per week. At Long Island Hospital the on-site sessions will be two hours in length, not to exceed twelve sessions per year, the frequency of which will be determined by the Medical Director. Reimbursement will be at the rate of \$50 per hour to be paid monthly on a services rendered basis.

Dr. Make has provided the department with excellent services in the past. He has been awarded

advertised contracts for the past three years for consultant services in Pulmonary Medicine in the following amounts: 1986 — \$12,800; 1985 — \$9,200; 1984 — \$6,500 (Long Island Hospital only). As Dr. Make is specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Janet Carolyn Zavarine, M.D., Newton, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$16,600.

Under this contract, Dr. Zavarine will provide on-site consultation services in Psychiatry at Mattapan Hospital. The on-site consultative sessions are to total at most six hours per week, with an anticipated average of five hours a week, to be reimbursed at the rate of \$50 per hour. Telephone availability for problems and questions regarding the psychiatric aspect of patient care is to be reimbursed at a flat rate of \$1,000 per year. In the event of inability to provide services, alternate arrangements must be made by Dr. Zavarine, including any vacation time. Reimbursement is to be paid monthly on a services-rendered basis.

An unadvertised contract was awarded to Dr. Zavarine for fiscal year 1986 in the amount of \$14,000. Prior to this unadvertised contract were awarded to Dr. Brian Szetela as follows: 1985 — \$10,000; 1984 — \$8,200 (September 20, 1983, through June 30, 1984). Dr. Szetela left Mattapan Hospital voluntarily.

As Dr. Zavarine is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Repairs and Maintenance Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to extend for one year, the city's contract with First Medical Inc., 1032 Commonwealth Avenue, to repair, clean, maintain and/or refurbish litters and wheelchairs at Boston City Hospital for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,476.

Under this contract, the city has the option to renew this contract through June 30, 1987, at the same terms or terms more favorable to the city.

Therefore, inasmuch as the contract is being extended on the same basis and same price, and First Medical Inc., who was awarded the original contract pursuant to public bidding, has provided excellent service and as the price is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to ATL Ultrasound, Washington, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$8,120.

Under this contract, ATL Ultrasound will provide maintenance service, parts and labor for two Mark 100 Ultrasound units between the hours of 8 a.m. and 5 p.m. Monday through Friday, except holidays.

ATL Ultrasound has provided quality maintenance service for the two Mark 100 Units since fiscal year 1983. ATL Ultrasound has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$8,410; 1985 — \$8,115; 1984 — \$6,606.66.

Inasmuch as ATL Ultrasound is the sole manufacturer of these units and has specially trained personnel to quickly diagnose and repair the equipment without disruption to patient care, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to AMSCO Service Company, Division of American Sterilizer Company, Wellesley Hills, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,000.

Under this contract, AMSCO Service Company will provide preventive maintenance inspections and repairs, bimonthly inspections with callback service between inspections on the following equipment: two AMSCO Hyvac steam sterilizer (recessed); one AMSCO cabinet enclosed washer/sterilizer; and nine loading carts and transport carriers.

AMSCO Service Company had done business with Boston City Hospital for many years, servicing the hospital's sterilizer equipment, as needed, under the multi-vendor contract of the Physical Facilities Department. Fiscal 1986 was the first year that a preventive maintenance contract for the above equipment was in effect in the amount of \$3,033.

Therefore, because AMSCO Service Company is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the letter of award until June 30, 1986. The Contract Office was then required to obtain all the additional necessary documents from the vendor.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Rainin Instrument Company, Inc., Woburn, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$2,300.

Under this contract, Rainin Instrument Company, Inc. will provide preventive maintenance and emergency service for the Radiometer ABL-30 Blood Gas Instrument, located in the Respiratory Therapy Department at Mattapan Hospital. This contract includes two preventive maintenance calls, any and all emergency service, travel and labor during normal working hours, and all replacement parts with the exception of glass parts, electrodes, or damage due to spillage.

Rainin Instrument Company, Inc. has provided excellent service in the past. Fiscal year 1987 will be the first year that a contract will be in effect, as prior to this the costs have been under \$2,000, thus a contract was not warranted.

As Rainin Instrument Company, Inc. is the only authorized vendor in this region to maintain and supply parts for radiometer equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Trees, Limbs, Trunks, and Stumps on an
Emergency Basis.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the law and in accordance with the terms and provisions of the contract document entitled: "Removal and Disposal of Trees, Limbs, Trunks and Stumps on an Emergency Basis."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide crew to remove in the entirety, dead and diseased trees, limbs, trunks, and stumps at various locations within the City of Boston and to properly transport and legally dispose. Estimated cost, \$120,000. BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, July 7, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 22, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participa-

pation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 30, 1987, at 10 a.m., Boston time.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 30, 1987, at 10 a.m., Boston time.

NO. 26

JULY 4th — INDEPENDENCE DAY

The City of Boston celebrates the 211th Anniversary of the Declaration of Independence in Boston with the annual parade and ceremonies commemorating our Nation's Birthday.

The parade officially starts with flag raising by Mayor Raymond L. Flynn at City Hall in Government Center at 10 a.m. The parade continues down Tremont Street to the Old Granary Burial Ground where wreaths are laid at the graves of the signers of the Declaration of Independence, Samuel Adams, John Hancock, Robert Treat Paine and John Faneuil.

The parade continues down Bromfield Street to Washington Street where it forms underneath the balcony of the Old State House. An official of the Ancient and Honorable Artillery Co. will read the Declaration of Independence just as it was read by a member of the Ancients in 1776. Patriotic music will be sung by Earnest Triplett and the John Faneuil Military Band.

The parade reforms and proceeds down Congress Street and into historical Faneuil Hall where traditional exercises and music will be held. Professor Allen Weinstein, Boston University President of Center for Democracy, will deliver the Annual Oration.

Let us always be grateful
to the Lord and
our beloved country
for our Independence.

Declaration of Independence

IN CONGRESS, JULY 4, 1776

THE UNANIMOUS DECLARATION OF THE THIRTEEN UNITED STATES OF AMERICA,

WHEN in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.—We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.—He has refused his Assent to Laws, the most wholesome and necessary for the public

good.—He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.—He has refused to pass other Laws for the accommodation of large districts of people, unless these people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.—He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.—He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.—He has refused for a long time, after such dissolutions, to cause others to be elected: whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.—He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.—He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.—He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.—He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.—He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.—He has affected to render the Military independent of and superior to the Civil power.—He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:—For quartering large bodies of armed

Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. Nor have We been wanting in attentions to our Brittish brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

WE, THEREFORE, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be FREE AND INDEPENDENT STATES: that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do.—And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

NOTICE TO CONTRACTORS

**Invitation for Bids for Installation of Game Court
Floodlighting System at Columbus Park,
South Boston, Mass.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project set out below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids on this project are subject to all applicable provisions of the law and in accordance with the terms and provisions of the contract document entitled: "Installation of Game Court Floodlighting System at Columbus Park, South Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install floodlight poles, luminaires, wiring and electrical equipment. Estimated cost, \$20,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, July 7, 1987, and opened forthwith and read aloud. One bid shall be opened with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available for about Monday, June 22, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for cash set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. **BIDDERS** are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of a City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, a term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of a "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of a bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and

the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 30, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. R8CN10, NEW COMMUTER RAIL STATION, South Attleboro, Massachusetts, (Class 1 — General Transit Construction, Project Value 26.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.), on August 5, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of the construction of a pedestrian overpass link between the parking lots and the railroad platforms, new bituminous concrete parking lots, new railroad platforms, lighting, signage, guard rail, and miscellaneous site work to make way for new construction.

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office "Requests for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after June 18, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges is refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program, in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 2 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Rocco Mancini, 10 Park Plaza, Boston, MA 02116, Tel. (617) 722-5024. A prebid conference will be held on July 21, 1987, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, or a certified, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

NOTICE TO CONTRACTORS

**Invitation for Bids for Removal and Disposal of
Trees, Limbs, Trunks, and Stumps on an
Emergency Basis.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of the law and in accordance with the terms and provisions of the contract document entitled: "Removal and Disposal of Trees, Limbs, Trunks and Stumps on an Emergency Basis."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to remove in the entirety, dead and diseased trees, limbs, trunks, and stumps at various locations within the City of Boston and to properly transport and legally dispose. Estimated cost, \$120,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, July 7, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 22, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participa-

pation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, June 30, 1987, at 10 a.m., Boston time.

PUBLIC WORKS DEPARTMENT

Proposal for Repairs to Sidewalks in Area III.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 29, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 16, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on July 8, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on July 8, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. S5CN07, PARK STREET STATION KIOSKS AND STAIRWELLS, Boston, Massachusetts (Class 7, Buildings, Project Value 16.10), will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.), on July 16, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work consists of renovation and remodeling of Park Street Station, including demolition of existing stair, escalator and elevator kiosks; construction of new kiosks; and replacement of escalator and existing sidewalk pavements with new granite pavers.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after June 22, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program, in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. James McGowan, MBTA Construction Site/Trailer Site No. 2, 275 Dorchester Avenue, Boston, MA 02127 (617) 722-5656. A prebid conference will be held on July 2, 1987, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid in the form of a bid bond, cash, or a certified, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority. MASSACHUSETTS BAY TRANSPORTATION AUTHORITY,

PUBLIC WORKS DEPARTMENT

Proposal for Repairs to Sidewalks in Area I.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, June 29, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 16, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

DL. 79

MONDAY, JULY 6, 1987

NO. 27

MAYOR FLYNN REAPPOINTS COMMISSIONER ROACHE

We reflect on Boston's recent history and celebrate two important beginnings. When we talk about the past six years of Boston Police Department history, and when we focus in on the past two years, we find there is no better place to have the discussion than in East Boston.

You know, earlier in this decade, as you were out on the streets night after night struggling to save this station, there was another man struggling for adequate policing. He was only a lieutenant then, and he had no control over where and where to cut the budget — but he was still your ally. He was out on the street every night, in neighborhoods across the city, working to prevent the kinds of crimes that were ripping this city apart from the inside out.

Six years ago, as all of you were fighting for protection here, Lieutenant Mickey Roache was putting in long days in the parks and on the street corners, driving home the message that there is one set of rules in this city and everyone will be held to them equally.

With very little support from the upper echelons, he built the Community Disorders Unit into a national model. He did it by working hard, day-in and day-out, by never letting down for a minute and never losing sight of his goals.

Then, two years ago, Commissioner Roache maintained that same relentless professionalism when he took over the leadership of the entire Boston Police Department. This afternoon, you see one of the most important results of the leadership Commissioner Roache has exercised and the never-say-die spirit of a dedicated group of neighborhood leaders.

From this day onward, Station 7 will stand as an enduring testimonial to a community, a commissioner, and a city administration who were willing to make any sacrifice and work as long and hard as it took to make the police work for the people of Boston.

Of course, Station 7 is not the only important public safety project we have undertaken in the recent past. We have been able to undertake them because we replaced the batteries over the budget with a balanced budget. On last June 30, Boston ended the fiscal year without a deficit

for the first time in over a decade. We will do the same thing in two days when we close the books on Fiscal Year 1987.

As a result of the balancing of the city budget, we enjoy unprecedented confidence from investors — our bond rating has been improving steadily — so we can secure the capital to carry out long-needed projects such as:

- Rehabilitating Station 7 as a full-service station;
- Building or rehabilitating neighborhood stations in Mattapan, South Boston, Jamaica Plain, Hyde Park, Charlestown, and Brighton;
- The rebuilding of personnel strength that brings the Boston Police back to the highest level since prop. 2-1/2. In the past two years alone, we have hired 326 officers. These young, aggressive officers — men and women alike — come from all backgrounds and are making the force more representative of the diverse neighborhoods they serve;
- The replacing of the existing 9-1-1 system with a state-of-the-art, new system and a computer-aided dispatch system.
- The replacing of over 75 percent of line fire fighting apparatus with new vehicles that carry the latest technology. This includes four new pieces and one totally refurbished piece for East Bos-

ton. The new pieces include a truck custom-designed for the neighborhood's narrow streets.

Clearly, in the past two years, Commissioner Roache has been a fighter and a leader in the City of Boston.

He has fought against the spread of the killer drug "crack" and other drug trafficking that threaten our children and the fabric of family and neighborhood life.

Commissioner Roache is helping us to instill higher standards of behavior and accountability. The numbers of civil rights violations continue to be driven downward, with tremendous support from the Community Disorders Unit. Where Boston saw 607 civil rights complaints in 1978, we saw 157 in 1986. Where we saw fifty repeat offenders in 1978, we saw three in 1986.

The Commissioner has streamlined the Command Staff, while at the same time, making it representative of the diversity of the city. He appointed the first woman commander in the department's history.

Under Commissioner Roache's leadership, pride, integrity, and professionalism mean something once again. As I am sure he will tell you, his dedication to integrity is the best morale booster in the world for the great majority of police officers who believe in the values of honest, fair, and tough police work.

In two years, Boston has made up a decade of ground in restoring the professionalism and the effectiveness of its Police Department. The police have returned to the neighborhoods — through the new stations and the upcoming changes in deployment strategy.

My message is this: "The Police have returned to the neighborhoods because they are led by a Commissioner who never left."

MAYOR FLYNN REOPENS EAST BOSTON POLICE STATION

Boston Mayor Raymond L. Flynn appointed Police Commissioner Francis "Mickey" Roache to a new five-year term as Police Commissioner. The Commissioner's swearing-in took place at the dedication ceremony for the reopening of the East Boston Police Station. Roache, a member of the Boston Police force for twenty years, rose from the ranks to become Police Commissioner in 1985.

The East Boston Police Station in District 7, closed in 1981 due to Proposition 2-1/2 budget cuts, prompted angry opposition by local residents. The reopening of Station 7 was one of the commitments Flynn made to East Boston residents upon becoming Mayor.

At the ceremony, during which East Boston activists were honored for their commitment to the needs of their community, Mayor Flynn said, "From this day onward, Station 7 will stand as a reminder of what can be accomplished when neighborhood residents, police, and city government work together to address the public safety needs of the community."

Commissioner Roache, at the East Boston ceremonies, promoted Lieutenant Louis Scapicchio to the rank of Captain. Designating Captain Scapicchio the commander of the East Boston Police Station, Roach said, "I'm very pleased that the East Boston community now has its full service neighborhood station. I deeply appreciate the patience this fine community has shown. I am also thankful for the community's input regarding the appointment of Captain Scapicchio as commander of this station. The effectiveness of our police work will depend upon the degree to which we, the Boston Police Department, work closely with the community we serve."

**Proposal for Providing Repair, Replacement
and New Parts for Microcomputers (Large
Equipment Base) for Boston Public
Schools.**

The School Committee of the City of Boston invites bids for providing repair, replacement and new parts for microcomputers (large equipment base) for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Providing Repair, Replacement and New Parts for Microcomputers (Large Equipment Base). Bid date: Friday, July 24, 1987." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Friday, July 24, 1987. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

POLICE DEPARTMENT

**Invitation for Proposals for Ongoing Cleaning
Services for Boston Police Department at
Area D.**

The City of Boston (the City), acting by its Police Commissioner (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Room 308, Boston Police Headquarters, 154 Berkeley Street, Boston, Mass., on or after July 8, 1987.

All proposals shall be filed no later than 12 noon, Boston time, July 22, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be full amount of the contract.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

By FRANCIS M. ROACHE,
Police Commissioner.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Furnishing and Installing Manhole and Handhole Plates and Gaskets for Boilers in Various Schools, City of Boston, District I."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, July 23, 1987, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, July 9, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Com-

monwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. P4CN02, REPLACEMENT OF TRANSFORMERS, TRACTION POWER SUBSTATIONS, RED LINE PHASE 1, QUINCY AND BOSTON, MASSACHUSETTS, (Class 5 — Electrical, Project Value 13.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on July 23, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work in this contract consists of retrofitting and/or replacing certain askarel-filled transformers located in Red Line Traction Power Substations, namely, North Quincy, Quincy Center, Tenean, Wollaston, Cabot and Columbia.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after June 28, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holders. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable best efforts to meet the stated goals of DBE Best Efforts and WBE Best Efforts.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

The Authority will conduct an inspection tour of the proposed work areas in contract, including the substation building(s) proper and any restricted areas associated with it on July 8, 1987, a day prior to the day of the pre-bid conference. The tour will commence from the entrance to the parking garage of Quincy Center Substation No. 28 at 8 a.m. Bidders are advised that they should have representation at this inspection tour as no extra visits are planned.

A prebid conference will be held on July 9, 1987, at 10 a.m., at the Office of the Project Manager, Mr. Richard F. Conley, Power System Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129 (Telephone Number (617) 722-5014). Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

The contract is subject to Federal Wage and Hour Laws and State Minimum Wage Rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

PLANS AND SPECIFICATIONS will be available on or about Thursday, July 9, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract, City Hall Square Park, in the City of Boston, Mass., until noon, Boston time, on July 30, 1987, at One City Hall Square, ninth floor, Room 910, Boston, Mass., Attention: Engineering Department, at which time all bids will be publicly opened and read. A prebid conference will be held at 11 a.m., on July 20, 1987, at One City Hall Square, ninth floor, Board Room, Boston, Mass., to discuss scheduling the work and other matters.

The work will consist of demolishing and removing pavements, structures and appurtenances; earthwork and grading; constructing new storm drainage system, sanitary sewer connection; water distribution system and irrigation system; constructing new brick and stone pavements, including curbs; installing new street lighting system and lighting system for the interior of the park; constructing new fountain, pool and underground utility, complete with equipment and decorative lighting; installing benches, trash receptacles, bollards, market tents, bus shelter, parking meter posts, street signs with posts, and pavement lines; planting trees and sodding lawn areas; adjusting location for traffic pole; and other related miscellaneous items of work.

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), non-refundable, in cash or a certified check, payable to the Boston Redevelopment Authority for each set of documents so obtained.

Contract documents will be available on or after July 6, 1987.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, or a treasurer's or cashier's check, issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in form satisfactory to the Awarding Authority; (b) from a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposits will be in the amount equal to at least 5 percent of the proposal for Site Preparation Contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws c. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 305 of the General Conditions of the contract.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, at Building 33, Charlestown Navy

Yard, Charlestown, Mass., on July 21, 1987, at 11 a.m.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Elm Hill Park, Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Elm Hill Park, Roxbury, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install asphalt, concrete, planting materials, and sod work. Estimated cost, \$25,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, July 23, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 6, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors

to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, July 14, 1987, at 10 a.m., Boston time.

Proposal for State-Aid Project No. 43 for Highway Reconstruction in Bancroft Street, Bartlett Street, Guild Street, Harleston Street, Hawthorne Street, Highland Street, Juniper Street, Kenilworth Street, Lawn Street, Oakland Street, Priesing Street, and Vale Street, in Roxbury.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, July 6, 1987. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE PROSPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, July 23, 1987, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on July 15, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

The City of Boston (the City), acting by its Commissioner of Transportation (the Official), invites sealed proposals for the performance of the work generally described above, and in the contract documents.

Every proposal shall be submitted in duplicate on, and in accordance with, the contract documents which may be obtained at the office of the Official, Commissioner of Transportation, Room 721, City Hall, Boston, on or after June 29, 1987.

All proposals shall be filed no later than 1 p.m., Boston time, July 13, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance, and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Official, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be 100 percent of bid price.

The City and the Official reserve the right to reject any or all proposals or any part or parts thereof and to award the contract as the Official deems to be in the best interests of the City.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Thomas J. Roberts Playground, Dorchester, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install tot lot, ballfields, par course, chain link fencing, asphalt, concrete, planting materials, benches, water, drainage and electrical work. Estimated cost, \$550,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, July 16, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, June 29, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and

the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, July 7, 1987, at 10 a.m., Boston time.

MAYOR LAUDS NEIGHBORHOOD DEVELOPMENT SUPPORT COLLABORATIVE

Mayor Flynn congratulates Foundations for self-help grants to local community groups.

The Neighborhood Development Support Collaborative has announced its first five-year grants to local Community Development Corporations (CDCs) to help meet the rising local demand for affordable housing. The collaborative made its announcement in ceremonies held at the site of a low-income housing project under renovation by the Codman Square Housing Development Corporation in Roxbury.

Congratulating the CDCs, Mayor Raymond L. Flynn said: "The creative work of the Collaborative in providing operating funds to CDCs adds a new dimension to the ways in which the people of Boston are working together to revitalize our neighborhoods."

The five CDCs selected in the first Collaborative funding round are: Codman Square Housing Development Corporation, Fenway Community Development Corporation, Fields Corner Community Development Corporation, Quincy-Geneva Housing Corporation, and Urban Edge Housing Corporation. Members of the Collaborative spent many hours visiting the finalists and reviewing their proposals," said Joan Diver, chair of the Collaborative and Executive Director of the Hyams Foundation. "These five CDCs combine the potential for developing a large number of new housing units in their neighborhoods with the skills and neighborhood support to get the job done."

MAYOR REPORTS ON HEALTH CARE PARTNERSHIP

the Citizens of Boston and Massachusetts:

I am pleased to present the report of the Boston Committee on Access to Health Care. This report represents the work of a unique health care partnership. It offers a powerful mandate for action, documenting both the growing problem of uninsured families and individuals, especially among low- and moderate-wage workers, and the public's willingness to support government action to address the problem.

Universal health care need not be a dream deferred in this City and this Commonwealth. Massachusetts residents and their political leaders agree: no one should be denied the right to decent health care.

I formed the Boston Committee on Access to Health Care in 1984. That same year, I announced a plan to build a new Boston City Hospital to anchor our commitment to decent health care for our citizens for generations to come.

I took these first steps to put forward a very simple health care policy. Everyone needs and deserves decent health care. The best and most cost-effective health care system reaches out to keep all our people healthy, while standing ready to treat the first sign of disease or injury swiftly and professionally.

During my administration, neighborhood health centers and Boston hospitals along with Boston City Hospital, have put this policy into effect. Governor Dukakis and the State Legislature have stood behind the effort, legislating the tools necessary to do this work.

Two years ago, our first report moved us into action. We established the Mayor's Health Line, helping over 3,600 citizens in its first year to find the way to decent health care. It serves both as a link between callers and available health care options, and as a vital source of data. The data collected is an important resource for the planning of long-range solutions to the problems of the uninsured.

We also formed the Prenatal Access Group to reach out aggressively with

health care for pregnant women, complementing the City's Healthy Baby Program. The Prenatal Access Group joined together the five maternity hospitals in Boston and representative neighborhood health centers to address financial barriers to early and continual care, in particular through helping implement and strengthen the Commonwealth's Healthy Start Program.

This second report from the committee is a sobering call to debate and action. The number of uninsured workers in our City and our Commonwealth is on the rise. This swells the ranks of those who must seek free care from our neighborhood health centers and hospitals.

We can be proud of the Mayor's Health Line and initiatives to reduce infant mortality as well as of financial support for Boston City Hospital with its over 45 percent free-care rate. We continue to innovate with preventive action such as our first in the nation leaded-soil removal program, in partnership with Senator Edward Kennedy and the regional office of the Environmental Protection Agency, and compassionate programming to cope with the tragedy of AIDS. But we can also see these efforts overwhelmed by changing trends in the economy regarding health care for low- and moderate-wage workers.

Over 90,000 individuals in Boston are uninsured, 15 percent of our population. This includes 23,000 children. A full 64 percent of the uninsured adults are employed, a shocking departure from the commitment of most employers to the health of their employees and the economic advantages of group health care coverage.

In publishing this report, the Boston Committee on Access to Health Care is pursuing one of its most important goals — raising the awareness level around access to health care issues.

(Continued on next page)

Report on Health Care . . .

(Continued from front page)

This is a report from the front lines of the campaign to guarantee every citizen the right to decent health care. The financial support of the Boston Foundation and the Conference of Boston Teaching Hospitals as well as others has been essential to this effort.

We have picked the health care safety net up off the ground. Now we must secure it as best we can. Let the word go out. The time for action is now.

BOSOX BAYLOR BATS FOR THE UNITED WAY

Boston Red Sox slugger Don Baylor, corporate sponsors, and the United Way are teaming up to help people in need in our community.

Through the new Home Run Match Program, corporate sponsors will match each homer from Baylor's bat with a \$100 contribution to the United Way.

Baylor is the area's "designated hitter" in what has become a national program — twenty-five of the twenty-six major league teams are participating with local United Ways throughout the country. Last year, thirty-two Philadelphia-area corporations matched Phillies slugger Mike Schmidt's thirty-seven home runs to raise \$123,400.

Early local sponsors of the program include Boston Edison Co., Salomon Brothers, Inc., Sears Roebuck & Co., Loomis, Sayles & Co., Merrill Lynch, Raytheon Co., *The Boston Herald*, Deloitte Haskins & Sells, The MITRE Corp., Liberty Mutual Insurance Co., and Stone & Webster Engineering Corp.

Local funds raised through the program will go to support United Way agencies to meet rising health and human service needs — hunger and homelessness, child abuse, teen pregnancy, drug and alcohol abuse, home health care, and much more. The United Way serves 1.7 million people in eighty-one communities throughout eastern Massachusetts.

Acquired from the New York Yankees just before the 1986 season, designated hitter Don Edward Baylor helped lead the Red Sox to the American League Championship and the World Series.

An acknowledged team leader on and off the field, Baylor led the hard-hitting Bosox with thirty-one home runs in last year's pennant-winning season. He has hit twenty homers or more for five straight years and nine times in his career. In 1986, he was voted the American League's top designated hitter for the second straight year.

Baylor is a fifteen-year veteran of the major leagues and has played with Baltimore, Oakland, California, and the New York Yankees.

He opened the 1987 season with 315 career home runs.

Organizations interested in supporting the Home Run Match Program should contact Theresa Paulin at the United Way of Massachusetts Bay, Two Liberty Square, Boston, MA 02109, or call 482-8370, ext. 260. Pledges are payable at the end of the Boston Red Sox Baseball season and are in addition to corporate gifts.

II. COMMENDATION

The Fire Commissioner is pleased to commend Chief of Operations White, Deputy Fire Chief Callaghan and all members who responded to an alarm worked at Box 3412, nine alarms, on June 26, 1987. The prompt, effective and heroic actions of the members of the department resulted in the saving of many lives, many homes and prevented the distinct possibility of a conflagration.

To have an aircraft crash and explode in a high congested area of multi-storied residences and successfully evacuate all the occupants and confine the major fire spread to the three buildings initially involved and the numerous vehicles lining the street, is probably unprecedented in fire fighting operations anywhere and all members of the operating force should be proud of this unique accomplishment.

III. HIGH COMMENDATION

On May 6, 1987, at approximately 1110 hours Fire Fighters (Inspectors) Robert J. Watson and Paul Hicks of the Fire Prevention Division, while on assignment in District Five, observed smoke issuing from several windows on the top floor of a four story, brick apartment building at 101 Dale Street and reported same to Fire Alarm via radio. Both members immediately entered the building and began a floor-by-floor search for occupants. Fire Fighter (Inspector) Watson, upon ascending the front stairs to the top floor, encountered a heavy smoke condition while hearing cries of distress from within an apartment. He entered this apartment which was fully charged with heat and smoke and located a woman in a semiconscious condition. He carried the woman down the front stairs and outside to the street where he and Fire Fighter (Inspector) Hicks performed first aid to the victim until arrival of the ambulance.

Because Fire Fighter (Inspector) Robert J. Watson, Fire Prevention Division, performed this rescue under difficult conditions, without the use of protective clothing and respiratory equipment, and at great personal risk, the Fire Commissioner is pleased to highly commend him and refers his case to the Board of Merit for further consideration.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

COURT HOUSE COMMISSION

May 20, 1987.

Robert W. Consalvo,
Director, Personnel Management
Dear Mr. Consalvo:

Effective August 15, 1986, the Court House Commission promoted Mr. George E. Nigro to the position of Supervisor of Custodial Workers, Grade R13-4. Mr. Nigro has evidenced prior credible service which is hereby submitted for consideration under the provisions of Rule 15F of the Suffolk County Compensation Plan, as amended.

Prior to this promotion, Mr. Nigro functioned as a Principal Custodial Worker (effective November 7, 1984) responsible for the supervision of custodial services at the Court House. He also has some twenty-three years experience as manufacturing supervisor in private industry.

In view of Mr. Nigro's prior credible experience and qualification, it is requested that his fifth- and sixth-year increments of Grade 13 be determined.

under the provisions of Rule 15F of the County Compensation Plan, as amended.

The effective date of this action is August 15, 1986.

Sincerely,

HENRY L. BARR,
Commissioner.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Elm Hill Park, Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Elm Hill Park, Roxbury, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install asphalt, concrete, planting materials, and sod work. Estimated cost, \$25,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, July 23, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 6, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors

to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, July 14, 1987, at 10 a.m., Boston time.

Immediately thereafter, in a designated room, the bids will be opened and read publicly.

This work consists of demolition of the old Forest Hills Station, Control Tower H (including the remainder of the Maintenance Shop and Trainee's Lobby), and a portion of the Orange Line Elevated Structure; Traffic Management; Signing; Preparation; Excavation; Construction of Hyde Park Avenue Busway and Parking Lot; Installation of Drainage and Erosion Control Systems; Relocation of Utilities; Relocation of Green Line Key Tracks; Bridge Deck Resurfacing; Roadway Lighting; Construction of Brick and Concrete Walks; Construction Work necessary to complete New Station, including Glazed Curtain Walls, Lights and Canopies, Stainless Steel Roofing; Foundations; Columns; Platform Furnishings; Grading; Loaming, Seeding, Planting, Furnishings and other Site Improvements; Traffic Signals; and Street Lighting.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the United States Department of Transportation. Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority prior to the (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after July 6, 1987, Monday through Friday, at a charge of \$100 per set. Full-size drawings may be requested for convenience purposes only, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements dated November, 1983, as amended, is available from the Contract Administration Office at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, are available from the Contract Administration Office at a charge of \$15 per copy. Other Geotechnical Data Reports and the Geotechnical Interpretative Report for Section III may be purchased at a charge of \$30 per volume. Bidding documents will be mailed by parcel post on request and receipt of an additional fee of fifteen dollars, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) provision, each bidder must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 15 percent and WBE 2 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of Mr. Robert D. MacKay, Senior Project Manager, Telephone Number (617) 722-3498. A prebid conference will be held on July 22, 1987, at 10 a.m. at the MBTA Regional Construction Office, 500 Arborway, Jamaica Plain, MA 02130. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

The contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

DL. 79

MONDAY, JULY 20, 1987

NO. 29

MAYOR FLYNN'S ADDRESS TO LEAGUE OF CITIES STEERING COMMITTEE

I would like to welcome the National League of Cities' Community and Economic Development Steering Committee to Boston. The NLC is always in the forefront of issues facing the cities of America. Yesterday, in fact, I had the opportunity to represent our nation's cities at the signing of the "Stewart McKinney Homeless Assistance Bill." This bill is an important first step to storing the necessary partnership between the federal government and our cities.

On behalf of the people of Boston, let me thank the NLC for ranking Boston among the top cities in the country in both innovative and successful economic development. We have worked hard in Boston to set a positive climate for development — by putting our fiscal house in order, by setting clear guidelines for development in this city, and through the creative use of public and public subsidies to achieve public goals.

We have worked very hard to establish this positive development climate. Now, we are in a position where we are able to ask developers to give something back to the people of Boston — and they have responded. With private sector support, we have been able to enact a successful linkage program which provides funds for affordable housing and job training programs. Further, we have enlisted many commercial developers in our "Boston for Boston" program, through which we will gain and place Boston residents in the downtown jobs, which for many years, were largely inaccessible to our people. We are seeing encouraging trends for city residents — since January of 1984, surveys have shown that of the 39,000 new jobs created in our city, 42 percent are held by Boston residents, a turnaround of a consistent downward percentage after World War II.

One thing that I must emphasize is that in order to get to the point of being able to engage the private sector in the types of innovative public-private partnerships we have today, we needed the help of the federal and state governments.

Without the help of Urban Development Action Grants, we would not have dozens of businesses flourish-

ing at the Boston Marine Industrial Park or the Charlestown Navy Yard. Without the assistance of the Economic Development Administration, the old Haffenreffer brewery in our Jamaica Plain neighborhood would still be an abandoned blight in that community, instead of a job-producing resource for local residents. Without the Job Training Partnership Act, we wouldn't have the means to train Boston people for the growing number of jobs in the Boston economy.

The bottom line to successful economic development is that we have three types of working partnerships:

- 1) We need a strong partnership with federal and state government to provide development incentives, to educate and train people for good jobs and to help locate new and growing businesses in urban areas.
- 2) We need strong, public-private partnerships to enlist the business community in the philosophy that they can indeed do well by doing good in their communities; and
- 3) We need a partnership among local officials from all around the country to set a new urban agenda for our country. We have lost billions of dollars of

investment in housing, in job training and in economic development during the 1980s. It is time for us to work together to make urban issues an important part of the 1988 presidential campaign and to set a bold and innovative course for the future of our cities which can be adopted as an important part of the next national administration.

We also need renewed federal commitment to low- and moderate-income housing. Since 1981, the federal government has reduced housing assistance by about 75 percent, from \$33 billion to under \$8 billion today. Combined with the changes in federal tax law for rental housing production, we have a national housing crisis that must be addressed with a new creative approach by the federal government. To that end, I have proposed a National Housing Partnership Program to bring together government, community organizations, labor unions, churches and banks to create the homeownership and rental opportunities that are so urgently needed today.

Again, I want to thank the NLC's survey participants for expressing their praise of Boston. During the next two days, the NLC members will have the opportunity to hear from some of our best people in the area of community and economic development — people like Steve Coyle of the BRA and Amy Anthony, Secretary of Communities and Development for Governor Dukakis. We look forward to discussing these important issues with you and showing you some of our successful projects over the next two days.

NATIONAL LEAGUE OF CITIES CITES BOSTON

Seven U.S. cities compiled top ratings for the "most innovative" and "most successful" efforts in local economic development during the past five years, in an opinion survey of urban development professionals done by the National League of Cities. The cities are Baltimore, San Antonio, Boston, Indianapolis, Atlanta, Minneapolis and St. Paul.

In earning acclaim for their results, the cities got consistently high marks for political leadership, public-private partnerships, downtown development and community consciousness in the responses that came in from development officials in 320 cities and towns covered by the survey.

The findings were presented at a meeting in Boston of NLC's Community and Economic Development Policy Committee. Council President Ruth Scott of Rochester, N.Y., the committee chair, said each of the cities found ways to capitalize on local resources and ways to attract talented and energetic people to help develop and carry out the communities' plans.

"What we have found out from these cities is that there are no magic formulas or quick fixes to bring about successful economic development, nor do their achievements mean that the job is over for them," said Scott. "The positive results thus far serve as an inspiration and a reference point for much of the work that has yet to be done."

Scott noted that the special recognition of the seven cities, as leaders in economic development, does not diminish the efforts and accomplishments of numerous other cities and towns throughout the nation. She also said the policy committee will make recommendations this year on federal and state actions that can help or hinder local development efforts.

The evaluations presented at the Boston meeting are part of a larger NLC report being prepared by Dr. Ann O'M. Bowman of the University of South Carolina, as part of a year-long project under a fellowship sponsored by NLC and the Lincoln Institute of Land Policy. The Lincoln Institute is an educational and public policy organization based in Cambridge, Mass.

The survey group was asked to name five cities that have been the most inno-

vative and five that have been the most successful in promoting economic development.

The five rated most innovative were Baltimore, San Antonio, Boston, St. Paul, and Minneapolis and Indianapolis in a tie.

Rated most successful were Baltimore, Boston, San Antonio, Atlanta, and Indianapolis.

In identifying the factors contributing to the success of the seven cities, respondents cited the political leadership role of the mayor, in particular, in setting goals and building a long-term public commitment to economic development.

Public-private partnerships, another common characteristic, were often described in terms of putting aside political conflicts and chipping away at barriers that hinder cooperative efforts by the public sector and private enterprise.

Aggressive downtown development efforts were prominently mentioned as attributes of all the top-ranked cities, and it was usually noted that the efforts reversed many years of downtown decline in the community.

The concept of community consciousness appeared in several forms, including neighborhood revitalization, community-based, economic development projects and active citizen in-

volvement in the local development process.

While the seven top-ranked cities scored noticeably higher than other communities in survey response, many other cities received frequent mention. A listing of cities receiving top or more votes in either category is presented below.

Most Innovative: Baltimore, 68; San Antonio, 51; Boston, 46; St. Paul, 24; Indianapolis, 23; Minneapolis, 23; Atlanta, 16; Austin, 15; Dallas, 14; Portland, Oregon, 14; St. Louis, 14; Pittsburgh, 12; San Diego, 12; San Francisco, 12; Seattle, 12; Charlotte, 11; Chicago, 10; Los Angeles, 10; Philadelphia, 10; Santa Ana, 10.

Most Successful: Baltimore, 59; Boston, 52; San Antonio, 48; Atlanta, 28; Indianapolis, 27; Minneapolis, 21; Pittsburgh, 18; San Diego, 18; Austin, 18; St. Paul, 14; Charlotte, 13; Dallas, 13; Phoenix, 13; Orlando, 13; San Francisco, 11; Santa Ana, 11; Tampa, 10; Long Beach, 10; St. Louis, 10; Seattle, 10.

The complete NLC report on cities and economic development is scheduled for publication in late August or early September.

Sincerely,

ROBERT C. RUFO,
Sheriff of Suffolk County.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

HEALTH AND HOSPITALS DEPARTMENT

Parasite Tests, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Dr. Matthew A. Derow, Boston University Medical Center, Room 504, 80 East Concord Street, Boston, MA 02118, for the period July 1, 1985, through June 30, 1986, at a cost not to exceed \$6,000.

This amendment will increase the contract sum by \$2,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$8,000.

Under this contract, Dr. Derow will perform Ova and Parasite Tests for Boston City Hospital patients. This amendment is necessary because of the unanticipated increase in the volume of testing required.

In view of the above, because of the special nature of these services, and because the cost is reasonable, I recommend approval of this amendment.

These expenses were incurred in the last quarter of the Fiscal Year. The Contract Office gave priority over amendments to 1987 contracts, therefore this award is being submitted late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Renovations of Suffolk County Courthouse Building Roofs, Project No. 4018, C. 149 Projects.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Renovations of Suffolk County Courthouse Building Roofs."

SCOPE OF WORK includes complete renovations and repairs of both Suffolk County Courthouse Building Roofs, Pemberton Square, Boston, Mass.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on August 12, 1987, at which time and place respective bids will be opened forthwith and read aloud.

Prospective bidders are hereby notified that a prebid meeting will be held on Friday, July 31, 1987, at 10 a.m., at the Suffolk County Courthouse, Room 359.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about July 20, 1987, at the Public Facilities Department, to all interested parties who present \$25 certified check payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and material payment bond of a surety company qualified to do business under the laws of the Commonwealth are satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

LISA G. CHAPNICK,
Director.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Improvements at Francis
Parkman Playground and South Street Mall,
Jamaica Plain.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements at Francis Parkman Playground and South Street Mall, Jamaica Plain."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install asphalt, concrete, planting materials, tot lot, and baseball diamonds and sod work. Estimated cost, \$280,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, August 6, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 20, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, July 28, 1987, at 10 a.m., Boston time.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE G. BOLLING
PRESIDENT, CITY COUNCIL

L. 79

MONDAY, JULY 27, 1987

NO. 30

MAYOR FLYNN'S STATEMENT ON WASTE DISPOSAL CRISIS

Boston, along with cities and towns throughout Massachusetts, faces a crisis and a difficult challenge — how do we dispose of hundreds of thousands of tons of trash and rubbish in a manner which protects the environment without bankrupting the taxpayer? For nearly four years, we have been working hard in Boston to craft and to implement a plan which addresses this challenge. During this time, we have watched our solid waste costs go through the roof, as disposal prices have doubled and tripled with no relief in sight.

Meanwhile, the State has sat by and done virtually nothing constructive to assist cities and towns as they cope with this crisis. No policy has been adopted — only a series of negative decisions, which have merely served to intensify and to deepen the problems we face.

This most-recent action by the State Senate — coming at the eleventh hour, in the middle of the night and without warning — is just the final straw.

Yes, the State can certainly block our efforts to secure a solution and apparently that's what they intend to do.

State government and Senate President Bulger can stop a waste-to-energy plant at South Bay — they will get a lot of political cheers and support for that action. But now it's up to them to answer the following questions and to solve the following problems:

- Where exactly is 750 tons of residential trash a day supposed to go?
- Where does the City of Boston find hundreds of millions of dollars to cover the cost that the State is forcing us to bear?
- Why should the people of South Boston, Roxbury, the South End and Dorchester have to watch and wait as \$40 million of promised and badly needed job development funds are held hostage by the State Senate?
- What do we make of the priorities of a state government which spends time killing solutions while delaying action on county correction cost apportionment, pension reform, solid waste legislation and other matters which could help rather than hurt cities and towns in Massachusetts.

I don't mind taking anyone on when I believe it is in the best interest of the people of Boston. This is not a feud between Senate President Bulger and myself, although the lateness of Senate action is quite frankly bizarre and unprofessional. Siting policy is not easy to make — maybe that is why it is ducked for such a long time. These are no-win issues. But we cannot ignore the reality of what we do with our solid waste. Now, it is up to State government to face this reality and to secure a genuine solution.

ROSE KENNEDY ROSE GARDEN PARK OPENS

Mayor Raymond L. Flynn, on July 20, formally opened the City of Boston's newest park, the Rose Fitzgerald Kennedy Rose Garden, located on Boston's historic waterfront.

Mayor Flynn said, "Rose Kennedy's garden sits on a piece of land originally slated for private development, but it is now a place where future generations of

Bostonians — both young and old — will come to take a break from city life and be among many different types of roses, flowers and trees here at the water's edge. As Mayor of Boston, I am proud to officially open this Rose Garden and I am prouder still to preside over a city which has produced such truly outstanding Americans as the woman to whom this park is dedicated."

Rose Fitzgerald Kennedy's ninety-seventh birthday was on July 22, 1987.

The garden honors Rose Fitzgerald Kennedy and all Gold Star Mothers for their sacrifices and contributions to this country.

Senator Edward M. Kennedy said, "My mother Rose was born in the North End, a short distance from this Rose Garden, and she is especially proud that her beloved City of Boston has chosen to honor her in this way." He further noted that "parents will be able to bring their children to enjoy this place, where every rose symbolizes my mother's love of family."

The Rose Fitzgerald Kennedy Garden is part of the redevelopment efforts by the Boston Redevelopment Authority under the Harborpark Initiatives, to open access to Boston's waterfront.

Stephen Coyle, director of the Boston Redevelopment Authority, said, "This garden is a prime example of the underlying premise that Boston's waterfront should be comprised of a variety of uses, to be publicly accessible and inviting. In shaping the future of the waterfront, we want a diversity of uses, from the Courageous Sailing Center in Charlestown, where young people are learning to sail, to public open spaces such as this garden. The waterfront is many things to many people and I am particularly pleased that with this Rose Garden, Mrs. Kennedy and her family can be honored for their contributions to the City of Boston and this country."

The Rose Garden is a garden-within-a-park setting and is located on Atlantic Avenue, adjacent to Waterfront Park near Long Wharf. The one-acre garden was built by the BRA at a cost of \$700,000. The garden contains a wide variety of roses, including John F. Kennedy roses. A circular granite fountain is at the center, with radiating allees lined with Aristocrat Gallery Pear trees.

The garden will be maintained by the Boston Redevelopment Authority.

UNITY AGAINST CRIME DAY ANNOUNCED

On Sunday, July 12, at Muhammad's Temple of Islam No. 11, Police Commissioner Francis M. Roache, Minister Don Muhammad, and other members of the Roxbury, Dorchester, and Mattapan religious community announced the formation of a working relationship between Area B police and members of the various religious denominations in those districts. The thrust of this group, the first of its kind in the country, will be to speak out loudly, consistently, and constantly against crime.

They also announced plans for a "Unity Against Crime/Family Gospel Extravaganza" Day which will be held on Saturday, August 15, at Franklin Park from 11 a.m. to 5 p.m. In connection with the Family Day, an oratorical contest will be held on August 8 at the Berea Seventh Day Adventist Church at 6 p.m. The winner of the oratorical contest, open to youths between the ages of twelve and eighteen years, will read his or her speech at the Festival. The subject of the speech will be "What I Say about Crime, Drugs and Guns."

As part of the festival on the fifteenth, there will be several featured artists, public officials, ministers from all denominations and other special guests to be announced later. In addition, there will be information booths set up to inform the community on a variety of concerns, including Crime Watches, AIDS, Health Services, Child Services, and drug and alcohol information.

Community groups wishing to have a booth, or choirs wishing to register to sing, should contact the Community Service Office at Area B, 247-4270 or 247-4278, or Rev. T. L. Seals at the Black Ecumenical Council, 742-1326.

"CLEANUP" OF PARKS AND PLAYGROUND

Boston Police Departments' Drug Control Unit has joined with Commissioner of Parks and Recreation, William Coughlin, in "cleaning up" parks and playgrounds in Boston.

Commissioner William B. Coughlin, has committed a great deal of money and resources to cleaning up and refurbishing twenty-three parks in the city in order that the youths and adults of the city can enjoy a wide range of activities,

including sports, arts and crafts, and cultural events.

In a spirit of cooperation with the Parks and Recreation Department, the Boston Police Department's Drug Control Unit has engaged in some "cleaning up" of their own. In three separate sweeps members of the DCU under the direction of Sgt. Det. Stanley Philbin, arrested eleven individuals on a variety of drug charges.

In Derby Park, in Boston's South End, four men were arrested Wednesday for possession of a Class A substance (Heroin) with intent to distribute, and a fifth was arrested for possession of a hypodermic and syringe. On Saturday, three more persons were arrested. One man was charged with unlawful distribution of a Class A substance, a second individual was charged with possession of a Class A substance, and a third individual was charged with being present with drugs.

In Mattapan's Walker Playground, two men were arrested for possession of a Class D substance (Marijuana) with intent to distribute, and a third was arrested for possession.

Derby Park and Walker Playground are only two of the many parks, that the Drug Control Unit has had under surveillance for a period of time. According to Lt. James Wood, commander of the Drug Unit, "We will continue to monitor all the parks and playgrounds in the City of Boston in order to provide a safe and secure environment for children, seniors, and families as they relax, play, and enjoy their neighborhood parks."

PROMOTIONAL EXAM FOR POLICE LIEUTENANT

Police Commissioner Francis M. Roache is pleased to announce that 107 sergeants in the Boston Police Department have passed the preliminary portion of the first lieutenant's promotional examination to be held in the department in twelve years.

The 107 sergeants are part of a group of 124 officers who took the test on May 30, 1987. Included in the group that passed are eleven minorities (eight blacks, two Hispanics and one Asian) and seven women. There are no women or minorities currently holding the rank of lieutenant in the Boston Police Department.

Commissioner Roache made scheduling of yearly promotional examinations a priority of his administration. He said, "Regular promotional examinations enhance the morale of the department by providing opportunities for advancement. Additionally, the middle management ranks will be strengthened, thereby furthering the goals and objectives of the department."

This group of sergeants must now complete the second portion of the exam on July 24th and 25th, which is an assessment of skills. The names on the list are people who received above 70 percent on the written knowledge section of the test and above 60 percent on the "In-Basket" portion.

A group of 437 Boston Police Officers also took the promotional examination for sergeant on May 30, 1987. The Department of Personnel Administration hopes to release the marks soon.

**Invitation for Bids for Playground Equipment for
the Rafael Hernandez School, 370 Colum-
bia Road, Dorchester, Mass.**

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for playground equipment for the Rafael Hernandez School, 370 Columbia Road, Dorchester, Mass.

General bids will be received up until twelve o'clock noon, Boston time, on Wednesday, August 12, 1987, at the office of the Awarding Authority, second floor 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check is to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the

specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing of
Buildings, Project No. 26 CI-ABU.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

334-336 Blue Hill Avenue, Ward 14

220-230 Columbia Road, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 6, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: "Project No. 26 CI-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority Business Enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its sub-

contractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms in the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest so to do.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 27, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, August 4, 1987, at 10 a.m., Boston time.

**Invitation for Proposals for Supplying and
Delivering Miscellaneous Paper Envelopes.**

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering to the Boston Public Library miscellaneous paper envelopes as specified.

Proposals will be received until 12 o'clock noon, Boston time, Tuesday, August 18, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a

responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 9 o'clock noon, Boston time, Wednesday, July 22, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

HOUSERAISING DEMONSTRATES SPIRIT OF BOSTON RESIDENTS

Boston's pride was again on display last week as a multitude of volunteers built eleven houses in Dorchester that will provide homeownership for even low-income families. The project is part of a larger, nationwide effort, sponsored by Habitat for Humanity, that will complete more than 300 houses this week for low-income families across the country. The Christians for Urban Justice, the local affiliate for Habitat, have organized the construction of these houses in Boston.

The houseraising effort is an important symbol to the whole community of what can be achieved by people working together for a common purpose. It is this notion of joining with neighbors to work on our properties that helped to build this nation and that lies at the heart of the values we all share.

The houses were built primarily on land transferred from the City of Boston and the new homes constructed during the week were all built with donated materials, financial contributions and volunteer labor from throughout Boston and Massachusetts. More than 400 skilled and unskilled volunteers worked around the clock last week to complete construction by Saturday, August 1.

The eleven families chosen to purchase the homes were selected by lottery, after meeting specific income and housing guidelines and agreeing to put 300 hours of "sweat equity" into their new homes. The two- and three-bedroom townhouses will be sold for less than \$35,000, at no profit and with a zero percent interest mortgage.

The Habitat houseraising program is creating affordable housing at a time when federal cutbacks in housing programs are preventing many people from owning their own homes. The ingenuity and hard work involved in this project deliver an important message about teamwork and cooperation among neighbors, a message that we are optimistic will continue to flourish in Boston.

DIONNE WARWICK AND BURT BACHARACH HONORED FOR WORK ON AIDS

On July 24, the Concerts on the Commons featured two great musicians who have also made an important contribution to our society. Dionne Warwick and Burt Bacharach have both taken a leadership role in raising desperately needed funding for the AIDS epidemic, while at the same time educating the public to the urgency of that mission.

At a reception after the concert, Mayor Raymond L. Flynn presented these compassionate and caring entertainers with silver Paul Revere bowls from the people of Boston as a token of our deep gratitude for all they have done to help lead the fight against AIDS.

NOTICE TO CONTRACTORS

Invitation for Bids for Renovating a Baseball Diamond at Columbus Park, South Boston.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Renovating a Baseball Diamond at Columbus Park, South Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to grade, sod and install infield mix. Estimated cost, \$15,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, August 13, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informal-

ties in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 27, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, August 4, 1987, at 10 a.m., Boston time.

The Awarding Authority reserves the right to waive any informalities,

or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 3, 1987, after 9 a.m. Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, August 4, 1987, at 10 a.m. Boston time.

The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) Participation provision, bidder must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with Federal Equal Employment Opportunity Regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained

from the office of the Project Manager, William J. Quinlan, 500 Arborway, Jamaica Plain, MA 02130. Telephone No. (617) 722-3425. A prebid conference will be held in July 29, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

The contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

NOTICE TO CONTRACTORS

**Invitation for Bids for Turf Maintenance
in the City of Boston.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and conditions of the contract document entitled, "Turf Maintenance in the City of Boston."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide topsoil, fertilizing, aerating, slice seeding, and other miscellaneous items.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, August 13, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. A duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 27, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors

to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for
Myrtle Street Playground, Boston, Mass.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and conditions of the contract document entitled, "Myrtle Street Playground, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install tot lot, synthetic surfaces, asphalt and water. Estimated cost, \$40,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, August 13, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, July 27, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, August 4, 1987, at 10 a.m., Boston time.

MAYOR FLYNN OPENS FIRST JOBSTART IN CHARLESTOWN

Mayor Raymond L. Flynn, on August 1, opened Boston's first JOBSTART in Charlestown as part of the BOSTON FOR BOSTON initiative linking neighborhood residents to the first opportunity at 30,000 new jobs being created in downtown Boston over the next five years.

"We have a window of opportunity to create solid and enduring links between Boston's booming downtown and our neighborhoods," said Mayor Flynn. "Today marks another step forward in our efforts to bring the success of the downtown economy to the residents of Boston's neighborhoods."

"We have already managed to achieve results in bringing the success of downtown to the neighborhoods with several policies initiated by this administration: parcel-to-parcel linkage, housing and job training linkage, and neighborhood-based financing are considered national models, and are having a positive impact on the quality of life of neighborhood residents. Of the 39,000 jobs created since 1984, 40 percent or 15,600 jobs, are now held by Boston residents. This is a significant improvement over the period between 1981-1983 where only 33 percent of new jobs went to Boston residents. Through the Boston for Boston initiative and a combination of concrete programs and actions designed to encourage businesses to locate and hire Boston residents, we are beginning to see a reversal of the nearly 40-year trend of decline in the employment share of Boston jobs."

The Charlestown JobStart is sponsored by the Mayor's Office of Jobs and Community Services, Bunker Hill Neighborhoods Task Force, and Charlestown Economic Development Corporation. It is the first of seven JobStarts to be established in Boston neighborhoods this year. JobStarts are designed to provide neighborhood access to jobs, training and education for unemployed and under-employed Boston residents.

JobStarts will ensure that Boston residents become a part of the thriving Boston labor market," explained John McCormack, director, Mayor's

Office of Jobs and Community Services. "The JobStarts staff will help residents identify career paths and guide them through the education and/or training they may need to establish a career."

Staffed by employment counselors and placement specialists, JobStarts offers services including: counseling, training referrals, GED/high school diploma and financial aid information, resume preparation, and interviewing skills. Boston Community Schools outreach workers will refer young people seeking jobs to the JobStarts offices.

The Boston for Boston agreement of Boston's real estate development community, Boston Redevelopment Authority and the Flynn administration is a commitment which will ensure that neighborhood residents will directly benefit from the new employment opportunities of Boston's downtown development.

BOSTON POLICE DEPARTMENT'S BUREAU OF NEIGHBORHOOD SERVICES ISSUES SAFETY TIPS FOR VACATIONERS

Returning to a home that has been broken into is an unpleasant finish to any trip. Never give a burglar an even break! The following are a few common sense tips for protecting your home while you are away.

- Notify the post office to hold your mail or have a neighbor pick up and hold your mail.
- Notify news carrier to discontinue delivery.

- Arrange with a neighbor or relative to watch your home and be given a key. Let them know where you can be reached.
- Check possible fire hazards, such as oily rags, open containers of combustibles, questionable wiring.
- Make sure any broken windows, door locks, or window locks are replaced.
- Move all ladders, tools, lawn implements, garbage cans, and yard furniture to your garage, basement or tool shed.
- Ask neighbors not to inform inquiring strangers that you are away.
- Unplug all major appliances to prevent possible damage from electrical storms.
- Turn down volume control on your telephone so it cannot be heard from the outside.
- Check all windows and doors for security including cellar windows and garage door.
- Put window shades in normal daytime position, and make sure all main floor drapes, shades, and curtains are arranged so that the police and neighbors can see into your home.
- Have someone daily remove throw-away papers and circulars.
- Make arrangements to have grass cut and watered.
- If you are leaving a car or other vehicle in your driveway, make sure it is locked.
- Set your electrical timers to turn some lights on and off during the evening hours.

For specific safety checklists for apartment dwellers, Senior Citizens, working parents etc., or any questions regarding personal safety, please call the Bureau of Neighborhood Services Crime Prevention Section at 247-4345.

Invitation for Bids for Overhaul of Oil and Gas Burners, Various Schools, District 1.

The School Committee of the City of Boston, acting by the Senior Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, hereby invites sealed general bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the documents entitled "Overhaul of Oil and Gas Burners, Various Schools, District 1."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, August 27, 1987, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, August 13, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the

general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

STATE-BOSTON RETIREMENT SYSTEM

Request for Proposal for Auditing Services.

The State-Boston Retirement System invites qualified, independent public accountants licensed to practice in the Commonwealth of Massachusetts to submit proposals to conduct an audit of its financial accounts and records.

Financial and general records are maintained in accordance with Massachusetts General Laws, chapter 32 as amended, rules and regulations as promulgated by the Public Employee Retirement Administration of the Commonwealth of Massachusetts, and in compliance with generally accepted accounting principles. The accounting records, consisting of cash receipts-disbursements register, revenue register, expense register and subsidiary ledgers, are manually kept. The Retirement System maintains files on approximately 28,000 active employees and approximately 14,000 retired employees.

The Retirement System's investment portfolio is approximately seven hundred million dollars, consisting of fixed income securities, equities, cash and real estate investments. Presently, there are six (6) money managers, and we are in the process of hiring three (3) international money managers.

The most recent audit of the Retirement System was performed for the fiscal year ended June 30, 1987.

The required services include an examination of the financial statements of the State-Boston Retirement System in compliance with generally accepted auditing standards as presented by the American Institute of Certified Public Accountants. In addition, the examination will be in compliance with the rules and accounting manual of the Public Employee Retirement Administration.

The scope of the audit will entail the time period July 1, 1987, to June 30, 1988. The accounting firm will provide financial statements for fiscal year ending June 30, 1988, as well as audit and assist in preparation of the annual statement for the Public Employee Retirement Administration for the calendar year ending December 31, 1987. The firm will render a management letter with audit findings and appropriate recommendations.

An example of a prepared annual statement may be reviewed at the Retirement Board, Room 806, at City Hall from August 17, 1987, to August 26, 1987.

The accounting firm will provide assistance to the Retirement Board relating to changes in I.R.S. rules and regulations which affect the system's active and retired membership.

At the conclusion of the audit, a representative of the accounting firm will be expected to appear before the Board Members to discuss the findings resulting from the audit.

Proposals shall be filed no later than 12 noon, September 16, 1987, at the office of the City Auditor, M4, City Hall, and at the office of the Retirement Board, Room 806.

The Retirement Board reserves the right to reject any or all bids or to waive any formalities in bidding, if it be in the public interest to do so.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Cleaning and Securing of
Lots, Project No. 11-CI-AVL, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the furnishing of labor and equipment for the purpose of removing and hauling debris and securing privately owned vacant lots. The following lots are to be bid:

8 Dennis Street, Ward 8
10 Dennis Street, Ward 8
459-465 Dudley Street, Ward 8

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 20, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation,

sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 11-CI-AVL."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the cleaning and securing of these lots starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for Minority Business Enterprise, if the bid is more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that its subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with se-

the Housing and Urban Development Act of 1980 and Executive Order 11246.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon

Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, August 4, 1987, at 10 a.m., Boston time.

CITY RECORD

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, AUGUST 17, 1987

NO. 33

NEW DEPUTY COMMISSIONER OF TRANSPORTATION DEPARTMENT

Mayor Flynn has announced the appointment of Chi-Hsin Shao to be the Deputy Commissioner of Planning for the Boston Transportation Department.

Shao will oversee the Policy and Planning Division which includes neighborhood planning, transportation systems management, mass transit and alternative modes, highway design and capital planning, access planning and environmental impact review, and parking planning.

Mayor Flynn said, "His expertise and background in urban transportation will be of great value to the City of Boston, and I am pleased he has joined his administration."

Prior to his Boston appointment, Shao worked the last eight years for the San Francisco City Planning Department, and since 1983, has been the Chief Transportation Planner. He has been involved in a wide range of urban transportation issues, including overseeing the Transportation section of San Francisco's master plan.

Boston Traffic Commissioner Richard Dimino said, "This appointment is an indication of the Flynn administration's commitment to resolving the city's transportation problems. With the number of new transportation projects under way in Boston, and the increasing congestion caused by Boston's heightened role as the region's major city, Shao's experience in dealing with similar transportation issues in San Francisco will be a valuable asset to our staff."

Shao, who is temporarily residing in Beacon Hill, has a M.S. in Transportation Planning and Management from Stanford University.

Dorchester. Residents of the neighborhood also attended this celebration.

This townhouse development is very special. Like the Habitat for Humanity homes, it is one of the first residential developments to be constructed in the Franklin Field area in over sixty years. These new and spacious homes on the former William Bradford Elementary School site are being developed by Taylor Properties, Inc.

Sixteen of the twenty-four townhouses will be available to low-income purchasers for up to \$89,500 and the remaining eight units will be available to moderate-income purchasers for up to \$110,000. Below market mortgages at 5 percent and 7.9 percent will be available through the Executive Office of Communities and Development's Homeownership Opportunity Program (HOP) and the Massachusetts Housing Finance Agency.

"On December 18, 1986, the Executive Board of the Boston Police Detectives Benevolent Society . . . voted that in their opinion you are a confidential employee . . . (therefore) it will be necessary to exclude you from the roster of the Detectives Benevolent Society."

The letter arrived immediately after the Anti-Corruption Unit made their first major investigation public; the December first announcement of alleged improprieties at Roslindale Motors. As a result of that investigation, two member of the Detectives Benevolent Society were relieved of duty by Commissioner Roache. The five members of the Anti-Corruption Unit have since been fighting to retain their membership in the detective's union.

Commissioner Roache said, "I personally will do everything in my power to ensure that these officers continue to be effective and professional in their effort to maintain the integrity of the Boston Police Department. The vast majority of honest Boston Police Officers are looking to this administration for the leadership to confront corruption and remove the small number who have violated their oath of office. I will provide that leadership."

The idea for the Anti-Corruption Unit was first formulated by Commissioner Roache in May of 1985, through the Bureau of Professional Standards. Their mission is to investigate allegations of misconduct on the part of police officers, which they began to do in November of 1985, with the full support of the Commissioner and Mayor Raymond L. Flynn. The unit's objective is to maintain a high level of departmental integrity.

Last week, Boston Mayor Raymond L. Flynn, Massachusetts Executive Office of Communities and Development Secretary Amy Anthony, and Boston City Councillor Charles Yancey were among those at groundbreaking ceremony for twenty-four, three-bedroom townhouses in the Franklin Field area of

ANTI-CORRUPTION UNIT IN LEGAL BATTLE

Boston Police Commissioner Francis M. Roache voiced strong support for the members of the department's Anti-Corruption Unit who are engaged in a legal battle with the Detectives Benevolent Society. On December 28, 1986, the Society sent a letter to each of the members of the Anti-Corruption Unit which stated in part:

EIGHTY-SIX RECRUITS TO POLICE ACADEMY CLASS 1987

Boston Police Commissioner Francis M. Roache has sworn in eighty-six recruit Boston Police officers at a ceremony at William G. Walsh Playground in Dorchester's Lower Mills. This class of eighty-six is part of the city's continuing commitment to rebuild the patrol force to its full strength. Presently, there are 1,865 sworn members of the Boston Police Department. Funds have been allocated in the current fiscal year to reach a manning level of 2,342. In order to attain this most important hiring goal, the Boston Police Department will seek the cooperation of the Department of Personnel Administration in securing an annual examination for the position of Police Officer.

In his comments to the new recruits Police Commissioner Francis M. Roache advised them that they have begun training for a career of public service; service based on humanitarianism, sensitivity and caring for those in our community. They must not forget that they are here to serve the community and, as such, are held to higher standards. Every action they take on behalf of the Boston Police Department must be for the good of society and based on the precepts of the law of our country, the values of our department and concern for the dignity of each individual.

In addition to swearing in the new recruits, Commissioner Roache also took this opportunity to present retiring Deputy Superintendent Edward J. Walsh, head of the department's Organized Crime and Intelligence Unit, with a Distinguished Service Citation. He had served thirty-two years of dedicated service to the citizens of Boston.

POLICE SENIOR RESPONSE UNIT INCREASES

At a meeting in July, at the Franklin Square House (a home for the elderly in Boston's South End) Commissioner Francis M. Roache assured the more than twenty-five members of the Massachusetts Senior Action Council, Inc., that they would, "Have a Senior Response Unit, plus every officer at your dis-

posal." The Council had expressed concern for their safety, noting that the number of Senior Response officers had dwindled to seven. As a part of the reorganization, the Commissioner indicated that the number of Senior Response officers had been brought up to twelve and that unit coordinators in each of the city's police districts would be able to bring in other available police resources as needed, to respond to complaints from senior citizens.

The primary function of the Senior Response Unit is to provide specialized patrols of senior citizen housing and adjacent commercial areas, in order to promote greater personal security for older Bostonians. In addition, the Senior Response Unit develops and presents problem-specific seminars dealing with such issues as phony bank scams, flim flam artists, personal health (Vial of Life Program) and physical safety techniques (Whistle Program and PEDS Program), and other general crime prevention topics.

In order to increase the effectiveness of the Senior Response Unit, the Police Commissioner has designated Senior Response Coordinators for each of the five police areas. Their mission is to respond to senior citizens inquiries regarding public safety. In situations where they cannot adequately address an inquiry, they shall act as a source of referral and direct questions to the appropriate police unit or other agency.

If you have any questions regarding the operation of the Senior Response Unit or are interested in any of the programs mentioned above, please call the Unit's Commander, Sgt. Russell Black, at 247-4355.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

SHERIFF'S DEPARTMENT

May 8, 1987.

Robert Consalvo,
Supervisor of Personnel
Dear Sir:

On July 1, 1985, Mrs. Mildred Brady was appointed to the position of Senior Administrative Assistant, Grade R-16, at the Suffolk County Jail. Mrs. Brady has evidenced prior creditable service which is hereby submitted for evidence under the provisions of Rule 15 (F) of the Suffolk County Compensation Plan.

Mrs. Mildred Brady — Appointed to the position of Senior Administrative Assistant on July 1, 1985. She has been an employee of Suffolk County Sheriff's Department since January 19, 1977, advancing from an administrative secretary to Senior Administrative Assistant. In addition, Mrs. Brady's prior professional experience includes two years as a legal secretary at the firm of Herrick and Smith, and as an executive secretary at Electrolux of Boston.

In view of her prior service and qualifications, it is requested that her sixth increment be determined under the provisions of Rule 15 (f) of the Suffolk County Compensation Plan, effective April 29, 1987.

Sincerely,
ROBERT C. RUFO,
Sheriff of Suffolk County

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Reroofing Boston City Hall, Phase II, Project No. 4215, C. 149 Projects.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Reroofing Boston City Hall, Phase II."

SCOPE OF WORK includes replacement of roofing and flashing on floors two, three, four, and nine.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority, 26 Court Street, sixth floor, Boston, MA 02108, before twelve o'clock noon on September 11, 1987, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about August 17, 1987, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

REAL PROPERTY BOARD

Invitation for Proposals for Leasing of Public Parking Facility at Haverhill and Causeway Streets and "Rip" Valenti Way, Boston.

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at Haverhill and Causeway Streets and "Rip" Valenti Way, for the term of one (1) year beginning October 1, 1987, and ending September 30, 1988, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Haverhill Street Parking Facility may be obtained daily (except Saturdays, Sundays, and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at Haverhill and Causeway Streets and "Rip" Valenti Way, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m., on Tuesday, September 15, 1987, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000) made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Improvements to William
F. Devine Golf Course at Franklin Park, Bos-
ton, Mass.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to William F. Devine Golf Course at Franklin Park, Boston, Mass."

SCOPE OF WORK includes: Furnishing all labor,

materials, equipment and transportation to reconstruct the greens and tees and to install an automated irrigation system. Estimated cost, \$600,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, August 27, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 10, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, August 18, 1987, at 10 a.m., Boston time.

Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work to be performed under this contract consists of furnishing and supplying all labor, materials and equipment necessary for, and incidental to, the LYNN CENTRAL SQUARE PROJECT DEMOLITION AND SITE PREPARATION WORK, including the demolition of six buildings ranging from one to five stories, the removal of underground utilities and pavements. The excavation, grading and compaction of the site and the overall preparation of the site for new construction.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after August 2, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's STANDARD SPECIFICATIONS, CONSTRUCTION, dated January 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15) payable by separate check. If required, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation,

minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, James L. Eng, 21 Arlington Street, Charlestown, MA 02129, Telephone Number (617) 722-5806. A prebid conference will be held on August 12, at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Proposal for Demolition and Site Clearance,
City Funds, Project No. 124-CI-ATD.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

99-103 Green Street, Ward 19

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 27, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter.Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chap-

ter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 124-CI-ATD, Take Down."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the demolition and site clearance of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

The contractor's attention is called to XXIV, Protection of the Public.

These measures, which appear in the contract, are two general types: revisions to the demolition contract specifications, and modifications or additions to the Clearance of Unsafe Buildings Program itself.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Wintrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization, if applicable.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of

the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 25 percent of his bid price shall be expended for Minority Business Enterprise, if bid is more than \$50,000. If the bid is under \$50,000, but greater than \$10,000, then the requirement is 10 percent. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhour to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1) (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect

bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section of the Housing and Urban Development Act of 1968 and Executive Order 11246.

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY

Transportation Building, 10 Park Plaza,
Boston, MA 02116-3933

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. E2CN11 HASE II, QUINCY CENTER STATION, PARKING GARAGE REHABILITATION, Quincy, Massachusetts, (Class 7 — Buildings, Project Value 43.00) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on September 3, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of rehabilitation of deteriorated concrete and water-saturated areas on both the top and bottom surfaces of all levels, ramps, and adjoining exit drum of the Quincy Center Station Parking Garage. This work in the garage also includes painting in areas of reconstruction and resurfacing, relocation of fire protection hose connections in stairways, door replacements and stairway repairs. Also included are the removal and disposal of the existing roof and the installation of a new, loose-laid, ballasted roof system at the MBTA Materials Testing Laboratory, 170 Freeport Street, Dorchester, Mass.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after August 6, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of ten dollars (\$10), payable by

separate check. If required, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the offices of the Project Manager, Mr. Walter Cusack, 500 Arborway, Jamaica Plain, MA 02130, Telephone Number (617) 722-3456. A prebid conference will be held on August 20, 1987, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Boarding and Securing,
Project No. 27 CI-ABU.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

334-336 Blue Hill Avenue, Ward 14
220-230 Columbia Road, Ward 14

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, August 27, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chap-

ter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Project No. 27 CI-ABU."

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority Business Enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. *Boston Residents:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

TRUST OFFICE

The Trustees of the George Robert White Fund request proposals for engineering consulting services to provide an analysis of the Fund's inventory of buildings and recreation facilities. Practical knowledge and expertise is requested in one or more of the following areas: building design, engineering, building systems and construction. A report must be presented to the trustees identifying immediate and long-term capital needs of each structure no later than 90 days after initiation of the service contract.

(1) **DESCRIPTION OF THE FUND:** The George Robert White Fund was officially established in 1922, to provide works of a capital nature for "public utility and beauty" within the City of Boston. The control and management of the Fund is under the direction of five Trustees and managed by the Executive Secretary of the Trust Office, chaired by the Mayor of Boston.

(2) **DESCRIPTION OF PROPERTIES:** The inventory of The George White Fund properties consists of eight health care centers, four recreation facilities, two public parks and two works of art, all constructed between 1940 and 1980.

(3) **BASIC QUALIFICATIONS:** All applicants must be registered in the Commonwealth of Massachusetts, and experienced in building renovations.

Qualification statement and a list of properties may be obtained at:

City of Boston
Trust Office, Room 708
Boston City Hall
Boston, MA 02201

Inspection of properties by interested applicants may occur by appointment only. For further information, call the City of Boston Trust Office, at 725-3414.

Proposals must be submitted no later than September 4, 1987, by 5 p.m.

KEVIN M. WALSH,
Executive Secretary.

NO. 34

MAYOR FLYNN INTRODUCES COMPUTER IDENTIFICATION DEVICE

Mayor Raymond L. Flynn and Boston Police Commissioner Francis (Mickey) Roache have unveiled a new, computerized criminal tracking device which will be of great value to the department in apprehending criminals," they said.

The information processing system, demonstrated in a South Boston news conference, computerizes traditional "mug shots" by physical description for quick reference.

"This program will greatly improve the quality and timeliness of the criminal identification process and make police work in Boston more efficient," Mayor Flynn said.

"The device eliminates the traditional process of having a witness scan through hundreds and sometimes thousands of photographs," the mayor said. "It will allow police to enter a thumbnail description of a suspected criminal into a computer which will retrieve only those photographs which match that description almost instantly."

Developed through the effort of the city's Police and Management Information Systems Departments, the image-processing system is believed to be the first of its kind in the nation.

"This can be one of the most useful investigative tools we could have," Commissioner Roach said. "We now have tens of thousands of photographs on record at the department. This will not only speed up the identification process but it may help the prosecution of cases."

The device was developed by International Optical Telecommunications of Hyannis through a contract with the city's Department of Management Information Systems. MIS Director Allan Stern said the city could receive up to 100 percent of its cost for the \$50,000 system through a 5-percent return on future sales according to terms of the contract.

FEDERAL FUNDS FOR BOSTON'S HOMELESS

Mayor Flynn and Congressman Kennedy announce increased federal funds for Boston's Homeless.

Boston Mayor Raymond L. Flynn and Massachusetts Congressman Joseph P. Kennedy II have joined with members of the city's Emergency Shelter Commission and Massachusetts Coalition for the Homeless Director Katherine Mainzer to announce that Boston will receive \$317,000 in Emergency Shelter Grant funds — the first funds available as a result of the passage of the Stewart B. McKinney Homeless Assistance Act.

Mayor Flynn said, "This is the beginning of a real commitment by the Congress to provide local governments and shelter organizations with the resources they need to address the needs of the homeless." The \$317,000 Emergency Shelter Grant represents a five-fold increase over the original appropriation of \$64,000 which was allocated to four Boston shelters earlier this year and will supplement approximately \$2 million a year of city spending on behalf of the homeless.

Congressman Kennedy said, "These funds, along with a share of another \$305 million in new federal initiatives for the homeless, will be available to the many dedicated organizations in the Boston area who work tirelessly on behalf of the neediest people in our society."

Boston will soon submit an updated plan for utilizing the Emergency Shelter Grant program to the United States Department of Housing and Urban Development. Mayor Flynn and Emergency Shelter Commission Chairman Father Bernard McLaughlin also announced that a briefing on the contents of the bill would be held for local agencies providing services to the homeless on Tuesday, September 1.

Congressman Kennedy praised Mayor Flynn's efforts on behalf of the homeless, saying, "Through the hard work of Mayor Flynn and other leaders on the homeless issue, the City of Boston will receive a substantial increase in federal funding for emergency shelters. This is not the answer to the homeless problem; but it should help relieve the suffering of many homeless people over the coming year." Earlier, at a meeting with Mayor Flynn and the Emergency Shelter Commission, Kennedy pledged his support in helping the City of Boston and its network of non-profit agencies compete for available funds.

Mayor Flynn, who chairs the United States Conference of Mayors Task Force on Hunger and Homelessness, thanked Congressman Kennedy on behalf of the nation's mayors for his strong support of the McKinney legislation, saying that, "Congressman Kennedy was instrumental in preventing the attempts by some callous members of Congress to cut funding for these programs. I look forward to working with Congressman Kennedy not only to provide urgently needed relief for the homeless but also to put our country back into the business of providing housing for poor and working families in America."

MAYOR FLYNN FILES COMPLAINT AGAINST BOSTON GAS

Mayor Raymond L. Flynn has charged that Boston Gas Company rates are "unreasonably high" and he has filed a formal complaint requesting that the State Department of Public Utilities investigate the company's billing schedule and reset consumer rates at a "lower, more-reasonable level."

Mayor Flynn alleged that Boston Gas Company is charging rate payers "approximately \$11 million in excess of what the company is allowed by the DPU to earn" according to a September 1982, DPU decision and "5 percent or more above its allowed return on equity of 15.5 percent."

The Mayor also alleged that the 15.5 percent return on equity under current market conditions "is too high by about 3 percent and the allowed rate of return for Boston Gas Company should be substantially reduced in line with other utility company rate cases."

In calling for DPU hearings into gas company rates, the Mayor said, "We cannot stand by while Boston Gas squeezes the consumer in order to put excessive profits in the shareholders' pockets."

The Mayor's filing states that Boston Gas paid its parent company, Eastern Gas and Fuel Associates, dividends totaling more than \$42 million in 1986, which represented an increase of 100 percent over what they paid in 1985, "and more importantly, that these dividends exceeded the company's net income for 1986 by more than \$17 million," the Mayor said.

In a complaint filed with the DPU, Mayor Flynn charged that the company paid Eastern Gas and Fuel Associates \$1.5 million as a management fee and that the gas company now collects through rates for property taxes approximately \$9.3 million more than it pays in property taxes.

"The city is prepared to assume the burden of proving Boston Gas Company's excessive rates through the testimony of nationally recognized experts," the Mayor said.

"It is essential to the financial well-being of rate payers and taxpayers that utility rates, as well as other costs, are fair and equitable," Mayor Flynn said. "It is my opinion that gas company rates should be significantly reduced to relieve the average consumer of the bur-

den of paying exorbitant profits to shareholders of Boston Gas and its parent company."

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY

HOUSE OF CORRECTION

August 3, 1987.

Robert Consalvo, *Director,*
Office of Personnel Management.
Dear Mr. Consalvo:

On August 20, 1986, Mr. Paul Leaman was appointed to the position of Superintendent (CO-6) for Human Services at the Suffolk County House of Correction at Deer Island.

Prior to his appointment, Mr. Leaman has served as the Director of Brooke House, a residential program for individuals on state and federal prerelease and parole, for nine years; and prior to serving as the Director of Brooke House, Mr. Leaman served as the Director of 699 House, a residential program for individuals on state, prerelease and parole for three years. Mr. Leaman did an outstanding job in both of these positions. Mr. Leaman is also an auditor with the Commission of Accreditation for Corrections; and, he has attended and taught numerous criminal justice training seminars over the years. Mr. Leaman's professional experience and commitment to excellence have done much to improve the overall operation of the Suffolk County House of Correction at Deer Island.

Because of Mr. Leaman's professional experience and background, it is respectfully requested that his second- and third-year increments in the position of Superintendent be determined under Rule 15 (f) of the Classification and Compensation Plan for officers and employees of Suffolk County, effective May 1, 1987.

Sincerely,
ROBERT G. WALSH,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

DEPARTMENT OF HEALTH AND HOSPITALS Pacemakers, etc.

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

An invitation for bids, Proposal No 546, to furnish implantable pacemakers and related items to the Department of Health and Hospitals was advertised in the *City Record* on May 12, 1986. Bids were publicly opened and read on June 10, 1986. Seven companies were solicited and six companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest bid meeting specifications at prices I consider to be reasonable, in that the vendor did not file a copy of the bid with the City Auditor — Cardiac Pacemakers, Inc. MN, \$50,000, net 30 days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volumes. The contract period is from July 1, 1986, through June 30, 1988.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Various Electrodes, etc.

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

An invitation for bids, Proposal No. 541, to furnish EKG electrodes; paper and supplies fetal monitoring electrodes; paper and supplies to the Department of Health and Hospitals was advertised in the *City Record* on April 28, 1986. Bids were publicly opened and read on May 20, 1986. Forty-two companies were solicited and twenty-three companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest bids meeting specifications at prices I consider to be reasonable. One vendor submitted a late bid, one vendor did not file a copy with the City Auditor, and one other did not include prices on the copy filed with the Purchasing Department at Boston City Hospital.

Honeywell, Inc. Medical Electronics Division New York, \$16,550, net 30 days, FOB shipping point; Medtronic/Andover Medical, Lawrence, \$5,200 2 percent 10, net 30; Life Supply, Inc., Connecticut, \$4,340.00 net 30 days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award contracts, without further advertising, to these vendors.

The contract amounts are approximate figures based on estimated volumes. The contract period is from July 1, 1986, through June 30, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Restoration and Repairs to the Muster House (Building 31), located in the Charlestown Navy Yard, City of Boston, Mass., until 12 noon, Boston time, on September 2, 1987, at One City Hall Square, ninth floor, Room 910, Boston, Mass., Attention: Engineering Department, at which time and place all bids will be publicly opened and read.

A prebid conference will be held at the Muster House (Building 31) at 10 a.m., on August 27, 1987, to ascertain any problems with the work and other matters.

Prospective bidders must contact Mr. Gerald Kenneally at the Charlestown Navy Yard, Building 34, 617-242-2282 for access to permit examination of the Muster House (Building 31).

The work will consist of furnishing all labor, materials and equipment to perform various repairs and restoration to the Muster House (Building 31), located in the Charlestown Navy Yard, City of Boston, Mass. In general, the repairs and restoration will consist of landscaping, masonry, miscellaneous metals, rough carpentry, roofing and flashing, wood windows, painting, and related items shown on the drawing.

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying fifty dollars (\$50), non-refundable, in cash or a certified check, payable to the Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, or a treasurer's or cashier's check, issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements

contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for repairs to the Muster House (Building 31).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, at Building 33, Charlestown Navy Yard, Charlestown, Mass., on August 27, 1987, at 11 a.m.

Bidders are advised that the Minority Business Utilization Form must be completed and submitted as part of each bid submission if the amount of the bid is \$50,000 or more.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Matthew J. Sweeney Playground, South Boston and Little Scobie Playground, Roxbury, Mass.

The City of Boston, acting by the Parks Commissioner, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project described below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Improvements to Matthew J. Sweeney Playground, South Boston and Little Scobie Playground, Roxbury, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install any equipment, fencing, paving, planting materials, water, drainage and electrical work. Estimated cost, \$350,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, September 10, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any formalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available for about Monday, August 24, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department, to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check, or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, Tuesday, September 1, 1987, at 10 a.m., Boston time.

Invitation for Bids for the Modernization of the Electrical Systems at the Harriet A. Baldwin School, 121 Corey Road, Brighton, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Modernization of the Electrical Systems at the Harriet A. Baldwin School, 121 Corey Road, Brighton, Mass." at an estimated cost of \$22,000.

SCOPE OF WORK: In general includes: modernization of the electrical systems and all related work as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, August 26, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that

bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Friday, September 11, 1987, at which time and place respective bids will be opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, Tuesday, September 1, 1987, at 10 a.m., Boston time.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. E1CN37, ALEWIFE STATION/GARAGE ACCESS IMPROVEMENTS, Cambridge, Massachusetts, will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on September 9, 1987. Immediately thereafter, in a designated room, the bids will be opened and read aloud publicly.

Work consists of access improvements at Alewife Station/Garage, including landscaping, paving, miscellaneous utility connections, signage, doors, glazing and architectural finish work.

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after August 11, 1987, Monday through Friday, at a charge of \$50

per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the offices of the Project Manager, Howard Haywood, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on August 26, 1987, at 2 p.m., in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreements which result from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

PUBLIC WORKS DEPARTMENT

Proposal for State-Aid Project No. 44 for Highway Reconstruction, in Foster Street in Boston Proper, in Emmet Street, Glover Court, Springer Street, Vinton Street, and Wendeller Street, in South Boston, and in Decatur Street, Havre Street, Horace Street, and Wordsworth Street in East Boston.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, August 24, 1987. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS., WHICH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR APPROVAL. UPON APPROVAL AND WITH THE SUBMISSION OF AN "APPROVAL FOR PROPOSAL FORM" TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE PROSPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, September 10, 1987, at Room 714 and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on September 2, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NO. 35

MAYOR INVITES SOLIDARITY LEADER WALESA

Boston Mayor Raymond L. Flynn has sent a letter of invitation to former Solidarity leader Lech Walesa of Poland to visit Boston during his expected visit to the United States in September. Delivered by Polish-American supporters of Solidarity during a trip to Poland, Mayor Flynn's letter invites the Polish labor leader, on behalf of the people of Boston, to visit our city to join Boston's celebration of the U.S. Constitution Bicentennial.

Lech Walesa has applied for a visa this past week to visit the United States in September and to participate in the "We the People" celebration in Philadelphia on September 17.

The following is a translation of Mayor Flynn's letter to Lech Walesa.

Dear Mr. Walesa,

As you may remember, last August Boston Cardinal Bernard Law visited Poland on a pilgrimage with many Bostonians. At that time, on behalf of the people of Boston, I had the opportunity to write to you and share some thoughts with you.

Joining the Cardinal on his visit was our good friend Mr. Chet Curtis, a television reporter who had the pleasure of interviewing you for American television. We here in Boston enjoyed the interview very much, and it provided us with insight on the current conditions in Poland. As a result of this interview, Mr. Curtis has given an award by Polonia of Boston at our Polish Festival of August 1.

This year in the United States, we are celebrating the 200th anniversary of our Constitution. It has come to our attention that you may be coming to the United States to participate in the celebration.

With this letter, I am extending a warm and cordial invitation to you to visit our historic city as part of your trip. There are thousands of Polish Americans living in Boston. In fact, my parents lived in a Polish neighborhood when I was born. Having experienced life in a Polish neighborhood has provided me with a deeper understanding of Poles and Poland's heritage. Therefore, on behalf of Polonia and all of Boston's citizens, let me say it is our sincerest hope that you may come to our city.

As part of your visit, we would celebrate Mass at our Polish parish, Our Lady of Czechtowowa.

On behalf of all Bostonians, I send you our best wishes.

Sincerely,

RAYMOND L. FLYNN,
Mayor, City of Boston.

COMPUTERIZED IMAGE PROCESSING SYSTEM UNVEILED

At a news conference held at Boston Police District 6 in South Boston, Mayor Raymond L. Flynn and Police Commissioner Francis M. Roache unveiled an innovative and possibly first of its kind technology for the rapid photographic identification of suspects.

The "Video ID" system will enable the Boston Police to be at the forefront of crime-solving technology. Video ID will use automated data and photographic storing techniques, along with pertinent information on known individuals, to identify suspects and clear crimes. The specialized system will make the identification process simpler and less threatening for crime victims and witnesses who can now sit and operate equipment in a climate-controlled room rather than go to a police station and flip through hundreds of "mug shots". Features include the following:

- Robbery Arrest records will be entered categorizing individuals by such factors as sex, race, age, significant physical characteristics, (scars, tattoos), street names and nicknames, gang associations, etc.

- Descriptions of unknown suspects involved in specific crimes will include information provided by witnesses, video-surveillance pictures, statements allegedly made by the suspects, times and dates of occurrences, similarities in modus operandi, etc. This data can then be analyzed by the computer to identify common denominators and establish patterns for directed patrol.

- Video ID will contain a subfile on convicts recently released from prison.

- Pictures of everyone arrested by the Boston Police Department since January 1, 1987, are contained in the video files.

- Although the system can be used to identify suspects involved in all types of crime, in the first two months of operation, the Boston Police have focused on suspects involved in armed robberies, sexual assaults, and weapons violations.

Since the system began operating in June 1987, victims have viewed suspects in thirteen separate crimes. In four cases, alleged perpetrators were positively identified.

The Video ID system was recently enhanced by the gift of a \$2,500 video recorder from the Shawmut Bank. The recorder will enable sharper images to be developed from bank camera films of robbery suspects.

"This system will enhance our investigative capabilities, and will provide for a more efficient and cost-effective use of police resources," Commissioner Roache said. "We now have tens of thousands of photographs on record at the department. This process will not only speed up the identification of suspects, it will be beneficial to the successful prosecution of criminal cases."

The device was developed by International Optical Telecommunications of Hyannis, Massachusetts, through a contract with the city's Department of Management Information Systems.

ABCD LEARNING CENTER PROGRAM

Friends and families of over 100 ABCD Learning Center students and distinguished service award recipients assembled for the Center's annual certificate ceremony at the Parker House Hotel.

Fifty-seven students received General Equivalency Diplomas (GEDs), and over sixty individuals received Certificates of Achievement. Humanitarian and Distinguished Service Awards were presented to students, volunteers, and former staff members for their significant contributions to the success of the program.

Dr. Shirley Hall, Ph.D., assistant director, Southeast Regional Education Center, Massachusetts Department of Education, and former ABCD Learning Center director, delivered the keynote address. ABCD Board President Jean Babcock and Jay Ostrower, director of ABCD's Center for Jobs, Education and Career Training (CJECT) also addressed the group. The Learning Center is an integral part of CJECT's comprehensive approach to education and job-training for low-income Boston residents.

Robert M. Coard, ABCD executive director, stated "We are extremely proud of the people receiving awards and certificates of achievement. In today's world, education is the key to upward mobility and self-reliance, and the graduates of our excellent Learning Center now have their feet firmly planted on that ladder."

The Learning Center, under the auspices of the ABCD Downtown Center for Jobs, Education and Career Training, provides the first step in a program designed to help low-income youths and young adults to improve their educational and vocational skills as well as to prepare for their GED exam. The program is designed so that students can learn at their own pace, in an individual or small group setting. The center offers instruction both during the day and evening hours in order to accommodate students who work or have other time constraints.

ABCD is Boston's antipoverty agency and the largest human service agency in New England, with funding from a variety of sources totaling over \$30 million annually. The agency is a private, non-profit corporation established in 1962,

with the majority of board members elected from Boston's neighborhoods through the decentralized ABCD neighborhood network. ABCD programs include Fuel Assistance, Foster Grandparents, Head Start, Day Care, Center for Jobs, Education, and Career Training, the Summer Youth Employment Program, a tuition-free, accredited Urban College Program administered in conjunction with area colleges and universities, Health Services, Community Services, and others.

UNITY AGAINST CRIME DAY

The religious community and Area B Boston Police Department, on August 15, jointly sponsored "Unity Against Crime" Day.

In an historic development, twenty-one area religious leaders have joined with Police Commissioner Francis M. Roache, Area B Commander, Billy Celester in announcing the "Unity Against Crime Day."

The decision was a direct outgrowth of continuing efforts by the religious community and the Boston Police Department to jointly attack the problems of crime, drugs and guns in Roxbury, Dorchester, and Mattapan, Area B.

In presenting awards from the Police Department to the contestants, Police Commissioner Roache said, "We have forged a relationship with the religious community that is without precedent in

terms of the Police and the Religious community coming together in a spirit of cooperation and unity against crime. The Rev. Eddie L. McBride of the Black Ecumenical Council added, "It's been said that 'As goes the black church, so goes the black community.' This innovative partnership will focus on outreach, moral leadership, community commitment and education through song, posters, and the media."

The centerpiece of the plan developed at Boston's Franklin Park with the kickoff of a "Unity Against Crime/Family Gospel Extravaganza" from 11 a.m. to 5 p.m. in conjunction with the Family Day, an oratorical contest was held at the Berea Seventh Day Adventist Church in Roxbury. The oratorical contest "What I Have to Say about Crime, Drugs and Guns" was open to young people, twelve to eighteen years of age. First, second, third, and fourth-place finishers received cash awards and presented his or her speech during the Festival.

Community support for the Festival was broad-based and represented through information booths on topics ranging from Crime Watches, AIDS, Health Services, Child Services and Drug and Alcohol information.

MERCY OTIS WARREN PORTRAIT UNVEILED

Mayor Raymond L. Flynn, on August 21, unveiled a portrait of Mercy Otis Warren (1738-1814) in Boston's Faneuil Hall. Warren, a poet, historian, and patriot who actively contributed in the philosophy of individual and states rights incorporated into the United States Constitution. She is the first woman recorded the honor of a portrait adorn the walls of Faneuil Hall, the Cradle of Liberty.

"Mercy Otis Warren was a champion of individual rights and a person who found herself uncomfortable with just going along with the status quo," said Mayor Flynn. "She managed to achieve intellectual success during a time when women were virtually excluded from American life and, in her own way, brought down some of the barriers which stood in the way of women in the early days of our country."

The Faneuil Hall portrait of Warren is a reproduction of the Museum of Fine Arts portrait by John Singleton Copley.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

DEPARTMENT OF HEALTH AND HOSPITALS

Various Types of Beds

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

An invitation for bids, Proposal No. 540 to furnish

alternative bed therapy to the Department of Health and Hospitals was advertised in the City Record on April 28, 1986. Bids were publicly opened and read on May 15, 1986. Three companies were solicited and three companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest bids meeting specifications at prices I consider to be reasonable. One vendor submitted a late bid, and the other did not file a copy with the City Auditor.

Patient Care Systems, N.H., \$30,000, net 30; Kinetic Concepts Therapeutic Services, Inc., \$10,000, net 30.

The above contracts are for the rental and installation of special beds of several different types, which are ordered as prescribed by physicians for the individual needs of patients.

Therefore, because it is in the best interest of the city pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award contracts, without further advertising, to these vendors. The contract amounts are approximate figures based on estimates volumes. The contract period is from July 1, 1986, through June 30, 1987.

The awards are being processed late due to the fact that the Legal Department at Boston City Hospital rejected the letter of award in its original form and asked that it be retyped to state the definition of Alternative Bed therapy.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Gastroenterology Consultant

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Claudia McClintock, M.D., 27 Rutland Street, Boston, for the period August 24, 1986, through June 30, 1987, at a cost not to exceed \$6,900.

Under this contract, Dr. McClintock will provide consultative services in Gastroenterology at Mattapan and Long Island Hospitals. On-site consultations will be provided every other week at Mattapan Hospital, each visit not to exceed four hours in length. On-site consultations will be provided every other week at Long Island Hospital, each visit not to exceed two hours in length. All sessions will be reimbursed at the rate of \$50 per hour.

Fiscal year 1987 is the first year that a contract will be in effect, as prior to this these services were not required by the hospitals.

As Dr. McClintock is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

The original paperwork required to request this contract was misplaced by the department, and the Contract Office was not notified as to the need for a contract until March 6, 1987. Therefore, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Tractor Repairs

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Chadwick-BaRoss Company, 16 Chelmsford, for the period April 20, 1987, at a cost not to exceed \$8,000.

Under this contract, the Chadwick-BaRoss Co., formerly Timberland Machines, Inc., will provide the emergency repairs necessary to restore Mattapan Hospital's Bombardier tractor.

Chadwick-BaRoss repaired Mattapan Hospital's Bombardier tractor in April of 1982. The company provided excellent services 1982. An unadvertised contract was awarded to Chadwick-BaRoss for fiscal year 1982, in the amount of \$3,920.23.

Therefore, because Chadwick-BaRoss Co. is the only available company in the New England area that is qualified to provide this service, and also, because of the cost, in my opinion, is reasonable, no benefits would inure to the city of publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Catheters and Cardiac Computers

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to American Edwards Laboratories, California, for the period August 15, 1986, through June 30, 1987, at a cost not to exceed \$125,000. The terms are net 30 days; FOB, destination.

Under this contract, American Edwards Laboratories will provide the Department of Health and Hospitals with thermal dilution catheters and cardiac output computers. American Edwards Laboratories was awarded the contract for these supplies as a result of a public bid for fiscal 1986 and have agreed to keep the same prices for fiscal 1987.

Since American Edwards Laboratories has the only acceptable system currently in the marketplace and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Because of the changes in technology there is an ongoing evaluation of various methods of thermal dilution catheterization and a decision has not been made as to exactly what change will be implemented by the department. It was decided to continue with the system currently in use while further evaluation takes place. This decision was not made until the end of July and thus the contract will be processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Various Equipment Maintenance

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Hewlett-Packard Company, Andover, for the period August

1, 1986, through July 31, 1987, at a cost not to exceed \$19,063.

Under this contract, Hewlett-Packard Company will provide maintenance including parts and travel for the following Hewlett-Packard systems: ECG Management Systems, \$6,339.88; Series 60 Real Time Phased, Array Imaging System, \$8,642.

An additional \$4,084.12, is added for miscellaneous repairs as needed on various Hewlett-Packard equipment.

The Hewlett-Packard Company has provided the department with high quality repair services in the past. Hewlett-Packard Company has been awarded unadvertised contracts for the past two fiscal years in the following amounts: 1986 — \$11,350; 1985 — \$11,500. Prior to that time, the Biomedical Engineering Department assumed these repair services.

Inasmuch as Hewlett-Packard is the manufacturer who has specially trained personnel to quickly diagnose and repair the equipment without disruption to patient care, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor in July and returned in September, therefore, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Acuson, Inc., California, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$13,500.

Under this contract, Acuson, Inc. will provide service maintenance to include parts, labor and travel weekdays from 8 a.m. to 5 p.m., and any software update as it becomes available for the following equipment located in the Radiology Department at Boston City Hospital, Acuson, 128 Ultrasound Unit.

In Fiscal Year 1986 Acuson, Inc. was awarded an unadvertised contract in the amount of \$9,150. Prior to that time, the above equipment had been under warranty.

Therefore, because Acuson, Inc., is the manufacturer and has the personnel specially trained to service the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Laboratory Equipment Maintenance

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

An invitation to bid for maintenance and repair of various laboratory equipment at Boston City Hospital was advertised in the *City Record* on May 5, 1986, with a bid opening date of May 22, 1986. Thirty-three companies were solicited. No bids were received for service of the Hematrak System.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the manufacturer of this instrument, Geometric Data, 999 West Valley

Road, Pennsylvania, for the period July 1, 1986 through June 30, 1987, at a cost not to exceed \$18,200.

Under this contract, Geometric Data will provide 24-hour/day, 7 days/week service, including all parts, labor and travel for the Hematrak Model 360 and the Hematrak Differential System F-129 located in the Central Hematology Department at Boston City Hospital.

Geometric Data has provided the department with good service on this highly complex system in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$18,200; 1985 — \$18,200; 1984 — \$16,600.

Therefore, as Geometric Data is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I deem to be reasonable, no benefit would inure to the city by further advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the Letter of Award until after July 1, 1986. The Contract Office was then required to obtain all the additional necessary documents from the vendor.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Wheelchairs Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to extend for one year, the city's contract with Continuing Care Associates, 611B Neponset Street, Canton, to provide cleaning, maintaining and repairing of wheelchairs for Mattapan Hospital, for the period July 1, 1986 through June 30, 1987, at a cost not to exceed \$4,200.

Under this contract, the city has the option to renew this contract through June 30, 1987, at the same terms or terms more favorable to the city.

Therefore, inasmuch as the contract is being extended on the same basis and same price, and Continuing Care Associates, who was awarded the original contract pursuant to public bidding has provided excellent service and as the price is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

DEPARTMENT OF HEALTH AND HOSPITALS

Cleaning Services

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Boston Window and Floor Cleaning Co., Inc. for provision of cleaning services to the shelter/intake area for the homeless located at 725 Massachusetts Avenue, Boston, for the period January 12, 1987, through April 30, 1988, at a cost not to exceed \$22,533.33.

This amendment will increase the contract sum by \$5,446, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$27,979.33.

This amendment is necessary due to the fact that while the contract specifications stated that the square footage of the area to be cleaned was 3,000 sq. ft., the actual footage is 3,725 sq. ft. The prorated additional footage would add \$5,446 to the original bid price.

Therefore, in view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Diagnostic Test Kits

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract awarded to Abbott Laboratories Diagnostic Division, Illinois, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$73,000.

This amendment will increase the contract amount by \$38,640, thereby increasing the city's total liability under this contract, as so amended, to a sum not to exceed \$111,640.

The contract was awarded to Abbott Laboratories Diagnostics Division as the lowest acceptable bidder to provide diagnostic test kits with equipment to the Department of Health and Hospitals. Due to the increase in the number and type of tests being performed at the Boston City Hospital Clinical Immunology Laboratory, original estimated volumes are far below what will be required. Therefore, this amendment is necessary to maintain efficiency and perform necessary required tests at the hospital.

Because all other terms and conditions of the contract will not change, and Abbott Laboratories Diagnostics Division was the lowest acceptable

bidder, no benefit would inure to the city by further advertising for these items.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Various Electrodes, etc.

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with the C. R. Bard, Inc., New Jersey, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$21,265.

This amendment will increase the contract amount by \$40,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$61,265.

The contract was awarded to C. R. Bard, Inc. as the lowest acceptable bidder to provide EKG electrodes and fetal monitoring electrodes plus paper and supplies, which appeared on Proposal No. 541, to the Department of Health and Hospitals. The department has underestimated the usage of these items because of the additional monitoring equipment purchased by the hospital.

In view of the above, and because the cost, in my opinion, is reasonable I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

REQUEST FOR DESIGNERS

Under Massachusetts General Laws c. 7, s. 30, et seq., the Public Facilities Department is requesting proposals for design work, including development of plans, specifications and cost estimates, and construction supervision for the following facilities with associated construction cost estimates — \$75,000 Street Tree Planting at Various Locations throughout the City of Boston, Project No. 5140.

Project fees will follow the schedule as stated in the proposal form. Completion shall be eighteen (18) months after execution of a contract. Applicants must be either registered architects or engineers in the Commonwealth of Massachusetts.

PUBLIC WORKS DEPARTMENT

Request for Qualifications for Engineering Services for Survey and Design Development Plan for Boylston Street Sidewalk Improvements from Arlington Street to the Fens.

The City of Boston acting through its Public Works Department, Engineering Division, invites

engineering firms to submit a statement of qualifications to provide both engineering and landscape design services that will develop a design concept plan as general guidelines relating to the improvements of the Boylston Street sidewalks.

1. Prospective proposers must submit four copies of a Statement of Qualifications for the project. The copies must be received no later than noon, on September 18, 1987, at the Office of the Division Engineer.

2. To be considered, the Statement of Qualifications must include:

- a) The name(s) of the principal(s) who will work on the project; the Project Manager should be identified.
- b) The size and capability of the firm's staff.
- c) An explanation of similar work which has been done recently.
- d) The firm's financial condition.
- e) The firm's Affirmative Action Program.

3. The City will review all Statements of Qualifications, and determine the firm most qualified for providing the required services.

4. The City will select three to five applicants who will be asked to submit a detailed proposal.

5. The Commissioner of Public Works, acting through his Division Engineer, reserves the right to interview any or all firms as required to assist in the evaluation of the qualifications statements.

JOSEPH F. CASAZZA,
Commissioner
